The Ten Qualities of the World's Greatest Communicators - Tony Alessandra 2019-01-11

Almost every problem, every conflict, every mistake, and every misunderstanding has a communication problem at its most basic level. We live in a world filled with other people where we live together, work together, and play together. In our personal lives, we need each other for security, comfort, friendship, and love. And in our working environments, we need each other in order to achieve our goals and objectives. None of these goals can be achieved without communication, which makes it the basic thread that ties us together. The better we are at communicating, the more effective we are at achieving our hopes and dreams. Now communication expert Dr. Tony Alessandra, author of the best sellers Relationship Strategies and The Ten Qualities of Charismatic People, will teach you the Ten Qualities of The World's Greatest Communicators. Tony has observed

that the majority of the great leaders in the worlds of both politics and business are also great communicators. They have an ability to establish bonds with people that are based on respect and honest communication. Great communicators make others want to trust and believe in them, and they possess a set of skills that enable them be heard in a way that gets results. Learn the 10 qualities and, more importantly, ideas and strategies to develop the same dynamic communication skills of these great leaders. Here's just a sample of what you'll learn: How to use questions to build rapport and trust. How to give and receive feedback with grace. How to engage in conflict resolution effectively. How to develop the ability to make powerful and persuasive public presentations. How to adapt your communication style to build strong relationships with anyone. How to become a charismatic and persuasive communicator.

The Value-Added Employee - Edward Cripe
2007-08-22

A handy guide offering a practical plan for targeting skills any employee wants to develop and employers most desire. It's hard to tell if today's competitive job market is more unsettling for employees seeking job security or companies trying to retain loyal workers. The Value-Added Employee provides fresh insights on what makes employees valuable to the organization and how companies can keep productive employees on the job. Employees will understand how to increase their personal marketability by developing specific skills, knowledge, and attitudes. Managers and coaches will find the tools and resources to make employees more valuable to the organization. Even policymakers and human resource professionals can drive change and business improvement through the application of competency modeling processes. The Value-Added Employee is a step-by-step plan for

targeting the competencies an employee wants to develop and employers most desire. It discusses 31 core competencies, including interpersonal competencies, business competencies, and self-management competencies. Designed as a handbook, The Value-Added Employee is a toolkit of ideas and a workbook to be written in and referred to on a regular basis. Through its use, employees and their companies will discover a firm foundation for meeting future goals.

yet productive working atmosphere, the benefits to the entire organization are substantial. Here, Dr. Phillip L. Hunsaker and Tony Alessandra clearly provide practical and accessible strategies, guidelines, and techniques for managing the best team you could possible have.

The Mouth Trap - Gary Seigel 2009-02-03

Do you ever put your foot in your mouth? Some believe it's a genetic problem "bad wring" installed in the brain that forces people to open mouth and insert fool. Others believe it's a personality trait they can't change or control. If you have ever had this problem The Mouth Trap will show you how to deliver a message and achieve the Outcome you desire....Based on Dr. Gary Seigel's research and techniques taught to thousands nation-wide, this book offers easy-to-follow guidelines that will help you script your way to success, even in the most confrontational, hard-to-manage situations.

The Platinum Rule - Tony Alessandra 2008-12-14

In this entertaining and thought-provoking book,

Tony Alessandra and Michael O'Connor argue that the "Golden Rule" is not always the best way to approach people. Rather, they propose the Platinum Rule: "Do unto others as "they'd" like done unto them". In other words, find out what makes people tick and go from there.

Non-Manipulative Selling - Anthony J.

Alessandra 1992-04-09

Salespeople are among the most highly paid professionals in American society, and they are very important to the economy. Why, then, do so few people respect sales as a career? In Non-Manipulative Selling the authors attempt to address that question for a broad business audience. Non-Manipulative Selling offers the strategies and techniques for creating customers, not just sales.
