Unorthodox - Deborah Feldman 2012-10-02

**Dear Girls** - Ali Wong 2019-10-17

'You'll laugh like a drain' Stylist Dear Girls is Ali Wong's collection of heartfelt and hilarious letters to her daughters covering everything they need to know in life, like the unpleasant details of dating, how to be a working mum in a male-dominated profession and how she trapped their dad. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (and the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam and parenting war stories. Ali Wong's letters are absurdly funny, surprisingly moving and enlightening (and gross) for all.

Love & Virtue - Diana Reid 2022-08-04

'Reid is the talent to whom every smart young novelist who follows her will be compared - or hope to be.' - Meg Mason Michaela and Eve are two bright, bold women who befriend each other in their first year at a residential college at university, where they live in adjacent rooms. They could not be more different; one assured and popular - the other uncertain and eager-to-please. But something happens one night in Orientation week - a drunken encounter, a foggy memory that will force them to confront the realities of consent and wrestle with the dynamics of power. Initially bonded by their wit and sharp eye for the colleges' mix of material wealth and moral poverty, Michaela and Eve soon discover how fragile friendship is, and how capable of betrayal they both are.

Written with a strikingly contemporary voice that is both wickedly clever and incisive, Love & Virtue explores issues of consent, feminism, class, and institutional privilege, and engages with enduring philosophical questions we face today. FOR FANS OF SALLY ROONEY'S CONVERSATIONS WITH FRIENDS AND ANNA HOPE'S EXPECTATION SEX/LIFE: 44 Chapters About 4 Men - BB Easton 2020-05-21

The inspiration for seasons one and two of the hit Netflix series Sex/Life One woman's secret journal completely changes her marriage in this hilarious and biting memoir. School psychologists aren't supposed to write books about sex. Doing so would be considered 'unethical' and 'a fireable offense'. Lucky for you, ethics was never my strong suit. Sex/Life: 44 Chapters About 4 Men is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends - a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player - that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla 'husbot', Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behaviour modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

Uganda Be Kidding Me - Chelsea Handler 2014-03-04

In this uproarious collection of travel essays, Chelsea Handler sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it's anyone's guess as to what's more dangerous: the wildlife or Chelsea. But whether she's fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she's always game for the next misadventure. The situation gets down and dirty as she defiles a kayak in the Bahamas, and outright sweaty as she escapes from a German hospital on crutches. When things get truly scary, like finding herself stuck next to a passenger with bad breath, she knows she can rely on her family to make matters even worse. Thank goodness she has the devoted Chunk by her side-except for the time she loses him in Telluride. Complete with answers to the most frequently asked traveler's questions, hot travel trips, and travel etiquette, none of which should be believed, Uganda Be Kidding Me has Chelsea taking on the world, one laugh-out-loud incident at a time.

**Come As You Are: Revised and Updated** - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less

frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

*A Life on Our Planet* - David Attenborough 2020-10-01

The tragedy of our time has been happening all around us, barely noticeable from day to day - the loss of our planet's wild places, its biodiversity. I have been witness to this decline. *A Life on Our Planet* contains my witness statement, and my vision for the future - the story of how we came to make this, our greatest mistake, and how, if we act now, we can yet put it right. We have the opportunity to create the perfect home for ourselves and restore the wonderful world we inherited. All we need is the will do so.

*A Delayed Life* - Dita Kraus 2020-02-06

The powerful, heart-breaking memoir of Dita Kraus, the real-life Librarian of Auschwitz Born in Prague to a Jewish family in 1929, Dita Kraus has lived through the most turbulent decades of the twentieth and early twenty-first centuries. Here, Dita writes with startling clarity on the horrors and joys of a life delayed by the Holocaust. From her earliest memories and childhood friendships in Prague before the war, to the Nazi-occupation that saw her and her family sent to the Jewish ghetto at

Terezín, to the unimaginable fear and bravery of her imprisonment in Auschwitz and Bergen-Belsen, and life after liberation. Dita writes unflinchingly about the harsh conditions of the camps and her role as librarian of the precious books that her fellow prisoners managed to smuggle past the guards. But she also looks beyond the Holocaust – to the life she rebuilt after the war: her marriage to fellow survivor Otto B Kraus, a new life in Israel and the happiness and heartbreaks of motherhood. Part of Dita's story was told in fictional form in the Sunday Times bestseller *The Librarian of Auschwitz* by Antonio Iturbe. Her memoir tells the full story in her own words.

Suit - BB Easton 2019-11-19

Find out if the ultimate party girl might finally be ready to settle down in this final spinoff novel after 44 CHAPTERS ABOUT 4 MEN, the book that inspired the hit Netflix original series SEX/LIFE. “Since when are you into guys who wear ties?” It was true. By her mid-twenties, BB’s type had been well established—and good guys need not apply. Which is exactly why she had to friend-zone Ken Easton. The man was a former football star, smelled like fresh laundry instead of stale cigarettes, and had more ties in his closet than tattoos on his knuckles. BOR-ING. But the more she got to know her gorgeous study buddy, the more she wondered: Why doesn’t he date? Why does he avoid human touch? Why does he hate all things fun and wonderful? The psychology-student side of her became obsessed with getting inside Ken’s head, while the romantic side of her became obsessed with getting inside his heart. Soon BB discovers the one thing she loves more than bad boys is a good challenge. “BB Easton has a talent like no other to hook the reader and she never lets you go with *Suit*. One I'm going recommend over and over again. Flawless!” —Brittainy C. Cherry, author of *Eleanor & Grey* To view a comprehensive content warning, please visit the author's website.

So when ex-envoy, now-convict Takeshi Kovacs has his consciousness and skills downloaded into the body of a nicotine-addicted ex-thug and presented with a catch-22 offer, he really shouldn’t be surprised.
