Sexuality in the Later Years - Ruth B. Weg 2013-09-24

Sexuality in the Later Years: Roles and Behavior pulls together evidence from the anthropological, psychological, social, and physiological disciplines and represents an effort to present a coherent picture of sexual roles and behavior in the later years. This work does not pretend to answer all questions that could be raised concerning sexuality and aging but attempts rather to concentrate on issues that have been relatively neglected, primarily options, potentials, and possibilities for the individualization and humanization of sex roles and sexual behavior of older persons. The book is organized into five parts. Part I examines concepts of sexuality in the later years, including cultural attitudes and behaviors towards sexuality, psychological and sociological perspectives, and a life-span model of sex-role development. Part II on life-styles deals with the impact of aging on the sexuality of those who are unmarried in later life; the relationship between interpersonal intimacy and adaptation to stress throughout adult life; and the range of sexual orientations in the later years, along with their incidence, their contributions to social adaptation, and the particular constraints surrounding them. Part III discusses issues in research and therapy while Part IV considers views of sexuality and aging in other countries, namely Canada and Sweden. Part V inquires into the problems associated with transitions in the later part of the life cycle of love.

Orgasm Trainer: How to Please a Woman in Bed and Give Her Mind Blowing Orgasms - Randy Rochester 2017-04-04

Give Any Woman the Most Breath-Taking Orgasms She Has Ever Experienced Today only, get this #1 Amazon.com bestseller for just \$17.90. Regularly priced at \$29.90 Hi, I'm Randy Rochester. You might know me from my best-seller books "Ejaculation Trainer" and "Erectile Trainer" about how to give woman more pleasure, to how to last longer in bed and how to eliminate sexual anxieties to getting more sexual confidence. In my last book "Orgasm Trainer", I reveal all the secrets for being able to give women intense multiple orgasms, destroy your sexual fears and anxieties, transform your sexual confidence and ultimately attract and keep the woman of your dreams. Orgasm Trainer includes the most highly effective and fast-acting Strategies and techniques I've ever developed and come across. What you'll learn is so powerful and advanced that: -You'll be able to give any woman the most breath-taking orgasms she has ever experienced- You'll get to turn around a relationship who's passion is dead or where the woman seems completely disinterested in sex. -It'll be possible to give a woman her first ever orgasm - no matter how sure she is that she can't experience one or never has done before. -Your sexual confidence will become turbo-charged to

the point where all your fears and anxieties disappear and you experience a previously unimaginable state of confidence around women...making you irresistible to the opposite sex. -You'll be positioned in the eyes of your lover as the only one who could ever fulfill all her sexual needs and permanently eliminating her desire for other men or to end the relationship. You're less than a minute away from downloading and discovering all the sex secrets to transform your sex life....And never having to worry or stress about disappointing in the bedroom again. After discovering the simple strategies of what it really takes to satisfy a woman my bet is that your life will never be the same. Forget worrying about "where am I going to find a good girlfriend / wife?", "is she satisfied", "will she cheat on me?" or persuading her to have sex because when you have this level of sexual skill all that is forgotten! FAQ In case you have some questions yourself about the system and how it can help you, please take a quick look at the some other frequently asked questions below...1. How do I know Orgasm Trainer will work for me? Quite simply because it has already worked for hundreds of guys (of different ages and backgrounds) from all over the world. Check out the success stories to see how it will change your life. This system has dramatically changed their lives and elevated them to an unworldly level of sexual performance -levels that they had previously thought was impossible..2. How quickly will I see results? Immediately! Orgasm Trainer contains step-by-step instructions, techniques and methods that you can begin to use as early as tonight.3. Is this a permanent solution? Yes. Unlike other available solutions (such as drugs and creams) this is permanent solution - saving you thousands of dollar. You will not be required to continually repurchase expensive medication and unlike other products I don't believe in recurring billing or hidden costs. So there's only a once-off payment, for a lifetime of pleasurable sex for you and your partners. Take a second think about what that will mean for you. Soon: - You will have the all sexual stamina you've always wanted- You will be enjoying sex more than you ever have- You will feel amazing knowing you have the power to deeply satisfy your wife, girlfriend or lover and give her multiple orgasms- You will get to feel incredible about having your lover ask you for sex, because it makes her feel so amazing- Most of all you'll have the security of knowing you gave her the best sex she's ever had!

The Serpent and the Dove - A. W. Richard Sipe 2007-10-30

Richard Sipe, himself a former monk and priest, has made a lifelong venture of determining the reality and meaning of religious celibacy. Even an adequate operational definition of religious celibacy, he says, has been avoided by Catholic hierarchy and scholars to preserve the celibate myth. Having spent 25 years conducting a study of celibacy and sexual behavior in Roman Catholic priests, Sipe concluded that at any one time no more than 50 percent of priests were practicing celibacy. To more fully understand what celibacy is, how it is practiced, the affect it has on the humanness of men of women, and the social effects it presents, Sipe says we can use the approach presented in this book. Specifically, we can analyze historic men who presented themselves or were perceived as living examples of celibacy and also focus on the most profound truths of celibacy found in literary accounts. Psychology, religion, and literary criticism interface and are woven together in this book with minimal jargon. The Serpent and the Dove was written in the hope of exciting honest analysis of the essence of religious celibacy and to foster a recrudescence of authentic sexual vigor with all of its evolutionary potential. Human sexuality is not going away; nor is it irrelevant to the wellbeing, progress and happiness of the human community, says Sipe. And the practice of genuine celibacy is not going to disappear either. No question, the Catholic Church needs profound reformation. But in all my work I have chosen not to throw any babies out with the horrendously dirty 'holy water' the church continues to treasure and disseminate. Here, as in all my work, I try to foster dialogue between religion and science, such as literary criticism. The Catholic Church (and religion) is at a Copernican Moment when it has to cede to science the nature of sexuality. The Serpent and the Dove is one

more work among Sipe's many books and articles making the need for that clear.

The Routledge International Handbook of Lifelong Learning - Peter Jarvis 2009-05-07

As lifelong learning grows in popularity, few comprehensive pictures of the phenomenon have emerged. The Routledge International Handbook of Lifelong Learning provides a disciplined and complete overview of lifelong learning internationally. The theoretical structure puts the learner at the centre and the book emanates from there, pointing to the social context beyond the learner. Up-to-the-minute syntheses from many of the leading international experts in the field give vital snapshots of this rapidly evolving subject from wide-ranging perspectives including: learning throughout life sites of lifelong learning modes of learning policies social movements issues in lifelong learning geographical dimensions. This authoritative volume, essential reading for academics in the field of Lifelong Learning, examines the complexities of the subject within a systematic global framework and places it in its socio-historic context.

Handbook of Outpatient Treatment of Adults - Barry A. Edelstein 2013-06-29

During the past several decades, the field of mental health care has expanded greatly. This expansion has been based on greater recognition of the prevalence and treatability of mental disorders, as well as the availability of a variety of forms of effective treatment. Indeed, throughout this period, our field has witnessed the introduction and the wide spread application of specific pharmacological treatments, as well as the development, refinement, and more broadly based availability of behavioral, psychodynamic, and marital and family interventions. The community mental health center system has come into being, and increasing numbers of mental health practitioners from the fields of psychiatry, psychology, social work, nursing, and related professional disciplines have entered clinical practice. In concert with these developments, powerful sociopolitical and socioeconomic forces-including the deinstitutionalization movement of the late 1960s and early 1970s and the cost-containment responses of the 1980s, necessitated by the spiraling cost of health care-have shaped the greatest area of growth in the direction of outpatient services. This is particularly true of the initial assessment and treatment of nonpsychotic mental disorders, which now can often be managed in ambulatory-care settings. Thus, we decided that a handbook focusing on the outpatient treatment of mental disorders would be both timely and useful. When we first began outlining the contents of this book, the third edition of the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders (DSM-III) was in its fourth year of use.

Men Strenght - Dr A Joe 2020-07-04

Viagra was developed in the United Kingdom. In 1998, the American pharmaceutical company Pfizer Inc. launched the drug on the market. The generic name for Viagra is sildenafil and Viagra is a brand name. The drug is also known by the name of Revatio. Viagra works by slowing down the action of PDE5, an enzyme that acts on the tissues of the penis. The PDE5 enzyme breaks down a substance responsible for blood flow into the penis. Inhibition of PDE5 increases blood flow to the penis. This helps men achieve and maintain an erection. However, sildenafil can only help maintain an erection during physical stimulation. Viagra (sildenafil) relaxes the muscles of the walls of the blood vessels and increases blood flow to particular areas of the body. Viagra is used to treat erectile dysfunction (impotence) in men. Another brand of sildenafil is Revatio, which is used to treat pulmonary arterial hypertension and improve exercise capacity in men and women. With age, our body undergoes several changes and, together with your body, your sexual stamina also undergoes many changes. You may experience low libido or erectile dysfunction. In women, one of the main changes observed is vaginal dryness. This does not mean that your sexual power has reached the end. You can have an active sex life for a lifetime. click Buy Now.....

Overcome Premature Ejaculation - John Mathews 2018-12-03

Premature Ejaculation or commonly known, PE, affects approximately 33% to 40% of the men all over the world at some point time in their life. Nearly 35% of US men is suffering from this problem. PE is known as a personal issue for most of the men because it is naturally embracing; most men attempt to be successful and mannish in bed; PREMATURE EJACULATION prevents individuals from completing t...

7 Keys to Lifelong Sexual Vitality - Brian R. Clement 2012

"There's solid evidence that regular sex throughout the human lifespan contributes to health and longevity. The married authors have seen this science born out in their three-decade alternative healing and health maintenance practice at an internationally renowned clinic where 300,000 people from 50 countries have spent time (including celebrities such as Paul Newman and Kenny Loggins). The Clements believe that sexual energy is a universal fuel of life; that it nourishes mind, body, and spirit; and that along with diet and exercise, nothing naturally enhances health more than remaining sexually active. They've written 7 Keys to Lifelong Sexual Vitality to help readers of all ages, gender attraction, ethnic background, and religious affiliation achieve and maintain vibrant sexuality. From recipes rich in sexual nutrients, detoxification, and massage to meditation, guided imagery, and a variety of fear and misinformation busting exercises, this is a practical, pleasurable prescription for life"--

Cancer is a Four-Letter Word - Larry Kreps 2009-12

Prostate cancer is the second leading cause of cancer death in American men today, closely following lung cancer. About one man in six will be diagnosed with prostate cancer during his lifetime. But only one in 35 will die from it. More than two million men in the United States who have been diagnosed at some point are still alive today. I am one of them. My book, *Cancer is a Four-Letter Word: A Pilgrimage into the Emotional, Sexual, and Spiritual Aspects of Prostate Cancer*, chronicles my own experience with this terrible disease. From early diagnosis, fear, and panic, to shopping for the best treatment, to surgery and subsequent recovery, I trace not only the physical journey of getting my stamina and good health back, but also the psychological and sexual implications. My format includes an interweaving of my own story of prostate cancer with other men's stories, along with open-ended questions at the end of each chapter to keep men and their partners talking late into the night. There's also a resource list to provide support for a lifetime. Although concise and easy to read, my book doesn't hold back any personal details. Readers will learn what to expect in regard to diapering oneself post-surgery, working through debilitating depression, and forging the uncharted territory of a different kind of sexual intimacy. More importantly, they'll hear about learning to accept support from loving friends and how to talk to God in a whole new way. Rarely does a reader find an account of experiencing God's overwhelming love and grace in the same chapter as explicit details on how to give oneself penile injections to overcome erectile dysfunction!

It's Not All in Your Head - Bruce MacKenzie 1988

Most impotence cases have some organic cause, yet many sufferers (and their doctors) assume the problem is psychological. The MacKenzies (founders of Impotence Anonymous and I Anon), through examples of their own and members' experiences, discuss myths, finding the "right" doctor, and evaluation and treatments for both organic and psychogenic causes. This work is more accessible than Marvin Brooks's "Lifelong Sexual Vigor" (LJ 10/15/81) because it's presented from the sufferers' own view. Though the writing is repetitive, the medical information is accurate and up to date. A useful addition to consumer health collections. Robert Aken, Coll. of William & Mary Lib., Williamsburg, VA -Library Journal.

Men's Sexual Health - Barry W. McCarthy 2017-10-03

Men's Sexual Health is a breakthrough book about vital and satisfying male sexuality. It presents a new model of male and couple sexuality, which establishes positive, realistic expectations of pleasure and satisfaction, as opposed to the self-defeating traditional demand for perfect intercourse performance. Men and couples who adopt this approach will enjoy sexuality throughout the lifespan. The authors introduce the new "smart thinking," focused on an integration of mind and body, which confronts the myths and misunderstandings which limit male sexual growth. The book will help men and women understand how to

pursue sexual and relational health, overcome sexual problems, with the goal of greater acceptance and satisfaction. The book advocates for positive, realistic Good-Enough Sex which will significantly enhance

male and couple sexual satisfaction.
