[The Forgotten Victims of Sexual Violence in Film, Television and New Media](#) - Stephanie Patrick 2022-05-09

This edited collection provides an intersectional and transnational exploration of representations of sexual violence and rape within films, television shows, and digital media in the contemporary context of the #MeToo and #TimesUp movements. Drawing upon sociology, gender studies, cultural studies, media studies, and Black feminist studies, chapters focus on women and texts at the margins of mainstream culture's depictions of sexual violence. The editors and contributors examine the dominant narrative of the thin, cisgender, heterosexual white female victim, and the ways in which social and cultural conversations around race and gender impact and are impacted by depictions of sexual violence in media. This book will be of interest to scholars and students in sociology, gender studies, and media studies, particularly those interested in the intersectionality of race and gender. Sex Education: The Road Trip - Katy Birchall 2021-09-02

The only official SEX EDUCATION novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent socialites who have now accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle - it's time to go undercover. Thanks to Eric's

dance floor moves, Aimee's easy charm and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favourite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humour and a great new storyline, plus a compelling whodunnit at its heart. NO spoiler alerts here - the book is a brand-new story that complements but doesn't reveal the TV show.

The New Heroines in Film and Television -

Helena Bassil-Morozow 2023-06-29

This thought-provoking volume offers an overview of contemporary representations of prominent female characters as they appear in an array of moving-image narratives from a Jungian and post-Jungian perspective. Applying a theoretical frame that is richly informed by the Jungian and post-Jungian concepts of persona, individuation, and archetypes, works including *Fleabag* (2016-2019), *Ladybird* (2017), and *The Queen's Gambit* (2020) as well as Disney productions such as *Brave* (2012), *Moana* (2016), and *Frozen* (2013), are contextualized and discussed alongside their non-screen precedents and contemporaries, including myths, fairy tales, and works of literature, to closely examine new patterns of the female journey. This book identifies how young female characters rebel against the female persona of previous eras through the trickster, the shadow, and other archetypes, comparing the contemporary female protagonist with her predecessors to assess the new paths, roles, and milestones available to her. Examining the construction of the female persona across time periods and mediums in an accessibly written yet academic style, this book is the first of its kind. With a fulsome account of the progressive developments in entertainment media and Jungian thought, this book is essential reading for students and scholars of film, as well as anyone with an interest in analytical psychology and wider feminist issues in contemporary culture.

Filming's not as glamorous as it's cracked up to be.

The Palgrave Handbook of Screenwriting Studies - Rosamund Davies 2023-07-27

This book provides an overview of the growing field of screenwriting research and is essential reading for both those new to the field and established screenwriting scholars. It covers topics and concepts central to the study of screenwriting and the screenplay in relation to film, television, web series, animation, games and other interactive media, and includes a range of approaches, from theoretical perspectives to in-depth case studies. 44 scholars from around the globe demonstrate the

range and depths of this new and expanding area of study. As the chapters of this Handbook demonstrate, shifting the focus from the finished film to the process of screenwriting and the text of the screenplay facilitates valuable new insights. This Handbook is the first of its kind, an indispensable compendium for both academics and practitioners.

A Guide to Life - Sex Education 2021-10-12

Transmedia Character Studies - Tobias Kunz 2023-03-31

Transmedia Character Studies provides a range of methodological tools and foundational vocabulary for the analysis of characters across and between various forms of multimodal, interactive, and even non-narrative or non-fictional media. This highly innovative work offers new perspectives on how to interrelate production discourses, media texts, and reception discourses, and how to select a suitable research corpus for the discussion of characters whose serial appearances stretch across years, decades, or even centuries. Each chapter starts from a different notion of how fictional characters can be considered, tracing character theories and models to approach character representations from perspectives developed in various disciplines and fields. This book will enable graduate students and scholars of transmedia studies, film, television, comics

studies, video game studies, popular culture studies, fandom studies, narratology, and creative industries to conduct comprehensive, media-conscious analyses of characters across a variety of media.

Competing Masculinities in the British Netflix Series "Sex Education" - Lea-Christin Klaas 2023-11-13

Seminar paper from the year 2020 in the subject Gender Studies, grade: 2,0, University of Dortmund (Institut für Anglistik und Amerikanistik), course: British Proseminar, language: English, abstract: This paper deals with the competing masculinities in the British Netflix series "Sex Education". Especially the characters Otis Milburn, Adam Groff and Eric Effiong are taken into consideration. Otis is the typical lovable goof, whereas Adam is more likely to fulfill the stereotype of being a "real man", because of his tendency of being violent. It turns out that Adam's aggression is caused by him being insecure. Eric is also especially interesting to look at, since he serves several contrary stereotypes. He is a black, homosexual young male that is raised as a second generation immigrant in a traditionally catholic household and is often confronted with homophobia and racism. Eric turns out to be a modern gentleman. Each character's typical behavior patterns will be described and clarified by examples and interpreted in the context of masculinities.

Sex Education: A Guide To Life - The Official Netflix Show Companion - Sex Education 2021-10-14

The official, no-nonsense sex syllabus and guide to life you always wanted. From the Netflix sensation SEX EDUCATION, with a foreword from the show's creator, Laurie Nunn. Recommended age 14+ [Come As You Are: Revised and Updated](#) - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

[Voices From the Wreckage: Young Adult Voices in the #MeToo Movement](#) - Kimberly Karshner 2023-04-18

'Voices From the Wreckage: Young Adult Voices in the #MeToo Movement' is an edited collection by Kimberly Greenfield Karshner (Lorain County Community College). This collection focuses on situating young adult voices in the #MeToo movement, and into American culture and identity. Children's and young adult literature is an area of study that has rapidly evolved in the past ten years, bringing previously silenced voices to light. This is especially true for YA LGBTQ+ voices, and also for young narrators who are not only discovering, celebrating, and coming to terms with their identities, but also dealing with assaults on their identities. This collection will build on what writers like Laurie Halse Anderson have begun, first with her groundbreaking book on sexual assault, 'Speak', published in 1999, and more currently, her follow-up book, 'Shout' (2019). These authors continue what Anderson started, exploring texts from the perspectives of YA male and female voices, Native American and international perspectives, and LGBTQ+ character representation. Chapters investigate various literary forms such as graphic novels, memoirs, and novels, and cover topics such as sexual desire, consent, trauma, and survivorship. The literature featured in this volume will assure young people that they can tell their stories and that they will be heard. 'Voices From the Wreckage' will be a valuable tool for anyone who teaches Young Adult Literature, or for those who are avid readers and fans of the genre. The authors in this collection are starting and continuing very important conversations on the

topic of sexual abuse and trauma, a conversation necessary for the intended audiences of these books, and for adult readers and teachers who are facilitating the emotions connected to these topics.

Touchy Subject - Lauren Bialystok 2022-12-23
 "In the United States, sex education is more than just an uncomfortable rite of passage, it's an amorphous curriculum that varies widely based on the politics, experience, resources, and biases of the people teaching it. Most often, it's a train wreck, overemphasizing or underemphasizing STIs, teen pregnancy, abstinence, and consent. In *Touchy Subject*, philosopher Lauren Bialystok and historian Lisa M. F. Andersen make the case for thoughtful sex education, explaining why it's worth fighting for and which kind most deserves our fight, despite all the inconveniences and compromises along the way. They argue that democratic and humanistic aims can be used to provide the tools to reason about the content and form of sex education. In practice, this amounts to a curriculum that meets what are currently considered highly comprehensive standards, incorporates ethics and civics education, and substantially modifies some aspects of teacher training and school design; it also assigns different responsibilities to different actors inside and outside schools, and it responds to the salient features of young people's evolving worlds, including the inequities that put some students at much higher risk of sexual harm than others. Throughout their inquiry, the authors show the reader how sex education has progressed and how the very

concept of "progress" remains contestable"--
