Acts of Desperation - Megan Nolan 2021-03-04  
'Crushing...intensely vital' Observer 'It's impossible to tear yourself away' The Times  
'Such brilliant writing about female desire...honest and visceral' Marian Keyes She's twenty-three and in love with love. He's older, and the most beautiful man she's ever seen. The affair is quickly consuming. But this relationship is unpredictable, and behind his perfect looks is a mean streak. She's intent on winning him over, but neither is living up to the other's ideals. He keeps emailing his thin, glamorous ex, and she's starting to give in to secret, shameful cravings of her own. The search for a fix is frantic, and taking a dangerous turn... We're all looking to get what we want - but do we know what we

need?

**Under the Banner of Heaven** - Jon Krakauer  
2004-06-08  
NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. "Fantastic.... Right up there with In Cold Blood and The Executioner's Song." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in

these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Model Rules of Professional Conduct - American Bar Association. House of Delegates 2007  
The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-

letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender,

sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* **Big Panda and Tiny Dragon** - James Norbury 2021-09-21

*Big Panda and Tiny Dragon* embark on a journey through the seasons of the year together. They get lost, as many of us do. But while lost, they discover many beautiful sights they'd never have found had they gone the right way. Told through a series of beautiful drawings and quiet, sometimes silly, conversations, the panda and the dragon explore the thoughts and emotions, hardships and happiness that connect us all. In nature, they learn how to live in the moment, how to be at peace with uncertainty, and how to

*Confessions of a Bookseller* - Shaun Bythell  
2019-08-29

A SUNDAY TIMES BESTSELLER 'Irreverently funny ... kept me giggling all week.' Scotland on Sunday "Do you have a list of your books, or do I just have to stare at them?" Shaun Bythell is the owner of The Bookshop in Wigtown, Scotland. With more than a mile of shelving, real log fires in the shop and the sea lapping nearby, the shop should be an idyll for bookworms. Unfortunately, Shaun also has to contend with bizarre requests from people who don't understand what a shop is, home invasions during the Wigtown Book Festival and Granny, his neurotic Italian assistant who likes digging for river mud to make poultices.

*Global Trends 2040* - National Intelligence Council 2021-03

"The ongoing COVID-19 pandemic marks the most significant, singular global disruption since

World War II, with health, economic, political, and security implications that will ripple for years to come." -Global Trends 2040 (2021)  
Global Trends 2040-A More Contested World (2021), released by the US National Intelligence Council, is the latest report in its series of reports starting in 1997 about megatrends and the world's future. This report, strongly influenced by the COVID-19 pandemic, paints a bleak picture of the future and describes a contested, fragmented and turbulent world. It specifically discusses the four main trends that will shape tomorrow's world: - Demographics-by 2040, 1.4 billion people will be added mostly in Africa and South Asia. - Economics-increased government debt and concentrated economic power will escalate problems for the poor and middleclass. - Climate-a hotter world will increase water, food, and health insecurity. - Technology-the emergence of new technologies could both solve and cause problems for human life. Students of trends, policymakers,

This is the smart, quirky, uplifting read we need.” —Ashley Audrain, #1 bestselling author of *The Push* A dead body is one mess she can’t clean up on her own. Molly Gray is not like everyone else. She struggles with social skills and misreads the intentions of others. Her gran used to interpret the world for her, codifying it into simple rules that Molly could live by. Since Gran died a few months ago, twenty-five-year-old Molly has been navigating life’s complexities all by herself. No matter—she throws herself with gusto into her work as a hotel maid. Her unique character, along with her obsessive love of cleaning and proper etiquette, make her an ideal fit for the job. She delights in donning her crisp uniform each morning, stocking her cart with miniature

soaps and bottles, and returning guest rooms at the Regency Grand Hotel to a state of perfection. But Molly's orderly life is upended the day she enters the suite of the infamous and wealthy Charles Black, only to find it in a state of disarray and Mr. Black himself dead in his bed. Before she knows what's happening, Molly's unusual demeanour has the police targeting her as their lead suspect. She quickly finds herself caught in a web of deception, one she has no idea how to untangle. Fortunately for Molly, friends she never knew she had unite with her in a search for clues to what really happened to Mr. Black. But will they be able to find the real killer before it's too late? Both a Clue-like, locked-room mystery and a heartwarming journey of the spirit, *The Maid* explores what it means to be the same as everyone else and yet entirely different—and reveals that all mysteries can be solved through connection to the human heart.

*Is There Still Sex in the City?* - Candace Bushnell

2019-08-06

Twenty years after her sharp, seminal first book *Sex and the City* reshaped the landscape of pop culture and dating with its fly-on-the-wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the highs and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, *Is There Still Sex in the City?* gathers Bushnell's signature short, sharp, satirical commentaries on the love and dating habits of middle-aged men and women as they continue to navigate the ever-modernizing world of relationships. Throughout, Bushnell documents twenty-first century dating phenomena, such as the "Unintended Cub Situation" in which a sensible older woman suddenly becomes the love interest of a much younger man, the "Mona Lisa" Treatment — a vaginal restorative surgery often recommended to middle-aged women — and what it's really like to go on Tinder dates as

a fifty-something divorcée. Bushnell also updates one of her most celebrated stories from Sex and the City, about "Bicycle Boys," a breed of New York man who is always trying to bring his bike up to women's apartments. Once an anomaly, Bushnell charts their new ubiquitousness, in addition to where, and how, to do your own man stalking via bicycle (and whether or not it's worth it).

THE NEW YORK TIMES BESTSELLER\* THE UNMISSABLE TIKTOK SENSATION\* OVER 1.6 MILLION COPIES SOLD WORLDWIDE Grumpy, small-town barber + hopelessly romantic runaway bride = great big bust ups, all the tension and lots of steamy encounters! Escaping her seemingly perfect wedding, Naomi Witt arrives in rough-around-the-edges Knockemout, Virginia, running to the rescue of her estranged twin, Tina. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to

Naomi's car and cash, Tina leaves her with something unexpected: the 11-year-old niece she didn't know she had. Now she's stuck in town with no job, no plan, no home and a whole lot of extra responsibility. There's a reason local barber Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. At least that's the plan, until their lives begin to entwine in ways they never imagined . . . \*New York Times bestseller, 18 weeks from October 2022 - February 2023\* \*With 78.9 million views on #thingswenevergotover as of April 2023\* 'I laughed. **\*INSTANT #1 INDIE BESTSELLER\*** From the New York Times bestselling author of *Red, White & Royal Blue* comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big

problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" - Jasmine Guillory, New York Times bestselling author of *The Proposal* and *Party for Two*

town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

Kim Cattrall, best known for her depiction of *Sex and the City*'s Samantha, slides between the sheets with readers to share her secrets on reaching the heights of pleasure. In this

illustrated guidebook for women looking to improve their sex, Kim Cattrall teams up with her husband to share tips and tricks. This how-to-sex book is based on viewer feedback from the show and designed to help couples focus on achieving the female orgasm.

**Sex and the City and Us** - Jennifer Keishin Armstrong 2019-05-07

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New*

York Observer, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (The

Washington Post). Sex and the City and Us is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

**Just Kids Illustrated** - Patti Smith 2019-11  
Patti's Smith's exquisite prose is generously illustrated in this full-color edition of her classic coming-of-age memoir, Just Kids. New York locations vividly come to life where, as young artists, Patti Smith and Robert Mapplethorpe met and fell in love: a first apartment in Brooklyn, Times Square with John and Yoko's iconic billboard, Max's Kansas City, or the gritty fire escape of the Hotel Chelsea. The extraordinary people who passed through their lives are also pictured: Sam Shepard, Harry Smith, William Burroughs, Allen Ginsberg. Along with never-before-published photographs, drawings, and ephemera, this edition captures a moment in New York when everything was possible. And when two kids seized their destinies as artists and soul mates in this

**What Remains** - Carole Radziwill 2007-06-05

The author traces her life and marriage to Anthony Radziwill, President Kennedy's nephew, in an account that describes her work as a journalist, her friendship with JFK, Jr., and his wife, and her husband's struggle with terminal cancer.

**Introduction to Probability** - Joseph K.

Blitzstein 2014-07-24

Developed from celebrated Harvard statistics lectures, Introduction to Probability provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and

paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.

inductees, and stars of the hit E! shows Total Bellas and Total Divas. As twins, the Bellas have always competed. Legend has it that Nikki drop-kicked Brie in the womb so that she could make her grand entrance first. But the rest of the world often treated them as identical and even interchangeable, so they decided to do something about it. After they made it into WWE, the Bellas accomplished so much together: bringing in young girls and women while building the Bella Army, helping the transition of female performers from Divas to Superstars, starring in Total Divas and Total

Bellas, and founding companies like Birdiebee, Nicole + Brizee Beauty, and Bonita Bonita Wine. Though their early journey began with loss, abuse, and plenty of rough times, these challenges “shined the diamond.” They resolved to be survivors and the heroes of their own stories, and to take control and responsibility for their lives. Eventually, they would come to show girls everywhere that they can do anything. The Bellas may be identical twins—but as individuals, they have proven themselves Incomparable.
