**Lavender & Cinnamon Box Set: Books 1 -3** Monica La Porta 2020-07-10 The pastry chef witch & the billionaire dragon-shifter: Not your mother's meet-cute... Book 1 The pastry chef witch & the billionaire dragon-shifter: Not your mother's meet-cute... So... it doesn't happen every day that you see a dragon shifter's junk, up close and personal. Well, you'd think it's this witch's lucky day, but

nope. Not even close. In fact, this day has been disastrous so far. But let me rewind the story for you. Hi, my name's Aubrey, and I own Lavender & Cinnamon, the award-winning pastry shop conveniently located in one of the coziest neighborhoods in Seattle. My life's filled with cupcake and hexes, and I like it exactly the way it is. Yesterday, I received ominous news from Mr. Stuart, my landlord—you guessed correctly, he's the owner of the junk mentioned before. Anyway, he wants to evict my shop to build a high-rise on top of it. The last thing I need is a domineering billionaire who thinks he can do whatever he wants because he's rich. Sure, the man is unbearably handsome, generously endowed (I took a good look at it) and makes me weak in the knees... but rest assured I won't give up my shop without a fight. Book 2 Hi! It's me, Aubrey, again! Lavender & Cinnamon remains open! Yeah for me! Unfortunately, that's the least of my worries. It turns out Andrew (you remember Mr. Stuart and his enormous... attitude) and I were hexed and chained together by an invisible rope. It could be worse, you might think, being him a hunk and all. I'd agree with you if it weren't for the small detail of the striking blonde who just entered the scene. She's Andrew's fiancée. What? Did you see that coming? I sure didn't... Andrew better have a very good explanation for forgetting to mention he was engaged while he was enthusiastically groping me, or the chain hex will be the least of his problems. Book 3 Where were we? Right... I'm Aubrey, the witch and pastry chef from Seattle who got hexed alongside a handsome dragon-shifter. In the meantime, I might've fallen for the hunk (okay, I'll admit I'm head over heels in love with him), and he seems to be quite smitten with me as well—which, given my sparkling personality, shouldn't come as a surprise. The only problem is that both my dad and Andrew's ex-father-in-law are vehemently opposed to our idea of happily ever after and are fighting us with fangs and spells. Plus, it would seem that our story started a few centuries ago... But love always conquers all, right?

Ellie Parker is a master at building walls around her heart. In the twenty-five years she's been alive, Dex Remington has been the only person who has always believed in her and been there for her. But four years earlier, she came to Dex seeking comfort and then disappeared like a thief in the night, leaving him a broken man. Dex Remington is one of the top PC game developers in the United States. He's handsome, smart, and numb. So damn numb that he's not sure he'll ever find a reason to feel again. A chance encounter sparks intense desires in Ellie and Dex. Desires that make her

Is it possible to cross a burned bridge, or are they destined to be apart forever? \*\*\* In STROKE OF LOVE Kate Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair their marred reputations. She loves the country, the people, and what AIA stands for, but too many diva volunteers have turned her off to press-seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets ultra-organized Kate, who lives her life the way he's always dreamed of living his, the attraction is too hot to ignore, but Sage is there to figure out what's missing in his life, not to find a woman. Every look, and every late-night chat in the romantic jungle brings them closer together, but Sage can barely think past stripping away Kate's misconceptions about him. Kate fights him every step of the way--even though she finds it hard to ignore the strikingly handsome, generous-to-a-fault artist who wants to do nothing more than right the wrongs of the world--and love her to the ends of the earth. \*\*\* IN FLAMES OF LOVE... As one of New York's Finest, firefighter Cash Ryder is always prepared. When a woman's car skids off the side of a mountain during a snowstorm, he's there to rescue her. **The Rourkes Boxed Set Books 1-3 (Royal Romantic Comedy)** Kylie Gilmore 2020-02-10 Dive into sexy, royal romantic comedy with the Rourkes! USA Today Bestselling Series! The Rourkes Boxed Set includes three full-length novels: Royal Catch, Royal Hottie, and Royal Darling. Book 1: Royal Catch Gabriel I'm the crown prince of Villroy, heir to a kingdom, bound by duty to marry and produce an heir. I expected a quiet arrangement through royal channels, instead I got a palace full of women vying for my hand. And how do they "win" this barbaric game set up by my crafty mother? By figuring out how to save the kingdom's faltering economy through a series of challenges. This undignified circus is beneath a man of my stature! Proof being that a saucy, ill-mannered woman wearing body-hugging clothes is in the lead. I could never love someone like that, let alone marry her. Anna The plan sounded simple. I pose as my friend, pick up her inheritance, and return with the cash to keep her out of jail. (Apparently, being a princess in hiding is no excuse for identity theft.) So, yeah, I'm not exactly royal. I'm an orphan, a self-made woman, and proud of it. Suddenly I'm in a battle royale with a bunch of crazy competitive women for "riches beyond our dreams." I'm in a time crunch, which means I need to win this competition fast. Only, that means winning over the judge; the smoldering hot grim-faced Gabriel. And now I find myself wanting to compete for more than just

Book 2: Royal Hottie Phillip I never expected to be the prime target of a bachelor auction, compliments of my outrageous sister-in-law, the new queen. I don't care if the internet has turned me into a royal hottie meme, I am not a piece of meat. So when the first eager single woman arrives at the palace, I send her packing. Only the damn woman refuses to leave. Ruby Why would I want to buy a date with an arrogant rude prince? I'm here to do a job, which I desperately need, and no delusional prince is going to stand in my way. Obviously, the "royal hottie" believes the hype. So how did I end up winning the top prize in a royal bachelor auction, and what will I do with him? I can't let myself fall for a playboy. Besides, we're heading in opposite directions. He's going on an international tour for a year or more, and I absolutely have to get back to the US. Only this prince is used to getting what he wants, and now he wants me. Book 3: Royal Darling Jackson Being a rock god isn't all it's cracked up to be. It's become a soulless grind. Which is why I'm now on my mate's houseboat, far away from the spotlight, hoping to find my way back to the music. Yeah. Not gonna happen. I've just discovered a stowaway on board, and I can't believe who she is. A bloody princess? And the prim little woman won't leave the boat, so I make an offer to scare her off—a no-strings fling. Only she says yes. I say no, and she promptly locks herself in my bedroom. I swear I'm dropping her off at the next port. She's trouble wrapped in a pretty virginal package, and I know I shouldn't touch. Emma I'm a runaway bride trying to make a clean escape. But when Jackson Walker discovers me hiding on his boat—after I get over the shock of stumbling upon a rock star's hideaway—I immediately know he's exactly what I need. He's wild, rough around the edges, perfect. My family would never approve. The press would skewer us. I still want him. He's the antidote to my tightly prescribed life. But can he ever see past my title to the woman I long to be? The series continues with Royal Charmer, where Lucas meets his

He's having a hard time writing songs. It's Midwinter, full of depressing holiday cheer. He's in love with Justin, his new manager, who has a talent for rescuing almost- or once-famous bands. And Justin's hiding secrets: about literal demons, his past, and his own feelings for Kris ... Lightning in a Bottle: Despite his skill with a guitar, Adam's never had much stage presence -- he leaves that to Lee, his band's lead singer, who makes his lyrics rock. The problem is, Adam's lyrics are secret love letters for Lee, though he's never had the courage to say so. But when a legendary rock star and scandalous sex demon turn up at their show, Adam might finally figure out how to get everything he wants. Sunlight and Gold: Can a rock star marry a demon? That question's on Justin's mind. He's moved in with Kris; they're wildly happy. He is half human, though -- and he likes the idea of the human ritual. But Kris Starr, rock legend, never has. So Justin can't ask. Kris isn't convinced he's great at domesticity. But if he agrees, he'll give up his human half ... along with his life with Kris. *Snowed In: Kit & Harry*: Someone or something is causing magical blizzards at Fairleigh Hall. Concept Poems 1 David Hamilton 2016-06-28 This is a concept book with 110 Concept Poems within. The first three sections reflect the confusion and conflicts in rejection between desire and despair, wishful thinking and reality. The variety itself is interesting and the book is divided into sections. The first three related concepts are poetry that grew out of a broken relationships, the separation of soul-mates and the sadness that the two who should have been together endured because of the separation. A concept poem, is a series of poems connected by subject or a central character, arranged or occurring in temporal, spatial or other order of succession and can be read as a series. They also have similar recurring images and cross-references, but within those linking similarities there is inner variety to make it fresh and interesting. The poems occur on a visit to Mount Parnassus to see the Pythian. She presides, introduces the sections and frames the book with a prologue and an epilogue. There are some topical miscellaneous poems in the final section like on beauty from Westminster Bridge and the environment as in the plastic rubbish patches that are floating round the Pacific which are independent of each other. There is a mirror effect: experiences everyone shares where readers can find themselves.
