Love at Fourteen - Fuka Mizutani 2018-11-13  
Kazuki and Kanata may be considered Class 2-B's mature students, but they're not the only ones getting tangled up in emotions and new relationships. Aoi quietly pines for Kanata, but her curiosity is piqued by the mystery surrounding the school nurse. The woman from the bus continues to fascinate Shota, and even class clown Kato surprises everyone when he manages to catch an unknown girl's attention...

*Love at Fourteen* - Fuka Mizutani 2014  
"Middle schoolers Kanata Tanaka and Kazuki Yoshikawa are mature beyond their years, perfect model students admired from afar by classmates and teachers alike. But when school's out, these two childhood friends can let loose as average fourteen-year-

olds, fresh in the throes of puberty, adolescence ... and the persistent, bittersweet pangs of first love."--Page 4 of cover.

**Love at Fourteen, Vol. 9** - Fuka Mizutani 2019-09-24  
Kanata and Kazuki may have everyone fooled with their convincingly mature act, but there's no denying that they are still in middle school. Between the season's first snow and a rogue fire alarm, many things can happen to perilous young love. When challenging situations get the best of them and emotions get messy, will it be possible to continue navigating the turning points of their lives together?  
Love at Fourteen - Fuka Mizutani 2018-04-10  
Whether it's pondering blood types or investigating the seven wonders of the school for the class newspaper, Kanata and Kazuki manage to enjoy

every day they spend with each other. But with decisions about their futures on the horizon, their mutual affection might not be enough to keep them together...

*Love at Fourteen, Vol. 12* -

Fuka Mizutani 2022-12-13

It's Kazuki and Kanata's first ever Valentine's Day as a couple, though it's hard to celebrate with the shadow of Kazuki's departure looming over the festivities. To make matters worse, Kazuki suddenly suggests they take a break from their relationship! With the school year finally drawing to an end, the students of Class 2- b look toward what the future holds as the curtains close on their lives and love at fourteen.

*The Good Book* - A C Grayling  
2011-04-04

Designed to be read as narrative and also to be dipped into for inspiration, encouragement and consolation, *The Good Book* offers a thoughtful, non-religious alternative to the many people who do not follow one of the world's great religions. Instead, going back to traditions older than Christianity, and far richer and more various, including the non-theistic philosophical and literary schools of the great civilisations of both West and East, from the Greek philosophy of classical antiquity and its contemporaneous Confucian, Mencian and Mohist schools in China, down through classical Rome, the flourishing of Indian and Arab worlds, the European Renaissance and Enlightenment, the worldwide scientific discoveries of the 19th and 20th centuries to the

**Love, Aubrey** - Suzanne

LaFleur 2009-06-25

Something terrible has happened. Eleven-year-old Aubrey is on her own. 'It was fun at first, playing house. Nothing to think about but T.V and cheese. A perfect world.' She's determined to hide away and take care of herself, because facing the truth is too much to bear. 'I couldn't let anyone know that I was alone. I was staying right here.' But with the love of her grandmother and the letters she writes, can Aubrey begin to see that even though she's lost everything - all is not lost?

Love at Fourteen - Fuka

Mizutani 2015-03-24

Amid the hormones and the angst of middle school

adolescence, Kazuki and Kanata go from being boy and girl friends to boyfriend and girlfriend. But with love comes intense emotions and, with their model student reputations on the line, they must learn to suppress these earnest feelings or run the risk of getting caught red hand-in-handed!

**Love in a Fallen City** - Eileen

Chang 2007-12-06

Eileen Chang is one of the great writers of twentieth-century China, where she enjoys a passionate following both on the mainland and in Taiwan. At the heart of Chang's achievement is her short fiction—tales of love, longing, and the shifting and endlessly treacherous shoals of family life. Written when she was still in her twenties, these extraordinary stories combine an unsettled, probing, utterly contemporary sensibility, keenly alert to sexual politics and psychological ambiguity, with an intense lyricism that echoes the classics of Chinese literature. Love in a Fallen City, the first collection in English of this dazzling body of

*It's Not Like It's a Secret* - Misa

Sugiura 2017-05-09

Winner of the Asian/Pacific American Award for Young Adult Literature \* 2018 YALSA Best Fiction for Young Adults \* 2018 Rainbow Book List \* A Kirkus Reviews Best Book of 2017 "Well-paced, brimming with drama, and utterly vital."—Kirkus (starred review) This charming and bittersweet coming-of-age story featuring two girls of color falling in love is part *To All the Boys I've Loved Before* and part *Simon*

vs. the *Homo Sapiens Agenda*. Sixteen-year-old Sana Kiyohara has too many secrets. Some are small, like how it bothers her when her friends don't invite her to parties. Some are big, like the fact that her father may be having an affair. And then there's the one that she can barely even admit to herself—the one about how she might have a crush on her best friend. When Sana and her family move to California, she begins to wonder if it's finally time for some honesty, especially after she meets Jamie Ramirez. Jamie is beautiful and smart and unlike anyone Sana's ever known. There are just a few problems: Sana's new friends don't trust Jamie's crowd; Jamie's friends clearly don't want her around anyway; and a sweet guy named Caleb seems to have more-than-friendly feelings for her. Meanwhile, her dad's affair is becoming too obvious to ignore. Sana always figured that the hardest thing would be to tell people that she wants to date a girl, but as she quickly learns, telling the truth is

easy...what comes after it, though, is a whole lot more complicated.

*Love Comes Softly (Love Comes Softly Book #1)* -  
Janette Oke 2003-04-01

Love Comes Softly introduced the characters of Marty and Clark Davis, whose tragic circumstances brought them to a "marriage of convenience" on the frontier prairies during the mid 1800s. The story of how Clark's patient, caring love mirrored that of the heavenly Father, drawing Marty to faith and to love, has captured the hearts and imaginations of over one million readers on Book One alone!

**Reading Like a Writer** -  
Francine Prose 2012-04-01  
DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, Reading Like a Writer will inspire readers to return to literature

with a fresh eye and an eager heart - to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques.

Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

**Love at Fourteen, Vol. 6** -

Fuka Mizutani 2017-03-21

As Class 2-B makes landfall in Kyoto, everyone's talking about who's going to confess to whom. This prompts Kanata to realize that despite their developing romance, Kazuki's never actually told her how he feels about her. There's love in the air, but for Kanata and Kazuki, will this momentous confession--if it ever comes--just be too little, too late?

Love at Fourteen - Fuka

Mizutani 2016-02-23

On the heels of the sports festival comes the biggest middle school event yet--the class trip! But before Kazuki and Kanata can worry about keeping up appearances in Kyoto, they'll have to pass their

exams. When Kazuki's math skills don't measure up to his-- or Kanata's--model-student standards, though, the only person he can ask for help is...Shiki-san?!

between her work and her family. Abandoned by the "perfect" man, Malika struggles for recognition from her parents. Her sister Jorinde, an actor, is pregnant for a third time, but how can she provide for her family alone? Love in Five Acts explores what is left to five women when they have fulfilled their roles as wives, mothers, friends, lovers, sisters and daughters. As teenagers they experienced the fall of the Berlin Wall, but freedom brings with it another form of pressure: the pressure of choice. Punchy and entirely of the moment, Love in Five Acts

engages head-on with what it is to be a woman in the twenty-first century. Translated from the German by Jamie Bulloch  
**Love at Fourteen** - Fuka Mizutani 2015-09-22

But when Kazuki is picked as an executive member of the festival committee, Kanata can't help feeling a little left behind.
