

Sex Starved Marriage

Wanting Sex Again - Laurie Watson 2012-12-04

"I never want to have sex again." If you feel like sex just isn't worth the effort, you're not alone. Forty million American women are frustrated by their lack of sexual passion. They know something's missing—and their husbands know it, too—but the emotional, physical, and mental obstacles to healthy desire can be a knot that seems too tangled to unravel.

Drawing on twenty years of clinical experience, Laurie Watson shows that it really is possible to restore the thrill of sex, using proven psychological methods and personal accounts from actual therapy sessions. Her strategies will:

- Offer a glimpse into the reality of other people's bedrooms
- Address the sexual problems that can develop with life changes—from marriage to motherhood to menopause
- Uncover the hidden factors that impact desire—stress, cultural messages, emotional connection, chemical and hormonal challenges, physical appearance issues, and more
- Show how joyful, meaningful, satisfying sex can be yours again

Candid, practical, and much needed, this book can help you rediscover your sexual self or discover it for the first time. Instead of dreading bedtime, you can look forward to it again.

Summary of Michele Weiner Davis' The Sex-Starved Marriage - Everest Media, 2022-06-30T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 One out of every three marriages struggles with problems related to low sexual desire. Complaints about low desire are the number one problem brought to sex therapists. And many sex experts believe that low sexual desire in men is America's best-kept secret. #2 Low sexual desire in men is common, but men are still afraid to talk about it. It threatens the very foundation on which their feelings of self-worth are based. #3 Tom and Debra's marriage was suffering from the same problems as the first couple. They were unable to escape the exasperating labyrinth of blame versus counterblame. They still claimed they wanted to stay together, but I could see that unless something drastic changed, they were headed for divorce. #4 A sex-starved marriage is when one spouse is deeply unhappy with his or her sexual relationship, and this unhappiness is ignored, minimized, or dismissed. The resulting disintegration of the relationship encapsulates the real meaning of a sex-starved marriage.

Sex Before the Sexual Revolution - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.

The Sex-Starved Marriage - Michele Weiner Davis 2011-03-01

It is estimated that one of every three married couples struggles with problems associated with mismatched sexual desire. Do you? If you want to stop fighting about sex and revitalize your intimate connection with your spouse, then you need this book. But *The Sex-Starved Marriage* is not just another book explaining the reasons you or your spouse might not be in the mood for sex. Bestselling author Michele Weiner Davis will help you understand why being complacent or bitter about ho-hum sex might cost you your marriage, and with her acclaimed psychobabble-free, straight-shooting advice, she'll show you how to bring the spark back into your bedroom and into your relationship. Because relationship expert Weiner Davis is convinced that feeling sexy is a two-person job, she looks at the problem of -- and the solution to -- low sexual desire from a couple's perspective. Whether you're someone whose passion has faded or someone who's been hungering for touch, you'll learn life-altering lessons about bridging the desire gap and restoring intimacy and friendship to your marriage. And because Weiner Davis knows that one spouse is often more motivated than the other to work on a relationship, she offers creative ways to inspire your partner to change. Separate chapters address the spouse who's hot, the one who's not, and then both together. If you're the spouse with a lagging libido, you're far from alone. And if you're a man, you'll be surprised to learn that staggering numbers of men, even men whose sexual machinery works just fine, "get headaches" too! If you're the low-desire spouse, you'll learn about the physiological and psychological factors, including unresolved relationship issues, that may contribute to the chill in your bedroom. You'll learn the truth about sexual desire: that for millions of men or women it doesn't just happen; you have to make it happen. Finally, you'll find specific, pragmatic, and often provocative solutions to help you discover the siren or seducer within. If you're the more highly sexed partner, you'll breathe a sigh of relief. At last someone understands your feelings about the void in your marriage. Discover why your pleas for touch have fallen upon deaf ears and why your approach to the lull in your sexual relationship could be a sexual turnoff. Most important, you'll find tools you can use to reach out in ways that will make your spouse

more responsive. Finally, if your partner is willing, you will learn how to keep the flame of desire burning together. Full of moving firsthand accounts from couples who have struggled with the erosion of sexual desire and rebuilt their passionate connection, *The Sex-Starved Marriage* will give you and your spouse the inspiration, encouragement, and answers you need to find your way out of a sex-starved marriage.
