We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

Constructing the Sexual Crucible - David M Schnarch 1991-03-05

This book challenges the fundamental paradigms in sexual-marital therapies, and provides a fresh look at the nature of intimacy and the diverse barriers to eroticism in many marriages. By integrating individual, sexual and marital therapies, this study attempts to provide a fresh look at the nature of intimacy and the diverse barriers to eroticism in marriage. The author refutes the common focus on sexual technique, calling instead for an emphasis on sexual potential.

Mending a Shattered Heart - Stefanie Carnes 2012-07-10

When your partner betrays, what are the first steps to picking up the pieces of your shattered heart? Many unsuspecting people wake up every day to discover their loved one, the one person whom they are supposed to trust completely, has been living a life of lies and deceit because they suffer from a disease-sex addiction. This is a disease shrouded in secrecy and shame. This is your go-to-guide for what to do when you discover your partner is a sex addict. Each chapter is based on frequently asked questions by partners such as: Should I Stay or Should I Go? Is This Going to Get Better? How Do I Set Boundaries and Keep Myself Safe? and What Should I Tell the Kids?

Who's Who of American Women - 1973

Who's who in America - 2003

The Case for Marriage - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives,

enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

The Counseling Practicum and Internship Manual - Shannon Hodges, PhD, LMHC, NCC, ACS 2010-08-03
For many counseling students, the first experience with a counseling practicum or internship can be daunting. With this manual, students in practicum and internship settings receive the orientation and guidance they need to successfully navigate field placement. In this book, author Shannon Hodges shares over 16 years of expertise in counseling and clinical training. He discusses everything students need to know to fully understand all aspects of the practicum/internship process. The book provides detailed guidelines to selecting and applying for an appropriate practicum/internship, performing responsibly on the job, maintaining ethical standards, and much more. The manual comprehensively covers practicum/internships in all settings, including rehabilitation, school, mental health, addictions, and marriage and family counseling. With this book, students will learn how to: Select, apply to, and interview for the internship/practicum Use the practicum/internship as a means to land a job Create a professional identity and demeanor Navigate ethical, legal, and professional issues Comply with HIPA (the Health Insurance Portability and Accountability Act) Use various new, leading technologies in counseling Write clinical case notes and develop treatment plans Set clear boundaries with clients and deal with difficult colleagues

Clinical Case Studies for the Family Nurse Practitioner - Leslie Neal-Boylan 2011-11-28

Clinical Case Studies for the Family Nurse Practitioner is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

Thriving Through Transition - Denise O'Doherty 2018-08-07

"Mom, Dad - I'm Transgender." As the parent - What do you say? What do you do? How do you cope with what is about to unfold in your life? A parent's life can change forever when a child "comes out" and says

they are transgender. Whether your child is 5 or 50, the word "transgender" or "transition," will likely cause a multitude of conflicting emotions and countless questions. Parents, are often unprepared to know what's next and most importantly, know how to care for themselves in the process. This book was written to make the adjustment process easier for parents or anyone who loves a transgender person. Specifically, you will:

- Gain insight regarding what the issues are that parents commonly face
- Receive valuable suggestions on how to work through feelings such as grief, denial, depression, anger, shame and guilt.
- Learn conflict management for siblings and other family members.
- Become well-versed in knowing what to say to others and how to effectively deal with resistance.
- Develop effective methods of addressing religious, cultural and social issues.
- Discover how to cope and take care of yourself in the process
- Understand acceptance and what it can mean for you as the parent.

This book is a must-read resource for family members, educators, clergy, counselors, the medical field, social awareness advocates and everyone who loves a transgender person and the parent raising them.

Love & Sex - Nancy Houston 2018-02-05

"So many couples struggle in their sexual lives because they divide sex and love ... Nancy Houston has written an excellent, practical, and very hopeful book on how to reintegrate the division."—Dr. John Townsend, New York Times bestselling author of *Boundaries* "Without question, one of the greatest communicators of our generation on Christian sex and intimacy is Nancy Houston."—Amy Ford, president of Embrace Grace and author of *A Bump in Life* Sex is powerful! Just saying the word "sex" can stir up all

kinds of emotions. Maybe it's a positive emotion for you—or possibly a hurtful, shameful, confusing one. It's no wonder we struggle to understand its meaning and purpose. It can be difficult to talk about, and if we have experienced unwanted shame or grew up in a home where sex was taboo, addressing the topic can be even more difficult. In a world of sexual chaos and confusion, we all need a healthy dialogue on the topic—not a black-or-white, right-or-wrong lecture, but a safe forum for discovering, learning, processing, and growing into passionate intimacy within the freedom God provides. In *Love & Sex*, Nancy Houston provides a compassionate view of human sexuality. Through the lens of Scripture, she unpacks the good God intended when He created humans as sexual creatures, while recognizing that many people haven't experienced sex in a positive way. You won't find a critical examination of dos and don'ts, but stories of redemption, grace, and hope. You will understand how you were shaped and that you are more than your sexual behaviors. For some people, sex is a regular part of life. For others, it's a huge deal. Maybe even too big of a deal. This book will be your roadmap to finding sexual health, happiness, and balance. And if you are one of the few unscathed by sexual shame or confusion, this book will help you develop a more compassionate lens for those who do struggle.
