With Love, from Me ... to Me - Joseph Galliano 2010

"This disc jockey business is great fun but you'll never make a career out of being on the radio." - Ian Dempsey "Weren't you lucky to be led towards the notion that life is constantly unfinished?" - Colum McCann "Life itself is a journey. You can draw your own maps." - Brian Keenan "Stay true to your genius and always wash your giblets" - Dustin the Turkey If you could write a letter to your 16-year-old self, from the perspective of who you are now, what would you say? This was the challenge put to a number of Ireland's best-known people, including writers, musicians, broadcasters, politicians, sports stars, actors,

comedians, businesspeople, models, and one superstar turkey. Their letters are by turns poignant, hilarious, confessional, confrontational and surprising. They are never less than thought-provoking. With Love, From Me...To Me gathers these words of advice, reassurance, admonition, praise and comfort. The letters range from funny to encouraging, hopeful to regretful, but always heartfelt. Contributors include Miriam O'Callaghan, Joe O'Connor, Roisin Ingle, Ray D'Arcy, Sonia O'Sullivan, Maeve Binchy, Charlie Bird, John Boyne, Cathy Kelly, Jason Sherlock, Richard Corrigan, Nell McCafferty, Paddy Moloney, David Norris, Ross O'Carroll Kelly, Ardal O'Hanlon, Patricia Scanlan and Victoria Smurfit. With Love, From Me . . . To Me: A Letter To My Sixteen-Year-Old Self is the ideal gift this Christmas for family, friends - or yourself! The Year of Our Love - Caterina Bonvicini 2021-06-22

For fans of Sally Rooney's Normal People An extraordinary story of friendship and love across class lines, this rich, evocative novel traces the history of modern Italy, from 1975 to 2013, through the fate of one couple. Valerio and Olivia grow up together in the Morganti family's opulent villa in Bologna, inseparable friends even though they come from vastly different worlds: Olivia, the Morgantis' daughter, is the heir to a large industrial fortune, while Valerio is the son of their gardener and maid. Largely sheltered from the dangers rampant in the unstable Italy of the 1970s, the two share their first innocent kiss at five years old, which heralds the start of a decades-long relationship. From Valerio having to move to a poor neighborhood in Rome and Olivia making her entrance in high society, life tries to separate them at every turn, but without success, so strong is the bond between them. Year after year they meet only for a few moments, which feel like they're eternal, and

their friendship turns into something more intense, and scary. They take different paths: Olivia travels the world looking for herself, while Valerio devotes himself to a prestigious career that doesn't satisfy him, in a country that is quickly losing its identity in the political crises of the Berlusconi era. Still, they keep meeting again and again at crossroads in life.

As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Falling in Love with Where You Are - Jeff Foster 2013-11-24

As we open up to life and love and each other, as we awaken from our dream of separation, we encounter not just the bliss of existence, but its pain, too; not only life's ecstasy, but also its agony. Healing doesn't always feel good or comfortable or even "spiritual," for we are inevitably forced to confront our shadows, fears, and deepest longings--those secret parts of ourselves that we have denied, repressed, or deemed "negative" and unworthy of our love. How can we find the calm in the midst of the storm? How can we rest, even as the ground falls? Falling in Love with Where You Are invites you to discover a deep YES to your life, no matter what you are going through; to see crisis as an opportunity to heal, pain as an intelligent messenger, and your imperfections as perfectly placed. Through his prose and poetry, Jeff Foster will guide, provoke, encourage, and inspire you on your lonely, joyful, and sometimes exhausting pathless journey to the Home you never, ever left: the present moment. "Even in your glorious imperfection," Jeff reminds us, "you were always a perfect expression of life, a beloved child of the universe, a complete work of art, unique in all the world..."

The Spanish Love Deception - Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See?

Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Love All Year - Hallie Alexander 2020-09-22

Because holiday romance happens all year long . . . Three Stars in the Sky by Stacey Agdern: Singer Zack Weisler needs a song. Songwriter Lisa Kaminsky wants a chance. They have three days in upstate New York to make Sukkot magic. . . and maybe memories that will override the past. It Happened One Yule by Celestine Martin: Reluctant to face yet another Yule party alone, a bubbly witch Matilda casts an attraction spell to catch herself a temporary date but instead catches her best friend grumpy, smoldering Duncan. High spirits and hijinks take place over the longest night of the year as two long time friends fall for each other. Queen Esther, Unmasked by Hallie Alexander: In all her life, Freida Soronsohn

had only made one grand mistake--she jilted her ex before the Purim spiel, leaving her vulnerable to the acid-tongued yentas and their unsolicited opinions. Felix 'Six Points' Ginzburg hasn't stopped making mistakes since his come up on the rough streets of Manhattan, and the celebrated prizefighter is ready for change. But when these two strangers meet on the stage, neither is prepared for the no holds barred attraction that instantly hooks them. Legacy of Love by Savannah J. Frierson: Gabriel must convince his best friend Gloria she's essential to his family's legacy, and not just because she's organized his grandmother's Juneteenth celebration and carries his child. Making up with Eid Bae by Farah Heron: Nafissa is in town to drum up business for her new indie makeup line, not go to an Eid fair that would remind her of the one ten years ago with the sweet boy who broke her teenage heart. Nope. But she can't give up the networking opportunity--there's little she wouldn't sacrifice for her dream. Seeing him again brings it all back--no one has made her feel like Khizar does. Can she risk her heart now when her business needs to be her focus? Or could it be that making up with Khizar isn't sacrificing anything at all? A Bridge of Magpies by Ekaterine Xia: Verity usually enjoys what ifs... from the safety of structure and routine, her relationship with Yùlán both safe harbor and base camp for adventure. But what if Yùlán isn't content with their story as-is? What if their happiness together was a little more like their reimaginings of old stories than anticipated? The Sweet Spot by Felicia Grossman: Rabbi Alana Berg is not excited for the High Holidays. Her contract is up for renewal, and the board is clear: impress the congregation with her Rosh Hashanah sermon or she'll be replaced. Worse, golden-boy Cantor Jeremy Hirsch already has his contract signed and sealed. When an after-hours run-in leads to a kiss, the two decide that some sweet exploration of their mutual attraction is in order. As the New Year draws near, the two must decide if there is a personal and professional future for them both.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the

Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

at the arrivals gate, I knew I was never going to let her go. The following is a collection of poems I wrote to my angel, from our first meeting up until our wedding day. I was working crazy hours as a chef and I had a long commute. I chose my commuting time to pen her a poem each day. These poems speak of our life, our challenges and our growth together...in every aspect they speak of our love. May this book give someone the courage to let their special someone know how much they care for them and how much they mean to them. Saying I love you is a gift you can give many times a day.
