## **The Great British Sewing Bee 3: Fashion with Fabric** - Claire-Louise Hardie 2015

For burgeoning dressmakers the vast array of fabrics is what both entices the would-be sewer to dress handmade, but it is also what intimidates the first-time sewist when stepping into the haberdashery. Reflecting the episode themes of the third series of The Great British Sewing Bee, each chapter focuses on a type of fabric and demystifies its properties, suitability and uses as well as providing all the instructions and pattern pieces needed to make a collection of universally appealing garments from that fabric type. Many of the 30 garments in the book

appear on screen, either as technical challenges faced by the contestants and designed by Claire-Louise Hardie or as projects devised and made by the contestants. The chapter on Cottons explains the properties of this common fabric and gives a variety of designs including a sleeveless shell top, capri trousers, summer dress and beach shorts. This is followed by chapters on wool and natural fibres, knits and stretch fabrics and then luxury fabrics, including lace and sheers. With womenswear sizes ranging from 8 - 20 and menswear sizes ranging from S - XL, as well as the core garment instructions, this book includes all the information you need to get

started with your sewing machine and understand both your equipment and the pattern pieces. Claire-Louise's ultimate guide to fitting your own clothes and expert sewing tips from judges May Martin and Patrick Grant will ensure a perfect fit and stunning results.

enjoyment of wearing the finished garment! Sewing is good for the soul and this collection of relaxed garments, accessories and loungewear sewing patterns is designed to soothe the soul and lift the spirits. But this book isn't just about the clothes, it's about the power of sewing to help you relax and unwind: there are smaller projects for hand sewing, the ultimate mindful craft, and quick dressmaking patterns for times when you want a sewing 'fix' but are a bit pushed for time. As well as the sewing projects there is also a smattering of delicious recipes to feed more than just the soul! Sewing and baking have always been natural bed fellows and this collection features garments, cakes and drinks to celebrate every season whether it's 'Mullered Wine' in the winter or a delicious Lemon Drizzle Cake for the summer. There are full-size, graded patterns (up to a UK size 26/US size 22) for 10 easy-to-wear garments including pyjama pants, a linen T shirt, a summer dress and palazzo pants. This means that you can find your perfect size

and get sewing straight away without having to print out the patterns. The designs are for relaxed-fit clothes and 'loungewear', which are suitable for both work and home and all the garment instructions have written step-by-steps and diagrams making them suitable for all abilities. Unlike other sewing collections Sewing for the Soul takes you on a journey throughout the year with sewing patterns, projects, recipes and drinks to take you from season to season. Each season has a slow sewing project for when you have more time, a quick sewing project so that even the time-poor can get a therapeutic sewing 'fix' and either a hand sewing project, such as embroidering a decorative detail onto one of the garments, or a reinvention project. This means that, by the end of the year, you will have a whole new wardrobe to be proud of and will have spent many relaxing hours mindfully making.
