Men, Women and Relationships - John Gray 2002-11-12

Men and women are different -- there's no denying it. So why do we constantly expect the same actions and feelings from them? This enormously helpful book not only enables you to recognize the differences between you and your loved one but also leads you toward an acceptance of those differences, thereby paving the way for a stronger relationship. With his characteristic wit and wisdom, relationship expert John Gray explains the different ways men and women communicate, cope with stress, resolve conflicts, and experience and give love. Once you understand these differences, you'll be better equipped to handle inevitable bumps in the road, and be on your way to a long-lasting and truly loving relationship.

Beyond Mars and Venus - John Gray 2017-01-24

The author of the most well-known and trusted relationship book of all time returns with an updated guide for today's generation. Two decades ago, Men Are from Mars, Women Are from Venus revolutionized the way we thought about love and partnership. John Gray's work has helped countless readers improve and even save their relationships. But as society evolves, relationships do, too. It's time to move beyond Mars and Venus, toward a new relationship model for modern couples. Today, men and women are no longer trapped by rigid societal roles. Now more than ever, we have the freedom to be our authentic selves. Women can access their masculine side, and men can embrace their feminine side. This new freedom is a good thing, but it also brings new challenges. Men and women still need the right tools and skills to help build stronger relationships. While previous generations sought "role mate" relationships, based on the more rigid gender roles of the time, today's couples need a new kind of relationship: a "soul mate" relationship. These more emotionally satisfying relationships require a deeper understanding of our partners' individual needs. In Beyond Mars and Venus, Gray teaches you how to strengthen your bond and grow in love together, so you and your loved one can meet each other's needs in the best way possible, bringing you lasting happiness and a fulfilling partnership.

Mars And Venus In Love - Gray 2012-03-31

John Gray has become a publishing phenomenon. His first book, MEN ARE FROM MARS, WOMEN ARE FROM VENUS is still a No 1 New York Times bestseller after 3 years, and is in the UK Top 100 too. He is renowned as THE international relationships guru. John Gray has brought a powerful message to millions of people across the world. He explains how better communication and the recognition of men and women's different emotional needs leads to greater intimacy. In MARS AND VENUS IN LOVE, all those who embraced his ideas will see them in action in first-person stories told by people who, using his advice and counsel, have created fulfilling, healthy and loving relationships. After the incredible response to his work, Dr Gray thought the success of some couples might inspire others like them. Readers will find hope, encouragement and humour in this collection of experiences, which everyone who has ever had difficulty communicating with the opposite sex will find something to identify with.

Gods and Goddesses in Love - Agapi Stassinopoulos 2007-11-01

In ancient times, the Greeks created the gods and goddesses to represent the various personalities of human nature. In Gods and Goddesses in Love, Agapi Stassinopoulos tells the stories of the primary goddesses and gods, and how their myths can provide insight into your own romantic relationships. Included are two fun and fascinating quizzes: one for women to determine their own dominant personality

type and which goddess she most embodies; and a second that will help every woman understand more about the "god" she is involved with, or searching for. In the book, the seven archetypal goddesses are portrayed in modern terms, highlighting not only each goddess's unique strengths but also the pitfalls or stumbling blocks she is likely to encounter in a relationship with her partner. Also included are interviews with real couples who reveal how they overcame obstacles to find true love. For anyone who desires the self-knowledge and empowerment to find their ideal other, Gods and Goddesses in Love is an uplifting, instructive, and enlightening guide for achieving greater fulfillment in love.

Modern Love - David Shumway 2003-08-01

Latin America now contains some of the world's largest cities. The mass migration from country to city has placed an enormous strain on the region's already inadequate infrastructure and services of cities such as Bogotá and Caracas.

Why Mars and Venus Collide - John Gray 2009-03-17

The phenomenal #1 bestselling author who revolutionized our understanding of male-female relations returns to the territory he intimately knows to help couples get past stress and find the loving

relationship they want. Once upon a time, Venusians and Martians functioned in separate worlds. But today they each struggle in the same hectic, career-oriented environment. Exhausted by the time they get home, he's eager to tune out and relax, while she wants to share the events of her day. The result: anger and resentment as Venus and Mars collide. In this positive, practical guide, John Gray explains the different ways men and women are affected by stress, demonstrates how each approach their problems, and offers a clear, easy-to-understand program to bridge the gap and help them achieve a loving, nurturing relationship. The Palgrave International Handbook of Women and Outdoor Learning - Tonia Gray 2018-05-12

This Handbook serves as a starting point for critical analysis and discourse about the status of women in outdoor learning environments (OLEs). Women choose to participate actively in outdoors careers, many believing the profession is a level playing field and that it offers alternatives to traditional sporting activities. They enter outdoor learning primarily on the strength of their enthusiasm for leading and teaching in natural environments and assume the field is inclusive, rewarding excellence regardless of age, gender, socioeconomic status, disability, or ethnicity. However, both research and collective experiences in OLEs suggest that many women feel invisible, relegated, marginalized, and undervalued. In response to this marginalization, this Handbook celebrates the richness of knowledge and practices of women practitioners in OLEs. Women scholars and practitioners from numerous fields, such as experiential outdoor education, adventure education, adventure therapy, and gender studies, explore the implications of their research and practice using poignant examples within their own disciplines. These insights emerge from similar life experiences as women and outdoor leaders in the 1970s to the present. Social inequalities still abound in OLEs, and the Handbook ensures that the contributions of women are highlighted as well as the work that needs to be done to make these spaces inclusive. Global in perspective and capacious in content, this one-stop volume is an indispensable reference resource for a diverse range of academics, including students and researchers in the fields of education, psychology, sociology, gender studies, geography, and environment studies, as well as the many outdoors fields.
