In Girl Boner: The Good Girl's Guide to Sexual Empowerment, August McLaughlin offers an inclusive, unfiltered blend of personal narrative and practical tips on relationships, solo play, journaling, gender issues, and more. From the perks of "Jilling off" to the 7 types of 'gasms, Girl Boner will "empower you to own your sexual self and enjoy ... your whole life a great deal more."

**Kinky Sex Tips for Curious Girls** Natasha Strange 2019-09-07 Kinky Sex Tips For Curious Girls provides a fun, shame-free introduction to kink and BDSM, modeled after the activity books you loved as a kid. It mixes solid advice about kink and BDSM with puzzles, games, and coloring pages. Each chapter is based on the most commonly asked questions Natasha is asked when coaching women who are new to exploring kink and BDSM. In addition to the kinky activity and color pages, there is a template for a modern day slave contract (yes, including options for people with real life obligations like work and kids) as well as pair of negotiation forms similar to the one Natasha uses when taking in new clients. Whether you are just trying to spice things up a little - or dive in deep - this book will help you understand yourself and your partner - while providing hours of entertainment! Natasha Strange has been a professional dominatrix since 1995, specializing in creative sadistic escapism. Offering sessions in a wide variety of disciplines, she has cultivated a deep understanding of what draws people to kink. Miss Strange loves deep and longer term relationships with submissives above all, so she can truly invade their brain and bring their kinks to life. She believes that most people who indulge in kink and BDSM are searching to fulfill emotional needs. As a dominant she uses those emotional goals as a guide when addressing physical desires. She is well known for her love of sissification and emasculation, and loves to transform macho men into her sissified playthings. Few things bring her more joy than spanking, caning or whipping a pantied masculine ass. When not tormenting her adoring submissives, she is a BDSM coach and kink educator helping destigmatize non-standard sexual desires. As the co-owner of Sub Rosa, a fully equipped boutique fetish space located in Portland Oregon, she and her business partner, Mistress Viola Parker, strive to create an inviting space for others to learn and practice safe, sane, consensual kink and BDSM. You can read more about her at [www.KittenWithAWhip.com](http://www.KittenWithAWhip.com) and about her fetish space, Sub Rosa at [www.SubRosaPDX.com](http://www.SubRosaPDX.com).

**Sex: the 15 Best Sex Tips and Tricks That Will Greatly Impress Your Partner and Enhance Your Sex Life Forever** Mathew Smith 2017-07-11 Congratulations on your desire to impress your partner and enhance your sex life! There are few topics as taboo to discuss as sex. In fact, it is so taboo, that it isn't even listed when people talk about what topics should never be discussed in public (that's left to religion and politics). Our conservative society discourages honest and frank conversations about sex. Instead, individuals are left to watch pornographic movies and are lead to believe THAT is how everyone is doing it.

Alternatively, they try to stick to being good little boys and girls and stay focused on just having basic sex that inevitably leaves both partners unfulfilled and unsatisfied. Following that plan, though, individuals often go without knowing what it is that their partners want and/or need when it comes to sex. One of the number one reasons couples stop having regular sex is because the passion dies and it become boring and monotonous.

It's a chore instead of a pleasure. What if there was another way? What if it were possible to bring sex out of the closet and really appreciate it for the many benefits, both for mental and physical health, that great sex can provide? What if you could learn the tips and tricks that would impress your partner and revive the passion and excitement you once had? Individuals could then strive to improve their experiences and creating a scenario that would enhance their sex lives for the rest of their lives. In this book, you will first learn some of the basic tips and tricks to impress your partner and improve your sexual experience. This foundation is critical to getting all the rest just right. It is the little things that tend to be most impressive because it shows that you care enough to pay attention to every detail. In the second part of this guide, you will learn some tips and tricks that you can explore with your partner to enhance your sex life and add some new passion and excitement. Be open to exploring the different tips even if it is just about starting a conversation. You never know where it might lead. There are no limits on what you might discover about yourself and your partner when you aim to impress. Have fun with it and see where it takes you! Purchase this kindle book for only \$2.99

**Well, This Is Exhausting** Sophia Benoit 2021-07-13 "Like so many women, Benoit spent her formative years struggling to do the 'right' thing--to make others comfortable, to take minimal and calculated risks, to live up to society's expectations--only to realize that there was so little payoff to this tiresome balancing act. Now, in [this book], she shares her journey from aspiring good girl to proud feminist, and addresses the constantly shifting goalposts of what exactly it means to be 'good' in today's world. [Includes] topics as varied and laugh-out-loud funny as how to be the life of the party (even when you have crippling anxiety), navigating the disappointments of the dating world, and why no one should judge you for having an encyclopedic knowledge of reality TV stars"--

Anal Sex Tips For Guys And Girls Angelicka Wallows 2013-07-19 I have always been interested in trying new sorts of pleasures, and obviously anal sex is one of them. I admit that I started quite early and got the chance to do it with two great partners the first time, who made me enjoy it straight away. As I am getting a lot of questions about it on my blog, I decided to share my few years experience in the matter with you, as well as the testimonials I got from many readers. And thus Anal Sex Tips For Guys & Girls was born. It contains valuable tips to make anal sex a pleasurable experience. When done right, anal sex is extremely pleasurable, and a delicious way to spice up and diversify your sexual life. So why not give it a try? Warning: This 4000+ word sex guide contains explicit material and is exclusively intended for adults of both sex. Excerpt: A little bit of anatomy here guys! If you've got to stick your penis somewhere, you'd better understand how it is configured so that you know how to actually get it in. Unlike the vagina, the anus is not a straight path. t is more like an "S" shaped path. The entry of this path is guarded by two strong muscles: the internal and external anal sphincters. It is the contraction of these muscles that causes pain during anal penetration, and it is their relaxation that makes it a pleasurable act. The rule here is to keep them relaxed. You can achieve that by good preparation, generous lubrication, and by "pushing" gently, just like you do when you defecate (which is why I like to deep clean myself first, as it boosts my confidence in doing so). Pushing when you try to get a penis inside is can seem a bit contradictory (and that's probably why it is said to be against nature!), but doing so will tremendously facilitate the penetration. You can practice Kegel exercises, just like you do with your vagina, to master anal relaxation and become more aware of your backside. Download now to learn all about anal sex, how to do it right, how to enjoy it safely, how you can improve it and what you should and shouldn't do.
