**Shakers** - John Godber 1993

THE STORY: In a not-so-chic London bar called Shakers, we meet Carol, Adele, Nicky and Mel, four friends who have taken to waitressing in desperation but who also have wit and resilience enough to never let any of the colorful characters they come

*Radiant* - Judy Sapphire 2022-02-01

Blake Harrison's star is rising. Preparing for her new museum installation, she's trying to navigate her work, her newfound fame, and her reputation for volatility. She's also trying to abide by her "monastic before a show" rule, and has no idea what to do about the stunning lawyer who insults her and entrances her in equal measure. Jenny O'Toole is in a professional and romantic rut. Her career as a corporate lawyer is stifling, she's closeted at work, and her current relationship is with Netflix and wine. She's not looking for a new girlfriend, and if she was, she certainly wouldn't chase an irrational, pretentious conceptual artist like Blake Harrison. It's dislike at first sight—but when the artist and lawyer keep running into each other, the loathing turns to lust. As they weather Boston's frigid winter, Blake and Jenny navigate their deepening feelings, and hope that their budding relationship can weather everything coming between them.

**Crap Lyrics** - Johnny Sharp 2009-05-05

Music.

*Up Till Now* - William Shatner 2009-05-01

William Shatner gets the joke about William Shatner. In fact, most of the time he's the one telling it. His self-effacing attitude, so perfectly parodied in the bombastic character he now plays on Boston Legal, Denny Crane, is one of the reasons for his huge popularity. While best known for his creation of Captain James T. Kirk, commander of the starship Enterprise on Star Trek, William Shatner has been a working actor for more than half a century. He has experienced all the ups (the awards and acclaim) and the down (having to live for a time in the truck bed of his camper when he couldn't get work) that are a part of the actor's world. In *Up Till Now* he tells us about his remarkable life, from training as a Shakespearean actor under Sir Tyrone Guthrie to his time on Broadway, his movie career and, of course, his successful tv series. He has worked with an extraordinary range of actors, among them Spencer Tracy, Burt Lancaster, Marlene Dietrich, Judy Garland, Walter Matthau, Sandra Bullock, Ben Stiller and Robert DeNiro. He also writes, with glee, about some of his less successful ventures, including *Incubus*, the only feature ever made entirely in Esperanto. As funny, charming and self-deprecating as the man himself, this book will delight his many fans of all ages.

**Godber Plays: 1** - John Godber 2013-08-01

"John Godber is one of the unsung heroes of British theatre, reaching the giddy heights of number three in the most-performed playwrights league table, nestled in behind Shakespeare and Ayckbourn" - Guardian  
*Bouncers*, a play about nightlife: "A show that's worth braving any front

of house, however formidable ... simply spellbinding" Guardian  
*Happy Families*: "The inseparable contradictions of family love and oppression are carefully held in this fine comedy ... superb characterisation ... the rhythms of Godber's dialogue are freshly funny, the pace precise"  
*Independent Shakers*, a play about party-goers: "This is one of those slices of life that everyone can recognise and laugh at" Liverpool Daily Post

**Lyrics** - Rikky Rooksby 2006-10-01

(Book). *Lyrics* sheds light on all aspects of lyric writing for music and will make songwriters feel more confident and creative when they tackle lyrics. It's perfect for all songwriters: those who don't like their own lyrics and find them difficult to write, experienced writers looking for a creative edge, and those offering lyrics to set to music in a partnership. Topics include channeling personal experiences into lyrics, overcoming writer's block, the right lyrics for a bridge, the separation between lyrics and poetry, exploring imagery and metaphor, avoiding cliches, and more. The book also offers tips on the various styles of lyrics, from protests, spirituals, and confessionals to narratives and comic songs.

**Going All City** - Stefano Bloch 2019-11-14

"We could have been called a lot of things: brazen vandals, scared kids, threats to social order, self-obsessed egomaniacs, marginalized youth, outsider artists, trend setters, and thrill seekers. But, to me, we were just regular kids growing up hard in America and making the city our own. Being 'writers' gave us something to live for and 'going all city' gave us something to strive for; and for some of my friends it was something to die for." In the age of commissioned wall murals and trendy street art, it's easy to forget graffiti's complicated and often violent past in the United States. Though graffiti has become one of the most influential art forms of the twenty-first century, cities across the United States waged a war against it from the late 1970s to the early 2000s, complete with brutal police task forces. Who were the vilified taggers they targeted? Teenagers, usually, from low-income neighborhoods with little to their names except a few spray cans and a desperate need to be seen—to mark their presence on city walls and buildings even as their cities turned a blind eye to them. *Going All City* is the mesmerizing and painful story of these young graffiti writers, told by one of their own. Prolific LA writer Stefano Bloch came of age in the late 1990s amid constant violence, poverty, and vulnerability. He recounts vicious interactions with police; debating whether to take friends with gunshot wounds to the hospital; coping with his mother's heroin addiction; instability and homelessness; and his dread that his stepfather would get out of jail and tip his unstable life into full-blown chaos. But he also recalls moments of peace and exhilaration: marking a fresh tag; the thrill of running with his crew at night; exploring the secret landscape of LA; the dream and success of going all city. Bloch holds nothing back in this fierce, poignant memoir. *Going All City* is an unflinching portrait of a deeply maligned subculture and an unforgettable account of what writing on city walls means to the

most vulnerable people living within them.

**Challenging Macho Values** - Jonathan Salisbury 1996

Twenty-nine collected essays represent a critical history of Shakespeare's play as text and as theater, beginning with Samuel Johnson in 1765, and ending with a review of the Royal Shakespeare Company production in 1991. The criticism centers on three aspects of the play: the love/friendship debate.

**Saturday Night Live & American TV** - Nick Marx 2013-10-02

Thought-provoking and "undeniably interesting" essays on this cultural institution of comedy and what it says about our society (Booklist). Since 1975, "Live from New York, it's Saturday Night!" has greeted late night-TV viewers looking for the best in sketch comedy and popular music. SNL is the variety show that launched the careers of countless comedians, including Dan Aykroyd, Chevy Chase, Chris Farley, Will Ferrell, Tina Fey, Amy Poehler, and Adam Sandler. Week after week, SNL has produced everything from unforgettable parodies to provocative political satire—adapting to changing times decade after decade while staying true to its original vision of performing timely topical humor. With essays that address issues ranging from race and gender to authorship and comedic performance, Saturday Night Live and American TV follows the history of this iconic show, and its place in the shifting social and media landscape of American television.

**Rina's Family Secret** - Gloria Velásquez 1998-01-01

A Puerto Rican teenager describes her family's life with her abusive stepfather in alternating chapters with the story of the counselor who is trying to help them.

**Energy 4 Life** - Caroline Shola Arewa 2010-03-04

Do you want more Energy and vitality in your life? One of the major health issues affecting people today is lack of energy. Most people want enough energy and vitality to live life to the full. We don't want to feel drained, exhausted and stressed out all the time. We are in need of regularly topped up, high quality energy for optimum health and wellbeing. Energy 4 Life offers a health and conscious living programme that activates your core energy. It works with the Chakras and Human Energy System. This powerful energetic approach offers the skills needed to live a Healthy, Happy and Successful life in the midst of a changing world. This is an uplifting and informative book that makes balancing the demands of 21st century life manageable.

**The Grammar of Rock** - Alexander Theroux 2013-02-16

Novelist and critic Alexander Theroux analyzes the pop song. National Book Award nominee, critic and one of America's least compromising satirists, Alexander Theroux takes a comprehensive look at the colorful language of pop lyrics and the realm of rock music in general in *The Grammar of Rock*: silly song titles; maddening instrumentals; shrieking divas; clunker lines; the worst (and best) songs ever written; geniuses of the art; movie stars who should never have raised their voice in song but who were too shameless to refuse a mic; and the excesses of awful Christmas recordings. Praising (and critiquing) the gems of lyricists both highbrow and low, Theroux does due reverence to classic word-masters like Ira Gershwin, Jimmy Van Heusen, Cole Porter, and Sammy Cahn, lyricists as diverse as Hank Williams, Buck Ram, the Moody Blues, and Randy Newman, Dylan and the Beatles, of course, and more outré ones like the Sex Pistols, the Clash, Patti Smith, the Fall (even Ghostface Killa), but he considers stupid rhymes, as well — nonsense lyrics, chop logic, the uses and abuses of irony, country music macho, verbal howlers, how voices sound alike and why, and much more. In a way that no one else has ever done, with his usual encyclopedic insights into the state of the modern lyric, Theroux focuses on the state of language — the power of words and the nature of syntax — in *The Grammar of Rock*. He analyzes its assaults on listeners' impulses by investigating singers' styles, pondering illogical lunacies in lyrics, and deconstructing the nature of diction and presentation in the language. This is that rare book of discernment and probing wit (and not exclusively one that is a critical defense of quality) that positively evaluates the very nature of a pop song, and why one over another has an effect on the listener.

**More Than Words: Song Lyrics Trivia** - Brendan Deegan 2007-08-21

From selected key lyrics provided, name the song, artist, or composer, in this music trivia book. Chapters include WHAT'S NEW, GOLDEN OLDIES, TELEVISION'S GREATEST HITS, and WORST LYRICS EVER to name just a few. Whether you are eight or eighty, there is something here to challenge everyone. The open ended play structure lets you set the rules and challenge your friends. You will find yourself singing out loud as you try naming these classic songs. Never before has a book brought back so many memories and been so addictive. BE SURE TO TRY A FEW QUESTIONS IN THE BOOK PREVIEW!

**Rock Music in American Popular Culture II** - Frank Hoffmann 2015-12-22

From "Who Put the Bomp (in the Bomp, Bomp, Bomp)?" to a list of all song titles containing the word "werewolf," *Rock Music in American Popular Culture II: More Rock 'n'Roll Resources* continues where 1995's Volume I left off. Using references and illustrations drawn from contemporary lyrics and supported by historical and sociological research on popular cultural subjects, this collection of insightful essays and reviews assesses the involvement of musical imagery in personal issues, in social and political matters, and in key socialization activities. From marriage and sex to public schools and youth culture, readers discover how popular culture can be used to explore American values. As Authors B. Lee Cooper and Wayne S. Haney prove that integrated popular culture is the product of commercial interaction with public interest and values rather than a random phenomena, they entertainingly and knowledgeably cover such topics as: answer songs--interchanges involving social events and lyrical commentaries as explored in response recordings horror films--translations and transformations of literary images and motion picture figures into popular song characters and tales public schools--images of formal educational practices and informal learning processes in popular song lyrics sex--suggestive tales and censorship challenges within the popular music realm war--examinations of persistent military and home front themes featured in wartime recordings *Rock Music in American Popular Culture II: More Rock 'n'Roll Resources* is nontechnical, written in a clear and concise fashion, and explores each topic thoroughly, with ample discographic and bibliographic resources provided for additional research. Arranged alphabetically for quick and easy reference to specific topics, the book is equally enjoyable to read straight through. Rock music fans, teachers, popular culture professors, music instructors, public librarians, sound recording archivists, sociologists, social critics, and journalists can all learn something, as the book shows them the cross-pollination of music and social life in the United States.

**The Routledge Handbook of Critical Discourse Studies** - John Flowerdew 2017-07-06

The Routledge Handbook of Critical Discourse Studies provides a state-of-the-art overview of the important and rapidly developing field of Critical Discourse Studies (CDS). Forty-one chapters from leading international scholars cover the central theories, concepts, contexts and applications of CDS and how they have developed, encompassing: approaches analytical methods interdisciplinarity social divisions and power domains and media. Including methodologies to assist those undertaking their own critical research of discourse, this Handbook is key reading for all those engaged in the study and research of Critical Discourse Analysis within English Language and Linguistics, Communication, Media Studies and related areas.

- Theresa Swaim 2006-04-01

Terry Baker invites all into her life as she sets to reveal the most significant events of her past to her future, starting from her childhood to her adult years. She is the Reverend's child. The child who observes the growing dysfunction in her home while trying to stay above the water herself. The child who watches the lives of her brother's turn upside down, the change in a father whom she once idolized, while experiencing a change in herself she can't quite figure out. This story will make you laugh and it will make you cry but moreover, it will bring understanding into this tale, based on a true story, of a reverend's wayward, confused and lonely child.

**Replay** - Kacey Shea 2018-03-12

Cocky and self-assured, I'm confident when it comes to my skills both on stage and in the bedroom. Everything in my life is perfect, even if I am the last single man standing in our famed rock band. But it wasn't always this way. Jayla knew me before I hit it big. Back when I was a skinny teen, chasing dreams without a penny to my name. Now she's back in my life and so much more than the girl I remember. Fiercely loyal. Beautiful and badass. She walked out of my life before, and I won't let that happen again. They say some songs are better on the second take, and if there's one thing I know for sure, this is our time for a replay.

**Billboard** - 2010-07-03

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Critical Thinking About Sex, Love, and Romance in the Mass Media** - Mary-Lou Galician 2007-07-10

This distinctive volume explores how romantic coupleship is represented

in books, magazines, popular music, movies, television, and the Internet within entertainment, advertising, and news/information. This reader offers diverse theoretical perspectives and methodological approaches on the representation of romantic relationships across the media spectrum. Filling a void in existing media scholarship, this collection explores the media's influence on perceptions and expectations in relationships, including the myths, stereotypes, and prescriptions manifested throughout the press. Featuring fresh voices, as well as the perspectives of seasoned veterans, contributions include quantitative and qualitative studies along with cultural/critical, feminist, and descriptive analyses. This anthology has been developed for use in courses on mass media and society, media studies, and media literacy. In addition to its

use in coursework, it is highly relevant for scholars, researchers, and others interested in how the media influence the personal lives of individuals.

Children of the Reverend - Theresa P. Swaim 2008-12

Theresa Baker is the reverend's youngest child, and the child who observes the growing dysfunction in her home, while trying to stay above the water herself. She is the child who watches the lives of her two older brothers turn upside down, and a change that takes place in the father she once idolized, all the while, finding herself falling into a depression, that nearly claims her life. This is the true story of the Reverend Leon Baker's three wayward, and confused children, who seek every path to love, peace and happiness, but the path, that leads to righteousness.
