Teardrops of Reality Jeremy Monaro 2011-06-25 These poems are dedicated to love, family, friendship, philosophy. These poems are in its own original form. These poems are my life story in poetry form. The hardships of study, lost love, falling in love and sexuality. This book is an inspiration for people with a mental illness, that we can do things and make achievements. That we don't have to be afraid of the world. It's about coming out about our problems. This is also dedicated to the people who have asperger's syndrome like me it's a real illness.

Seduce My Soul Yumoyori Wilson 2018-10-26 The seduction in my blood leads me to find not one, but two mates. Will it help me discover where I stand between love and war? Being a private secretary to two NYC billionaires is a rewarding experience. Not only do I gain a position where I keep my independence, but I'm also given the chance to get closer to the two very opposite Smith brothers. However, with my new circumstances, juggling my new powers and discovering my identity in this new world of shifters is going to be a difficult task. A task that I, Anastasia of Last Resort, don't know if I want to take on. Pack fights, arranged marriages, and being in the middle of a power struggle between different sides of the shifter spectrum, I'm going to need all the help I can get to stay sane. It's time to turn the tables and have Liam, Brian, Alexander, and even my cat, Pix, assist me on this new mission. Now I'm the sole person every race wants because my very existence is what will lead whoever wins my soul to victory. As long as my cacti are allowed to come with, whatever side I choose will be my new home. If I can choose, that is... Will I be able to seduce my way out of this? Or will the seduction in my blood turn sour?

Poetry from the Seasons of My Life Cece Penne 2012-04 One of the most precious and priceless gifts in the world is the heart of a woman. A beautiful kaleidoscope of raw emotions, experiences, and memories, a woman's heart knows no boundaries or limitations regarding her cherished and sacred love. Whether old, young, rich, poor, black, or white...we have all craved love from another. We are ordinary women-but possess extraordinary love. At one period in time, we each have loved, whether or not love actually decided to pay us a visit, stay around for a while, or unselfishly love us back. It may not always reciprocate or manifest itself how we desire. Sometimes it may be followed by hurt, disappointment, loss or death, but we still keep on loving... When permitted to give wholly and freely, a woman's satiable heart is unadulterated and her love is both timeless and unconditional... Her love is naked and pure... resilient and determined...patient and forgiving... In the quest to find her destiny, every woman will inevitably experience powerful and unpredictable seasons on her journey called Life, as love etches indelible lines of poetry across her impressionable heart. I invite you to enter into my heart and share my poetry from the seasons of my life.
