

# Sex Change A Nina Bannister Mystery

The Winter Sister - Megan Collins 2019-10-08

A “haunting debut: suspenseful, atmospheric, and completely riveting” (Megan Miranda, New York Times bestselling author of *All the Missing Girls*) about a young woman who returns home to care for her ailing mother and begins to dig deeper into her sister’s unsolved murder. Sixteen years ago, Sylvie’s sister, Persephone, never came home. Out late with the boyfriend she was forbidden to see, Persephone was missing for three days before her body was found—and years later, her murder is still unsolved. In the present day, Sylvie returns home to care for her estranged mother, Annie, as she undergoes treatment for cancer. Prone to unexplained “Dark Days” even before Persephone’s death, Annie’s once-close bond with Sylvie dissolved in the weeks after their loss, making for an uncomfortable reunion all these years later. Adding to the discomfort, Persephone’s former boyfriend is now a nurse at the cancer center where Annie is being treated. Sylvie has always believed Ben was responsible for the murder—but she carries her own guilt about that night, guilt that traps her in the past while the world goes on around her. As she navigates the complicated relationship with her mother, Sylvie begins to uncover the secrets that fill their house—and what really happened the night Persephone died. *The Winter Sister* is a “bewitching” (Kirkus Reviews) portrayal of the complex bond between sisters, between mothers and daughters alike, and “will captivate you from suspenseful start to surprising finish” (Kathleen Barber, author of *Are You Sleeping*).

The Dusky Dolphin - Bernd Würsig 2009-07-17

*The Dusky Dolphin: Master Acrobat Off Different Shores* covers various topics about the dusky dolphin, including its taxonomy, history and demography, ecology, and behavior. After introducing the dusky dolphin as a member of the genus *Lagenorhynchus* under the family Delphinidae,

the book continues by describing its life history, its demographic patterns, and its role in the food web considering predation, parasitism, and competition. The book also includes chapters that discuss the interaction of the dusky dolphin with its habitats, such as the dusky dolphin’s sound production, its foraging at night and in daylight, its survival strategies in response to predator threats, the mating habits of New Zealand duskies, calf rearing, sexual segregation, and genetic relationships. Other chapters address the interaction of dusky dolphins with humans. This book offers information about dusky dolphins off Southern Africa and discussions about the patterns of sympatry in *Lagenorhynchus* and *Cephalorhynchus*. Finally, comparisons between dusky dolphins and great apes as large-brained mammals are also reviewed in this book. Only book fully devoted to the southern hemisphere "dusky" dolphin Heavily illustrated with charts, figures, tables, and all color photos Written by a cadre of experts intimately familiar with dolphin field work Written in an accurate yet accessible style for the scientist and natural historian alike

**Worth Their Salt Too** - Colleen Whitley 2000-07

Biographies of prominent women (community and government leaders, activists, artists, writers, scholars, politicians, and others) who made important contributions to Utah's history and culture.

*Dear Paris* - Janice MacLeod 2021-03-09

Eat, Pray, Love meets Claude Monet in this epistolary ode to the French capital from the New York Times–bestselling author of *Paris Letters*. What started as a whim in a Latin Quarter café blossomed into Janice MacLeod’s years-long endeavor to document and celebrate life in Paris, sending monthly snippets of her paintings and writings to the mailboxes of ardent followers around the world. Now, *Dear Paris* collects the

entirety of the Paris Letters project: 140 illustrated messages discussing everything from macarons to Montmartre. For readers familiar with the city, Dear Paris is a rendezvous with their own memories, like the first time they walked along the Champs-Élysées or the best pain au chocolat they've ever tasted. But it's about more than just a Paris frozen in nostalgia; the book paints the city as it is today, through elections, protests, and the World Cup—and through the people who call it home. Wistful, charming, surprising, and unfailingly optimistic, Dear Paris is a vicarious visit to one of the most iconic and beloved places in the world. Praise for Paris Letters "Janice MacLeod's charming Paris Letters takes us on her starry-eyed discovery of Paris, the joys of learning the French language, a unique career in art and, best of all, the romance of a lifetime! C'est bon!" —Lynne Martin, author of Home Sweet Anywhere "Written as though to a best friend telling her story over lattes—or café crème. Relatable and inspiring . . . cleverly crafted with wit and unexpected wisdom." —New York Journal of Books  
*Forthcoming Books* - Rose Army 2003-04

**Ms. Magazine** - Gloria Steinem 1975

Look Closer - David Ellis 2022-07-05

"Wildly entertaining."--New York Times Book Review From the bestselling and award-winning author comes a wickedly clever and fast-paced novel of greed, revenge, obsession—and quite possibly the perfect murder. Simon and Vicky couldn't seem more normal: a wealthy Chicago couple, he a respected law professor, she an advocate for domestic violence victims. A stable, if unexciting marriage. But one thing's for sure ... absolutely nothing is what it seems. The pair are far from normal, and one of them just may be a killer. When the body of a beautiful socialite is found hanging in a mansion in a nearby suburb, Simon and Vicky's secrets begin to unravel. A secret whirlwind affair. A twenty-million-dollar trust fund about to come due. A decades-long grudge and obsession with revenge. These are just a few of the lies that make up the complex web...and they will have devastating consequences. And while

both Vicky and Simon are liars, just who exactly is conning who? Part Gone Girl, part Strangers on a Train, Look Closer is a wild rollercoaster of a read that will have you questioning everything you think you know.

**The Case of the Twin Teddy Bears** - Carolyn Keene 2013-10-15

On the trail of a teddy bear thief, Nancy unwraps double-dealing and double crosses! Bess is working during the Christmas rush at Beary Wonderful, a toy and teddy bear shop, when the holiday season takes a sudden scary turn. The owner's prized collection of antique teddy bears—cute, cuddly, and worth a bundle—has been ripped off. But the break-in is only the beginning of a much bigger and more brazen teddy bear caper. The attempted theft of Bess's own bear—a replica of one of the antiques—leads Nancy to believe that more is at stake than a couple of burgled bears. For Nancy knows that even something as innocent as a teddy bear can be stuffed with intrigue!

**The Routledge Research Companion to Popular Music and Gender**

- Stan Hawkins 2017-03-16

Why is gender inseparable from pop songs? What can gender representations in musical performances mean? Why are there strong links between gender, sexuality and popular music? The sound of the voice, the mix, the arrangement, the lyrics and images, all link our impressions of gender to music. Numerous scholars writing about gender in popular music to date are concerned with the music industry's impact on fans, and how tastes and preferences become associated with gender. This is the first collection of its kind to develop and present new theories and methods in the analysis of popular music and gender. The contributors are drawn from a range of disciplines including musicology, sociology, anthropology, gender studies, philosophy, and media studies, providing new reference points for studies in this interdisciplinary field. Stan Hawkins's introduction sets out to situate a variety of debates that prompts ways of thinking and working, where the focus falls primarily on gender roles. Amongst the innovative approaches taken up in this collection are: queer performativity, gender theory, gay and lesbian agency, the female pop celebrity, masculinities, transculturalism, queering, transgenderism and androgyny. This Research Companion is

required reading for scholars and teachers of popular music, whatever their disciplinary background.

**The Trials of Nina McCall** - Scott W. Stern 2018-05-15

The nearly forgotten story of the fight against the American Plan, a government program designed to regulate women's bodies and sexuality "A consistently surprising page-turner . . . a brilliant study of the way social anxieties have historically congealed in state control over women's bodies and behavior." —New York Times Book Review Nina McCall was one of many women unfairly imprisoned by the United States government throughout the twentieth century. Tens, probably hundreds, of thousands of women and girls were locked up—usually without due process—simply because officials suspected these women were prostitutes, carrying STIs, or just "promiscuous." This discriminatory program, dubbed the "American Plan," lasted from the 1910s into the 1950s, implicating a number of luminaries, including Eleanor Roosevelt, John D. Rockefeller Jr., Earl Warren, and even Eliot Ness, while laying the foundation for the modern system of women's prisons. In some places, vestiges of the Plan lingered into the 1960s and 1970s, and the laws that undergirded it remain on the books to this day. Nina McCall's story provides crucial insight into the lives of countless other women incarcerated under the American Plan. Stern demonstrates the pain and shame felt by these women and details the multitude of mortifications they endured, both during and after their internment. Yet thousands of incarcerated women rioted, fought back against their oppressors, or burned their detention facilities to the ground; they jumped out of windows or leapt from moving trains or scaled barbed-wire fences in order to escape. And, as Nina McCall did, they sued their captors. In an age of renewed activism surrounding harassment, health care, prisons, women's rights, and the power of the state, this virtually lost chapter of our history is vital reading.

**Forbidden** - Nicola Cornick 2013-04

As maid to some of the most wanton ladies of the ton, Margery Mallon lives within the boundaries of any sensible servant. Entanglements with gentlemen are taboo. Then an intriguing stranger named Mr Ward offers

her a taste of passion, and suddenly the wicked possibilities are too tempting to resist.

**Nancy Drew 53: The Sky Phantom** - Carolyn Keene 1975-12-01

Nancy goes to Excello Flying School in the Midwest to take lessons, while her friends Bess and George perfect their horseback riding. But soon the young sleuth is confronted with the mystery of a hijacked plane and a missing pilot. Then the rancher's prize pony, Major, is stolen. Nancy becomes a detective in a plane and on horseback to track down the elusive sky phantom and the horse thief. A lucky find - a medal with a message to be deciphered on it - furnishes a worthwhile clue. Romance is added to mystery when Bess becomes interested in a handsome cowboy. Readers will spur Nancy on as she investigates a strange magnetic cloud, hunts for the horse thief, and finally arrives at a surprising solution.

**Beautiful Dead** - R. Lee Smith 2015-11-12

SHE WOULD DARE ANYTHING TO SAVE THE WORLD FROM HIS RULE. EVEN HIS BED. He ascended from the darkness years ago-Azrael the Eternal, Azrael the Undying, Azrael Who Is Death-bringing with him the black rains, the fires, the souring of the sky, and the Eaters. Now he rules in the walled city of Haven with his favored Children and his dead court, while all that is left of the living struggles to survive in the ruins of a world that used to be their own. But even as extinction looms, humanity will never surrender to their monstrous conqueror. For Lan, this brutal life has been the only one she's ever known, but she still believes it can change. If the war can never truly end until the Eaters are ended, she will go to Haven, to Azrael himself, and demand he end them. To her surprise, she does not immediately die the hero's death she expected. Instead, Azrael offers her a chance to convince him, and all she has to do is submit herself to the chill embrace of the lord of the Land of the Beautiful Dead. From the author of *The Scholomance* and *The Last Hour of Gann* comes a new vision of erotic horror! This book contains explicit sex and gore and is intended for mature readers only.

[A Shropshire Lad](#) - Alfred Edward Housman 1903

A collection of sixty-three short poems by the English poet showing a

young lad's reactions to love, beauty, friendship, and death as he approaches manhood.

**The Keepers of the House** - Shirley Ann Grau 2012-04-10

A “beautifully written” Pulitzer Prize-winning novel about prejudice and a distinguished family’s secrets in the American South (The Atlantic Monthly). Seven generations of the Howland family have lived in the Alabama plantation home built by an ancestor who fought for Andrew Jackson in the War of 1812. Over the course of a century, the Howlands accumulated a fortune, fought for secession, and helped rebuild the South, establishing themselves as one of the most respected families in the state. But that history means little to Abigail Howland. The inheritor of the Howland manse, Abigail hides the long-buried secret of her grandfather’s thirty-year relationship with his African American mistress. Her fortunes reverse when her family’s mixed-race heritage comes to light and her community—locked in the prejudices of the 1960s—turns its back on her. Faced with such deep-seated racism, Abigail is pushed to defend her family at all costs. A “novel of real magnitude,” *The Keepers of the House* is an unforgettable story of family, tradition, and racial injustice set against the richly drawn backdrop of the American South (Kirkus Reviews). This ebook features an illustrated biography of Shirley Ann Grau, including rare photos and never-before-seen documents from the author’s personal collection.

**The Golden Amazon** - John Russell Fearn 2016-11-12

A FICTION HOUSE PRESS REPRINT: An outlaw of space, she was, with the strength of ten men. Here is an interplanetary story that will fill you with enthusiasm. She whipped the man she loved ... then rescued him from death. This is the Golden Amazon in all of her original pulp adventures with the original illustrations.

**Are You Being Served?** - Jeremy Lloyd 2002

Based on TV comedy series *Are you being served?*

*Seventh Heaven* - Alice Hoffman 2014-09-23

A New York Times bestseller about a 1950s suburb transformed by the arrival of a divorced mother: “part American Graffiti, part early Updike” (The New York Times). On Hemlock Street, the houses are identical, the

lawns tidy, and the families traditional. A perfect slice of suburbia, this Long Island community shows no signs of change as the 1950s draw to a close—until the fateful August morning when Nora Silk arrives. Recently divorced, Nora mows the lawn in slingback pumps and climbs her roof in the middle of the night to clean the gutters. She works three jobs, and when her casseroles don’t turn out, she feeds her two boys—eight-year-old Billy and his baby brother, James—Frosted Flakes for supper. She wears black stretch pants instead of Bermuda shorts, owns twenty-three shades of nail polish, and sings along to Elvis like a schoolgirl. Though Nora is eager to fit in on Hemlock Street, her effect on the neighbors is anything but normal. The wives distrust her, the husbands desire her, and the children think she’s a witch. But through Nora’s eyes, the neighborhood appears far from perfect. Behind every neatly trimmed hedge and freshly painted shutter is a family struggling to solve its own unique mysteries. Inspired by Nora, the residents of Hemlock Street finally unlock the secrets that will transform their lives forever. A tale of extraordinary discoveries, *Seventh Heaven* is an ode to a single mother’s heroic journey and a celebration of the courage it takes to change.

**City of Thorns** - C. N. Crawford 2021-08-11

Paperback

**Sex Change** - T'Gracie Reese 2014-09-12

Retired school teacher Nina Bannister has not been idle in her golden years. Now, this famous resident of Bay St. Lucy, Mississippi, is heeding the call of duty again, by running as a replacement candidate for the U.S. Congress, when the state's present Representative is killed in a plane crash. To her great surprise, Nina is elected, and--to her even greater surprise--she quickly finds that she is not cut out for the lowly life of a newbie--kowtowing to party leaders. When Nina suggests in an off-hand moment (which is secretly recorded by her staff and uploaded to social media) that the government would be better run by women, a nationwide revolution begins, and Nina becomes its figurehead. Little does she know, however, that a lone disgruntled man is furious with her actions and intends to get his retribution against Nina and all of her followers. Can Nina bring about true change in Washington? Or will her nemesis

bring about her demise before she even has a chance to start? This all

happens when Nina Bannister goes to Washington and national politics undergoes a SEX CHANGE.
