This book is a Romance novel about four girlfriends and their relationships. On these pages you will experience the Love, Laughter, hurt and betrayal and a unique way that they go about living life. These women are so close to my heart that I wish that they were real. They experience real life ups and downs and they help each other get through them. The closeness of their friendships is something I can relate too. I grew up with a half dozen close relationships with my cousins and girlfriends. So get ready for a treat. Pour yourself a cup of coffee, tea or a cold glass of lemonade and sit down and get comfortable as you prepare to go on a journey with them. Hey you just might discover that its yours.
