[Trust Life - Louise Hay 2018-10-02](#)

365 affirmations and reflections drawn from the inspirational work of Louise Hay. Queen of the New Age . . . A founder of the self-help movement . . . The closest thing to a living saint . . . Louise Hay was called all this and more, and her work inspired millions worldwide, but she never set herself up as a guru with all the answers. She urged every attendee at her workshops and conferences, every reader of her dozens of books, to remember that it is you who has the power to heal your life. She was just here to guide you on the path of remembering the truth of

who you are: powerful, loving, and lovable. In honor of Louise's life, you now hold in your hands this compilation of her most inspiring teachings from her greatest works. Our hope is that the 366 entries within this book allow you to carry the wisdom of Louise with you each and every day, and inspire you to trust the process of Life. As Louise said: "Very simply, I believe that what we give out, we get back; we all contribute to, and are responsible for, the events that take place in our lives--both the good and the so-called bad. We create our experiences based on the words we say and the thoughts we think. When we create peace and

harmony in our minds and think positive thoughts, we will attract positive experiences and like-minded people to us. In essence, what I'm saying is that what we believe about ourselves and about Life becomes true for us."

Mirror Work - Louise Hay 2016-03-22

AN ESSENTIAL SELF-CARE GUIDEBOOK FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF YOU CAN HEAL YOUR LIFE

LOUISE HAY'S 21 DAY SIGNATURE DAILY PRACTICE FOR LEARNING HOW TO LOVE YOURSELF BASED ON HER MOST POPULAR VIDEO COURSE, LOVING YOURSELF Mirror work has long been Louise Hay's favorite method for cultivating a deeper relationship with yourself, and leading a more peaceful and meaningful life. Mirror work—looking at oneself in a mirror and repeating positive affirmations—was Louise's powerful method for learning to love oneself and experience the world as a safe and loving place. Each of the 21 days is organized around a theme, such as monitoring self-talk, overcoming fear, releasing anger, healing relationships, forgiving self and others, receiving prosperity, and living stress-free. The daily program involves an exercise in front of the mirror, positive affirmations, journaling, an inspiring Heart Thought to ponder, and a guided meditation. Packed with practical guidance and support, presented in Louise's warmly personal words, MIRROR WORK—or Mirror Play, as she likes to call it—is designed to help you: • Learn a deeper level of self-care • Gain confidence in their own inner guidance system • Develop awareness of their soul gifts • Overcome resistance to change • Boost self-esteem • Cultivate love and compassion in their relationships with self and others In just three weeks, you will establish the practice of Mirror Work as a tool for personal growth and self-care, and a path to a full, rich life. CHAPTERS INCLUDE: • Loving Yourself • Making Your Mirror Your Friend • Monitoring Your Self-Talk • Letting Go of Your Past • Building Your Self-Esteem • Releasing Your Inner Critic • Loving Your Inner Child • Loving Your Body, Healing Your Pain • Feeling Good, Releasing Your Anger • Overcoming Your Fear • Starting Your Day with Love • Forgiving Yourself and Those Who Have Hurt You • Healing Your Relationships • Living Stress Free • Receiving Your Prosperity "Mirror work—looking deeply into your eyes and repeating affirmations—is the most effective method I've found for learning to love yourself and see the world as a safe and loving place. I have been teaching people how to do mirror work for as long as I have been teaching affirmations. The most powerful affirmations are those you say out loud when you are in front of your mirror. The mirror reflects back to you the feelings you have about yourself. The more you use mirrors for

complimenting yourself, approving of yourself, and supporting yourself during difficult times, the deeper and more enjoyable your relationship with yourself will become.” Love, Louise Hay

All is Well - Louise Hay 2014-05-06

"Whenever there is a problem, repeat over and over: All is well.

Everything is working out for my highest good. Out of this situation only good will come. I am safe." In this healing tour de force, best-selling authors Louise L. Hay and Dr. Mona Lisa Schulz have teamed up for an exciting reexamination of the quintessential teachings from *Heal Your Body*. *All Is Well* brings together Louise's proven affirmation system with Mona Lisa's knowledge of both medical science and the body's intuition to create an easy-to-follow guide for health and well-being. And, for the first time ever, they present scientific evidence showing the undeniable link between the mind and body that makes these healing methods work. Bringing focus and clarity to the effects of emotions on the body, *All Is Well* separates the body into seven distinct groups of organs—or emotional centers—that are connected by their relationship to certain emotions. Structured around these emotional centers, the authors outline common imbalances and probable mental causes for physical illness. They also include case studies that show a complete program for healing that draws from all disciplines, including both traditional and alternative medicine, affirmations, nutritional changes, and so much more. Using the self-assessment quiz, the holistic health advice, and an expanded version of Louise's original affirmation chart, you can learn how to heal your mind and body with affirmations and intuition and live a balanced, healthy life.
