

Sex Definition Of Bases

Biological Bases of Human Social Behaviour Robert A. Hinde 1974

Exploring the Biological Contributions to Human Health Institute of Medicine 2001-07-02 It's obvious why only men develop prostate cancer and why only women get ovarian cancer. But it is not obvious why women are more likely to recover language ability after a stroke than men or why women are more apt to develop autoimmune diseases such as lupus. Sex differences in health throughout the lifespan have been documented. Exploring the Biological Contributions to Human Health begins to snap the pieces of the puzzle into place so that this knowledge can be used to improve health for both sexes. From behavior and cognition to metabolism and response to chemicals and infectious organisms, this book explores the health impact of sex (being male or female, according to reproductive organs and chromosomes) and gender (one's sense of self as male or female in society). Exploring the Biological Contributions to Human Health discusses basic biochemical differences in the cells of males and females and health variability between the sexes from conception throughout life. The book identifies key research needs and opportunities and addresses barriers to research. Exploring the Biological Contributions to Human Health will be important to health policy makers, basic, applied, and clinical researchers, educators, providers, and journalists-while being very accessible to interested lay readers.

On Knowledge Base Management Systems Michael L. Brodie 2012-12-06 Current experimental systems in industry, government, and the military take advantage of knowledge-based processing. For example, the Defense Advanced Research Projects Agency (DARPA), and the United States Geological Survey (USGS) are supporting the development of information systems that contain diverse, vast, and growing repositories of data (e.g., vast databases storing geographic information). These systems require powerful reasoning capabilities and processing such as data processing, communications, and multidisciplinary of such systems will scientific analysis. The number and importance grow significantly in the near future. Many of these systems are severely limited by current knowledge base and database systems technology. Currently, knowledge-based system technology lacks the means to provide efficient and robust knowledge bases, while database system technology lacks knowledge representation and reasoning capabilities. The time has come to face the complex research problems that must be solved before we can design and implement real, large scale software systems that depend on knowledge-based processing. To date there has been little research directed at integrating knowledge base and database technologies. It is now imperative that such coordinated research be initiated and that it respond to the urgent need for a technology that will enable operational large-scale knowledge-based system applications.

Understanding and Proving International Sex Crimes Morten Bergsmo 2012-04-25 "[This anthology] addresses the gap between international standard-setting prohibiting international sex crimes and actual accountability for individuals who are responsible for such crimes. The book provides detailed analysis of the legal requirements of international sex crimes and types of fact that can be used to meet these requirements. It includes a unique knowledge-base that digests international case law on such crimes. The anthology also contains several studies of institutional and evidentiary challenges in the prosecution of international sex crimes"--Series pref.

Sex Work in Southeast Asia Lisa Law 2002-09-26 Southeast Asian sex workers are stereotypically understood as passive victims of the political economy, and submissive to western men. The advent of HIV/AIDS only compounds this image. Sex Work in Southeast Asia is a cultural critique of HIV/AIDS prevention programmes targeting sex tourism industries in Southeast Asia.

Child Abuse: an Evidence Base for Confident Practice 5e David Wilkins 2019-06-12 This best-selling text has been used by countless students, practitioners and researchers as a key reference on child protection issues. The book demystifies this complex and emotionally-charged area, outlining research, history, social policy and legislation, as well as the theory and practice underpinning child protection work. Written by influential academics and practitioners, this updated edition looks at child protection practices in a global context and provides:

- The latest research and thinking on the causes and consequences of child abuse, including new insights about the relationship between deprivation, poverty and abuse and neglect
- An overview of child protection practices, ranging from the 19th Century to recent policy and practice changes, including the widespread adoption of practice models and attempts to improve the quality of social work services

Using examples to highlight key discussions and points, this book will enhance the confidence, knowledge and skills of practitioners, supervisors and managers. "This is an important, varied, well-structured, and interesting academic contribution to the area of child protection, neglect, and child abuse. The authors draw on a range of literature, theories, and the extant evidence-base to present a breadth of chapters, from global perspectives on child abuse, to the history of child abuse, to reflections for the future of child protection work. This book will add value to a wide range of professionals in this important field." Dr Karen Treisman, Clinical Psychologist, Trainer "This is an important addition to the child abuse and child protection literature. Drawing from a variety of current research carried out by professionals and academics from a range of disciplines, this book will be an excellent companion for students, academics and practitioners working in this challenging but important area of work." Dr Elena Martellozzo, Online child protection expert. Middlesex University, UK "This is a comprehensive text which explores the legislative, cultural and historic context in which today's child protection has been shaped. Building on previous editions, it provides a valuable and up-to-date insight into contemporary child protection practice." Rebecca Avery, Education Safeguarding Advisor (Online Protection), The Education People "How did we get to where we are in our response to child abuse - and what might the future hold? This book provides a timely, comprehensive and thoughtful response to this question; demonstrating the importance of understanding our journey to present day practices if we are to improve the protection of children in the future. Integrating historical, sociological, psychological and biological perspectives, and grappling with the ethical as well as practical challenges of child abuse responses, the authors provide us with an overview upon which we must learn from past successes, as well as tragedies, as we utilise and further build an evidence base for confident social work practices around the world. " Dr Carlene Firmin, Principal Research Fellow in Contextual Safeguarding, University of Bedfordshire, UK

Characteristics of Child Sexual Abuse in the United States Air Force Alice Powers Tarpley 1986 An exploratory study to determine how child sexual abuse was defined at installation Air Force Family Advocacy Programs, characteristics of reported child sexual abuse cases, and differences in cases labeled suspected and established. All 121 Air Force Family Advocacy Officers were mailed questionnaires which addressed the bases' definitions of child sexual abuse and characteristics of cases reported in 1985. Data were collected from 58 bases on 376 cases. Findings indicated that the Family Advocacy Programs lacked a uniform definition of child sexual abuse. Contrary to Air Force regulation, 37% of the programs did not limit services to cases involving abuse by perpetrators who were in caretaker relationships with their victims. Variations in characteristics of cases from those previously reported included: younger ages of victims (M=8.56), a higher percentage of male victims (22%), and a high rate of cases initially reported by victims and non-offending parents (66%). At least 25% of isolated incidents of abuse (perpetrated by perpetrators known to victims) involved anal/genital penetration, suggesting a progression of sexually abusive behaviors may not be an essential aspect of case validation. Recommendations for revision of Family Advocacy Program regulations, enhancement of program services, and areas for future research were identified.

Latin American, Peru 1981

Sex Trafficking Kimberly A. McCabe 2010-04-12 Global estimates of human trafficking range from 600,000 to four million victims each year with the majority being victims of sex trafficking. This strikingly large range belies the difficulty in gathering, defining, and accountability of sex-trafficking data. Victims of sex trafficking may be forced into pornography, prostitution for the military or militia, spousal prostitution, and prostitution

for the sex-tourism industry. In response to the problem of sex trafficking, many nations have either misunderstood the definition or failed to comprehend the magnitude that have occurs within their borders. The United Nations has defined 'human trafficking' as 'the recruitment, transfer, harboring or receipt of persons by threat or use of force.' Similarly, the U.S. State Department's Trafficking Victims Protection Act 2000 describes severe forms of trafficking as: (a) sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such an act has not attained 18 years of age; or (b) the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery. In *Sex Trafficking: A Global Perspective*, sex trafficking is discussed in terms of its multiple purposes and its victims. The essays provide information to build upon the limited knowledge-base on the subject of sex trafficking and the legislative responses to human trafficking by the various highlighted countries. This collection is unique because it serves the needs of those studying human trafficking from a global perspective by targeting the issue within every geographic region, it provides a general profile of geographic regions in terms of demographic characteristics and political conditions that may support the growth of sex trafficking, and it is written on a basic information-supply-level to provide readers with a foundation on human trafficking throughout the world.

Gender Performativity in Disney's "Mulan" Sabrina Fiel Abade 2022-03-17 Seminar paper from the year 2021 in the subject Gender Studies, grade: 1,0, University of Luxembourg, language: English, abstract: Gender and its meaning are often discussed by anthropologists, feminists, and other researchers. However, the way that each defines the word gender is very different and there seems to be no fixed definition as to when one identifies as man or woman. This problematic, that there are so many different definitions for gender, Judith Butler takes as the center of her work, and tries to explain what they understand behind the notions of sex and gender. I will therefore base my analysis on Judith Butler's "Gender Trouble", published in 1990. Butler's approach is very interesting, as it brings in the notion of culture as well. And because Butler brings in culture, and culture is the subject of anthropological research, I will take some ideas of Lila Abu Lughod's "Writing Against Culture", published in *Recapturing anthropology: working in the present*. The anthropological approach will only lead to a better understand of how culture and gender are so similar, as they are both not innate. The fact that gender is not innate and has to be learned, or as Judith says performed, will be the key idea that I will represent in this paper. The idea that gender is performed and is a social construction, is clearly represented in Walt Disney's "Mulan". I will, therefore, use this movie to prove the point that I am aiming to elaborate. My point is that any individual can perform different gender identities and that individuals are able to change their gender. So, gender is not related to the sexual organs or chromosomes one has, but gender is simply a behavior that adapts to its environment and is fluid.

Sexuality in America Robert T. Francoeur 1999-08-01 Now available in a new paperback edition, this survey is different in both breadth and scope from all other reports on sexuality in the United States. It covers every topic imaginable, from a multicultural point of view, in order to reflect fully the complex society in which we live: the biological, psychological, social, and spiritual aspects of our sexual lives.

The Sex Imperative Kenneth E. Maxwell 1994-03-21 The sex imperative is indeed the driving force behind Darwin's theory of random variation and natural selection, better known as "survival of the fittest." Maxwell goes so far as to investigate our latest accomplishment in the science of begetting offspring: genetic engineering.

Sexual Orientation and Gender Identity Employment Discrimination Dayna K. Shah 2010-02 Twenty-one states and the District of Columbia have statutes prohibiting discrimination in employment on the basis of sexual orientation. Twelve states and the District of Columbia also have statutes prohibiting employment discrimination on the basis of gender identity. This report reviewed these state statutes and provided information on their characteristics, coverage and exclusions. It also reported the number of administrative employment discrimination complaints filed in each state as reported by the states -- both the total number of complaints and the number of complaints listing sexual orientation or gender identity as one of the claimed bases for discrimination. Charts and tables.

Sex Offenders and the Internet Dennis Howitt 2009-09-28 Online, the opportunity to commit a crime is never more than a few clicks away. *Sex Offenders and the Internet* explores the nature of online sex offenders in order to help practitioners understand and treat this new category of client. Kerry Sheldon and Dennis Howitt examine the research base by reviewing case studies and psychological profiles, with a particular focus on paedophilic Internet sex offenders. Issues covered include child pornography, the often overlooked 'excuses' for paedophilia, and how we can move forward. The result is a book that comprehensively details the nature of Internet sex offenders, bringing together the relevant research into one essential volume.

Hooking Up Kathleen A. Bogle 2008 A closer look into the new sexual culture on college campuses It happens every weekend: In a haze of hormones and alcohol, groups of male and female college students meet at a frat party, a bar, or hanging out in a dorm room, and then hook up for an evening of sex first, questions later. As casually as the sexual encounter begins, so it often ends with no strings attached; after all, it was "just a hook up." While a hook up might mean anything from kissing to oral sex to going all the way, the lack of commitment is paramount. *Hooking Up* is an intimate look at how and why college students get together, what hooking up means to them, and why it has replaced dating on college campuses. In surprisingly frank interviews, students reveal the circumstances that have led to the rise of the booty call and the death of dinner-and-a-movie. Whether it is an expression of postfeminist independence or a form of youthful rebellion, hooking up has become the only game in town on many campuses. In *Hooking Up*, Kathleen A. Bogle argues that college life itself promotes casual relationships among students on campus. The book sheds light on everything from the differences in what young men and women want from a hook up to why freshmen girls are more likely to hook up than their upper-class sisters and the effects this period has on the sexual and romantic relationships of both men and women after college. Importantly, she shows us that the standards for young men and women are not as different as they used to be, as women talk about "friends with benefits" and "one and done" hook ups. Breaking through many misconceptions about casual sex on college campuses, *Hooking Up* is the first book to understand the new sexual culture on its own terms, with vivid real-life stories of young men and women as they navigate the newest sexual revolution.

Assessing Risk in Sex Offenders Leam A. Craig 2008-05-23 *Assessing Risk in Sex Offenders: A Practitioner's Guide* is a handy resource for forensic practitioners responsible for assessing an managing sexual offenders at risk of recidivism. It covers the risk factors associated with sexual recidivism, evaluates risk assessment approaches and offers guidance on how to conduct forensic evaluations. Written by an expert author team, *Assessing risk in Sex Offenders: A Practitioner's Guide* examines: The characteristics of sexual offenders Methodological considerations in measuring predictive accuracy Static and dynamic factors Structured risk assessments Treatment of sexual offenders Policy and practices *Assessing Risk in Sex Offenders: A Practitioner's Guide* is an essential resource for clinical and forensic psychologists, forensic psychiatrists, undergraduate and postgraduate students in forensic and clinical psychology, and prison and probation officers.

The Sexual Murderer Eric Beauregard 2016-10-04 Sexual homicide continues to be one of the most widely reported and sensationalised forms of murder, attracting fascination from the public and scholars alike. Despite this continued interest, few empirical studies have been conducted on this particular form of sexual crime. *The Sexual Murderer* provides an analytical review of the state of knowledge on the sexual murderer and his offense, and presents new data that confronts some of the accepted ideas and myths surrounding this type of homicide. The authors draw on original data stemming from both offenders and the police to present an exhaustive and accurate picture of the sexual murderer and his offense, and compare the sex offenders who do kill with sex offenders who, despite being very violent, do not. Each chapter includes a section on the practical implications of the findings, and what the findings mean for professionals working with these cases and for the criminal justice system. This book explores themes including the role of fantasies, paraphilias,

and personality; criminal career; context of the crime; journey to murder; modus operandi and crime scene; sex trade workers; avoiding detection; body disposal pathways; and whether we can predict sexual homicide occurrence. This book is a comprehensive resource for academic and professionals involved in sexual homicide cases, such as psychologists, psychiatrists, investigators and profilers, as well as individuals working in the field of sexual violence. This book will also be of interest to students taking courses on homicide, sexual homicide, and serial homicide.

Child Sexual Abuse Rebecca M. Bolen 2007-05-08 Child sexual abuse has become a prevalent topic of study and discussion in the fields of Child Psychology, Pediatrics, Law Enforcement, and Social Work. But even with the widespread knowledge of identifiable behavior in its victims and abusers, society's response to child sexual abuse is failing profoundly. Rebecca Bolen's authoritative book, *Child Sexual Abuse: Its Scope and Our Failure*, clearly defines the scope of child sexual abuse and addresses society's ability to respond to the problem. It is her thesis that society's response to child sexual abuse is failing because the policies, programs, and statutes designed to assess and identify abuse are grounded in historical and myth-bound theoretical child sexual abuse literature rather than in the empirical knowledge base. This comprehensive text on child sexual abuse covers: The historical conceptualization of child sexual abuse, starting with Freud. A review of the empirical literature on the incidence and prevalence of child sexual abuse. The professional response to child sexual abuse. The most sophisticated model of risk of child sexual abuse done to date. Two new models of understanding reactions by nonoffending guardians. The pervasiveness of the threat of extrafamilial abuse. £/LIST£ This text is divided into three main areas of discussion: Sociohistorical Context, Scope of the Problem, and Aftermath. This comprehensive review can be used not only as a text, but also as a primary reference for professionals in government, law enforcement, medical, mental health, and any agency that works with child sexual abuse offenders and victims.

Sexual Mathematics Talim Arab 2020-04-08 Three academics The first, René, a mathematician, arrives at Cambridge to complete a PhD but is desperate to keep his real intentions for study a secret. The second, Ruth, René's supervisor, eager to rise through the ranks of the university. The third, Diego, Ruth's husband, and a philosophy lecturer trying to save his department from budget cuts. All is well, until René begins an affair with Ruth and then with Diego. The modern ménage à trois explodes gender, love and sex and, using the lens of geometry, reveals equal relationships are indivisible by three.

The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality K. R. Moore 2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality. It explores ancient representations of these concepts as we define them today, as well as recent perspectives that have been projected back onto antiquity. Beginning in antiquity, the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call "gender" and "sexuality" based on the evidence available to us, and chart the varied interpretations and receptions of these concepts across time to the present day. In exploring how different cultures have "received" the classical past, the volume investigates these cultures' different interpretations of Greek and Roman sexualities, and what these interpretations can reveal about their own attitudes. Through the contributions in this book, the reader gains a deeper understanding of this essential part of human existence, derived from influential sources. From ancient to modern and postmodern perspectives, from cinematic productions to TikTok videos, receptions of ancient gender and sexuality abound. This volume is of interest to students and scholars of ancient history, gender and sexuality in the ancient world, and ancient societies, as well as those working on popular culture and gender studies more broadly.

As American as Sweet Potato Pie Kenya Jaye 2019-08-04 When you got a 90's R&B soul, you never stop writing poetry. In this poetry collection, I cover all the bases. From a working definition of love to soul-grabbing sex on the first date. For the grownups.

Gender and Law Katharine T. Bartlett 2010 The Fifth Edition of *Gender and Law: Theory, Doctrine, Commentary* presents a comprehensive and thoroughly updated examination of issues concerning gender and the law. This highly regarded casebook artfully merges theoretical and practical approaches, and includes an extensive teacher's manual with links to media and other innovative materials. Features of this classroom-tested casebook include: Complete, up-to-date coverage of conventional & "women and the law" issues, including employment law, affirmative action, sexual harassment, family, reproductive rights, sexuality, LGBT issues, domestic violence, rape, pornography, international women's rights, global trafficking, women's health, Title IX, and poverty and race. In depth discussion of the complex ways in which gender permeates the law, including issues relating to property, ethics, contracts, sports, and criminal law. A theoretical frameworks organization that enables student to grasp different conceptualizations of equality and justice, and the difference these frameworks make to the resolution of concrete legal problems. Skillfully chosen excerpts from legal cases, statutes, and law review articles that form an ongoing dialogue within the book to stimulate thought and discussion New to the Fifth Edition, which has been thoroughly and carefully edited: ; Comprehensive updating to include a number of timely issues, ranging from same-sex marriage and gays in the military, to sexual harassment, work and family balance, appearance discrimination, women in the legal profession, rape, curtailments of the right to choose an abortion, reproductive technologies, and transgendered individuals. New principal cases, including *Gonzales v. Carhart* (challenge to & "partial-birth" abortion) *State v. Alberts* (application of rape shield law) *Witt v. Department of the Air Force* (challenge to & "Don't Ask, Don't Tell" policy) *In re Marriage Cases* (California same-sex marriage case) *Schroer v. Billington* (recognition of Title VII claim by transsexual) *Bah v. Mukasey* (grant of asylum claim based on history of mandatory female & "circumcision") Many more & "Putting Theory into Practice" problems at the end of each section. These problems keep students grounded in concrete, real-life issues and develop their ability to think critically and from different analytical perspectives. A complete reorganization of Chapter 6, renamed & "Identity," that makes it more accessible and more teachable. Revamped Chapter 6 covers issues relating to gender identity, including problems of multiple, "intersecting" bases of discrimination such as sex discrimination combined with race, age, appearance, disability or religion discrimination; expectations associated with men and masculinity&linity; difficulties of biological definition of sex and nder≥ the clash between U.S. feminist values and cultural practices; and critiques of paranoia, bad faith, and moral perfectionism in feminism. *Gender and Law: Theory, Doctrine, Commentary, Fifth Edition*, is a thoughtful and skillful examination of gender and the law issues that face us all in the twenty-first century.

Xuxa Amelia Simpson 1993-08-11 "A fascinating new book...[that] offers a lucid academic critique of Xuxa's persona." --Entertainment Weekly Former Playboy centerfold and soft-porn movie actress Xuxa (SHOO-sha) emerged in the 1980s as Brazil's mass media megastar. Through her children's television show, which reaches millions of people in Latin America and the United States, this blond sex symbol has attained extraordinary cultural authority. Reaching far beyond younger audiences, Xuxa's show informs the culture at large about gender relations, racial democracy, and idealized beauty. Backed by Brazil's TV Globo, the fourth-largest commercial network in the world, Xuxa has built an empire. Amelia Simoson's colorful portrayal is the first book to explore how Xuxa's representation of femininity, her privileging of a white ideal of beauty, and her promotional approach to culture perpetuate inequality on an unprecedented scale. Simpson's thoughtful analysis exposes the complicity of a mass audience eager to celebrate Xuxa's deeply compromised representations of gender, race, and modernity. Xuxa also explores the meaning behind the myth--Xuxa's long-term relationship with Brazil's soccer idol, Pelé, and the near-worship of her atypical blond, blue-eyed appearance by Brazil's population. As the author examines Xuxa's suggestive style juxtaposed with juvenile entertainment, and the phenomenon of Xuxa-look-alike teenaged paquitas, she unfold the symbolic territory of blond sex symbols worldwide. "Simpson has brought the facts and persona of Xuxa together in this well-documented, well-written analysis of the Brazilian superstar. She touches bases on gender, race, and changing patterns in Brazil. Xuxa is rich with information, laced with insight about the methods, practices and abuses that abound with the marketing of a personality and its products, and the effect of TV on all who watch it, especially the children." --News from Brazil

Resources in Women's Educational Equity 1980 Literature cited in AGRICOLA, Dissertations abstracts international, ERIC, ABI/INFORM, MEDLARS, NTIS, Psychological abstracts, and Sociological abstracts. Selection focuses on education, legal aspects, career aspects, sex differences, lifestyle, and health. Common format (bibliographical information, descriptors, and abstracts) and ERIC subject terms used throughout. Contains order information. Subject, author indexes.

The Power of Four Bases for Relationships RANDY. MEUNITZ 2014-07-02 Why should you read this book? You are obviously searching for answers with a topic that is interwoven into every human interaction - relationships. The book presents five supporting theories: Jelly bean Jar, Bridge Building, Tolerance, Law of Compensation, and Ego. It will provide intellectual and provocative meaning from old sexual references of a baseball diamond: First Base - Attraction, Second Base - Mutual Interest, Third Base - Respect, and Home Plate - Trust. The book explains why sex is in the outfield and is only one contributing factor to a relationship. The book will not pull any punches to difficult physiological questions. However, the five supporting theories, the four elements of baseball diamond and sex will have one consistent theme with a playful nature to keep the tone interesting. Everything will merge into ONE CONSCIOUS meaning. This will make it easier for the reader to apply substantive tools with a conscious reflection to create a home run in relationships.

Evaluating Sex Offenders Dennis M. Doren 2002-04-10 A professional volume to help practitioners, clinicians, counselors, and parole officers, assess risk and evaluate offenders who have been convicted of a sex crime. This is the most comprehensive volume available on every aspect of assessing risk. It compares all current risk assessment techniques of sex offenders in terms of ease of use, reliability, and predictive power. It is a complete guide to assessing sex offenders for likelihood of re-offense, and it provides a wealth of information on other aspects of the assessment process, including information gathering, interviewing offenders, and writing reports. Chapter topics include: defining risk; data gathering; diagnostic issues; recidivism base rates; risk factor lists; actuarial scales; instrumentation (violent and sexual); the evaluation report; presenting in court; ethical issues.

Understanding and Responding to Child Sexual Exploitation Helen Beckett 2017-12-15 The issue of child sexual exploitation (CSE) has received intense scrutiny in recent years, following a number of high profile legal cases, serious case reviews and inquiries. This has resulted in increasing expectations that those working in the field will know how to appropriately manage and respond to this form of abuse. Of course, this is no easy task given the widely acknowledged difficulties of identifying and responding to sexual abuse and the particular complexities associated with the gain dynamic within CSE and the predominantly older age of children affected by it. This edited collection draws on the latest research evidence and academic thinking around CSE to consider issues of understanding and response. Written by researchers from 'The International Centre: Researching child sexual exploitation, violence and trafficking' at the University of Bedfordshire, Part I considers issues of understanding and conceptualisation. Part II considers the practical implications of some of this thinking, sharing learning from research and evaluation on prevention, identification and response. *Understanding and Responding to Child Exploitation* presents critical learning for academics and students, and for those working in the fields of policy, practice and commissioning. It is relevant to a wide range of disciplines including social care, youth work, education, criminology, health and social policy.

The Imaginary Domain Drucilla Cornell 2016-01-08 This book addresses the legal and political programme needed for the recognition of sexual difference. Cornell shows that by affirming feminine sexual difference we should rethink the traditional conception of a public/private divide. This book fundamentally alters the terrain of feminist legal and political philosophy, and does so in a prose style that is lucid and accessible. Cornell defends a feminist view of legal equality that synchronizes the distinct values of freedom and equality in the emotionally fraught sphere of life we call sex. Feminist legal theory has been plagued by the seemingly irreconcilable tension between these two values, particularly when it comes to issues like pornography and sexual harassment where they have been explicitly pitted against one another.

Female Sexual Offenders Theresa A. Gannon 2010-10-28 Featuring a collection of essays by leading experts, *Female Sexual Offenders: Theory, Assessment and Treatment* is the first book to bring together current research, clinical assessment, and treatment techniques of female sexual offenders into one accessible volume. Describes the most recent research data regarding female sexual offenders, covering such issues as female-perpetrated sexual abuse prevalence and juvenile offenders Includes an assessment of the risk of recidivism, international treatment initiatives, and a discussion on the use of the polygraph with female sexual offenders Features practitioner-focused essays which evaluate current assessment strategies, treatment needs, effectiveness, and processes for female sexual offenders

Sexual Assault Prevention and Response in the Armed Forces United States. Congress. House. Committee on Armed Services. Subcommittee on Total Force 2005

Current Perspectives on Sexual Selection Thierry Hoquet 2015-01-28 This root-and-branch re-evaluation of Darwin's concept of sexual selection tackles the subject from historical, epistemological and theoretical perspectives. Contributions from a wealth of disciplines have been marshaled for this volume, with key figures in behavioural ecology, philosophy, and the history of science adding to its wide-ranging relevance. Updating the reader on the debate currently live in behavioural ecology itself on the centrality of sexual selection, and with coverage of developments in the field of animal aesthetics, the book details the current state of play, while other chapters trace the history of sexual selection from Darwin to today and inquire into the neurobiological bases for partner choices and the comparisons between the hedonic brain in human and non-human animals. Welcome space is given to the social aspects of sexual selection, particularly where Darwin drew distinctions between eager males and coy females and rationalized this as evolutionary strategy. Also explored are the current definition of sexual selection (as opposed to natural selection) and its importance in today's biological research, and the impending critique of the theory from the nascent field of animal aesthetics. As a comprehensive assessment of the current health, or otherwise, of Darwin's theory, 140 years after the publication of his *Descent of Man*, the book offers a uniquely rounded view that asks whether 'sexual selection' is in itself a progressive or reactionary notion, even as it explores its theoretical relevance in the technical biological study of the twenty-first century.

Living, Loving and Loss Brad DeFord 2016-12-05 One of the unspoken aspects of mourning concerns the ways that loss affects our intimate relationships and our sexual expressiveness. This text opens these subjects for conversation, with the aim of promoting the trust, care, and respect that enable us to be vulnerable. It purposefully covers a range of topics, including: (1) the meaning of intimacy and the significance of sexuality, providing a basis for the use of these terms throughout the book; (2) death, grief, and differences in sexual orientation, including death and intimacy in the lesbian, gay, bisexual, and transgender (LGBT) community and the losses endured by young people due to gender issues; (3) loss of relationship and restoration of intimacy in families, including pharmacological effects on the grief processes of widowers; grieving a not-so-loved parent; the "layered losses" of infertility and intimacy; and the tolls of war--intimacy and sexuality challenges for soldiers and their families; (4) adjusting to life's losses associated with aging or illness or infirmity, including Alzheimer's and dementia-related illnesses, physical health losses after 50, and intimacy, sex, and hospice--self-determination and dignity at the end of life; and (5) religious bases that have shaped our perspectives for understanding intimacy, sexuality, and healing after loss, and which give us hope--including the spiritual reflections of a rabbi and a Christian voice in defining what is right. Set in a framework that is both psychological and spiritual, the well-researched contributions are intended to acknowledge these experiences both professionally and personally. The book concludes with an extensive bibliography, valuable for research and reference. This book will be of value in undergraduate and graduate courses on thanatology, as well as for anyone interested in knowing more about grief--both those currently bereaved and those who wish to support others in mourning. The contributors appreciate both the importance of our capacities for intimacy and sexuality and our inhibitions and hesitations in giving voice to our needs and concerns, perhaps especially when we are grieving. The information and compassionate understanding they provide encourage us to bridge the gap between the secret and the private and to share what is close to our hearts.

International technical guidance on sexuality education UNESCO 2018-01-15

Dept. of Defense Authorization for Appropriations for FY 2013,...S. Hrg. 112-590, Pt. 1, 112-2 Hearings 2013

Sexual Behaviour and HIV/AIDS in Europe Nathalie Bajos 2014-04-08 *Sexual Behaviour and HIV/AIDS in Europe* is the first book to compare the major population surveys on sexual behaviour and HIV/AIDS carried out in Europe in recent years. Leading European researchers explore the differences and similarities between European countries in patterns of sexual behaviour and responses to the HIV/AIDS epidemic. As well as providing an empirical and methodological base for future research, the comparative analyses lead researchers, policy makers, health-educators and the media to new insights and a deeper understanding of issues that are of central concern in many countries. The chapters include discussion of data on sexual initiation, homosexual and bisexual behaviour, sexual practices, sexual partners, risk behaviour, STDs, preventive practices,

the normative context, knowledge of HIV/AIDS, and attitudes towards people with HIV/AIDS. The book results from a major European Concerted Action, funded by the European Union Biomedical and Health Research programme (BIOMED), and coordinated by the Centre d'Etudes Sociologiques of the Facultes Universitaires Saint-Louis, Brussels, Belgium. It follows *Sexual Interactions and HIV Risk*, published in 1997. *Sexual Harassment of Women* National Academies of Sciences, Engineering, and Medicine 2018-09-01 Over the last few decades, research, activity, and funding has been devoted to improving the recruitment, retention, and advancement of women in the fields of science, engineering, and medicine. In recent years the diversity of those participating in these fields, particularly the participation of women, has improved and there are significantly more women entering careers and studying science, engineering, and medicine than ever before. However, as women increasingly enter these fields they face biases and barriers and it is not surprising that sexual harassment is one of these barriers. Over thirty years the incidence of sexual harassment in different industries has held steady, yet now more women are in the workforce and in academia, and in the fields of science, engineering, and medicine (as students and faculty) and so more women are experiencing sexual harassment as they work and learn. Over the last several years, revelations of the sexual harassment experienced by women in the workplace and in academic settings have raised urgent questions about the specific impact of this discriminatory behavior on women and the extent to which it is limiting their careers. *Sexual Harassment of Women* explores the influence of sexual harassment in academia on the career advancement of women in the scientific, technical, and medical workforce. This report reviews the research on the extent to which women in the fields of science, engineering, and medicine are victimized by sexual harassment and examines the existing information on the extent to which sexual harassment in academia negatively impacts the recruitment, retention, and advancement of women pursuing scientific, engineering, technical, and medical careers. It also identifies and analyzes the policies, strategies and practices that have been the most successful in preventing and addressing sexual harassment in these settings.

You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Sex Definition Of Bases eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

Understanding Sex Definition Of Bases

Before you embark on your journey to find Sex Definition Of Bases online, it's essential to grasp the concept of Sex Definition Of Bases eBook formats. Sex Definition Of Bases come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different Sex Definition Of Bases eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Sex Definition Of Bases eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading

on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding Sex Definition Of Bases eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Sex Definition Of Bases eBooks in these formats.

Sex Definition Of Bases eBook Websites and Repositories

One of the primary ways to find Sex Definition Of Bases eBooks online is through dedicated eBook websites and repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore Sex Definition Of Bases eBook and discuss important considerations of Sex Definition Of Bases.

Popular eBook Websites

1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

Sex Definition Of Bases Legal Considerations

While these Sex Definition Of Bases eBook websites provide valuable resources for readers, it's essential to be aware of legal considerations:

Copyright: Ensure that you respect copyright laws when downloading and sharing Sex Definition Of Bases eBooks. Public domain Sex Definition Of Bases eBooks are generally safe to download and share, but always check the copyright status.

Terms of Use: Familiarize yourself with the terms of use and licensing agreements on these websites. Sex Definition Of Bases eBooks may have specific usage restrictions.

Support Authors: Whenever possible, consider purchasing Sex Definition Of Bases eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

Public Domain eBooks

Public domain Sex Definition Of Bases eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain Sex Definition Of Bases eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore Sex Definition Of Bases eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover Sex Definition Of Bases eBooks online.

Sex Definition Of Bases eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web to help you discover Sex Definition Of Bases across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

Effective Search Sex Definition Of Bases

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

1. Use Precise Keywords:

Be specific with your search terms. Include the book title Sex Definition Of Bases, author's name, or specific genre for targeted results.

2. Utilize Quotation Marks:

To search Sex Definition Of Bases for an exact phrase or book title, enclose it in quotation marks. For example, "Sex Definition Of Bases."

3. Sex Definition Of Bases Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "Sex Definition Of Bases eBook."

4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find Sex Definition Of Bases in your preferred format.

5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

Google Books and Beyond

Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free Sex Definition Of Bases available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free Sex Definition Of Bases.

You can search by title Sex Definition Of Bases, author, language, and more.

Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for Sex Definition Of Bases and borrow them for a specified period.

Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of Sex Definition Of Bases, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

Search Engines: These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

Websites: eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles Sex Definition Of Bases or genres. They serve as powerful tools in your quest for the perfect eBook.

Sex Definition Of Bases eBook Torrenting and Sharing Sites

Sex Definition Of Bases eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore Sex Definition Of Bases eBook torrenting and sharing sites, how they work, and how to use them safely.

Find Sex Definition Of Bases Torrenting vs. Legal Alternatives

Sex Definition Of Bases Torrenting Sites:

Sex Definition Of Bases eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download Sex Definition Of Bases eBooks directly from one another.

While these sites offer Sex Definition Of Bases eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

Sex Definition Of Bases Legal Alternatives:

Some torrenting sites host public domain Sex Definition Of Bases eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading Sex Definition Of Bases eBooks legally.

Staying Safe Online to download Sex Definition Of Bases

When exploring Sex Definition Of Bases eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify Sex Definition Of Bases eBook Sources:

Be cautious when downloading Sex Definition Of Bases from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Sex Definition Of Bases eBooks that you have the right to access.

Sex Definition Of Bases eBook Torrenting and Sharing Sites

Here are some popular Sex Definition Of Bases eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Sex Definition Of Bases eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

A Note of Caution

While Sex Definition Of Bases eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Sex Definition Of Bases eBooks.
