

Sexual Healing By Jill Nelson

Of Stillness and Storm - Michele Phoenix 2016-12-06

Award-winning and highly acclaimed author, Michèle Phoenix, pens a story of marriage and missions, and what happens when they don't always align. "The Poisonwood Bible for a new generation." —Elizabeth Musser, author of *The Long Highway Home* "I felt torn between two worlds. Each with its own mystery. One more captivating than the other, but the other more real and breathing." It took Lauren and her husband ten years to achieve their dream—reaching primitive tribes in remote regions of Nepal. But while Sam treks into the Himalayas for weeks at a time, finding passion and purpose in his work among the needy, Lauren and Ryan stay behind, their daily reality more taxing than inspiring. For them, what started as a calling begins to feel like the family's undoing. At the peak of her isolation and disillusion, a friend from Lauren's past enters her life again. But as her communication with Aidan intensifies, so does the tension of coping with the present while reengaging with the past. It's thirteen-year-old Ryan who most keenly bears the brunt of her distraction. Intimate and bold, *Of Stillness and Storm* weaves profound dilemmas into a tale of troubled love and honorable intentions gone awry. "In this fine novel, Phoenix realistically captures the deep struggles enveloping a missionary family." —Publishers Weekly

Hacking Reality - Rob Nelson 2019-04

Are there repeating negative patterns in your life that you can see but can't seem to step out of? Does negative self-talk keep you feeling bad about yourself? Do you sabotage relationships, health or financial success and don't know how to stop? Find out how an accidental discovery called EFT 'tapping' can set you free, even if you've been struggling for years. Rob Nelson has helped hundreds of clients and students, from all walks of life, experience profound life changes very quickly. In a humorous, conversational style, he shares the empowering tools, mindsets, and cutting-edge science to transform your own life in ways you might not have believed possible. - Enjoy a new relationship with your body & health - Finally let go of self-deprecation & truly love yourself - Stop reenacting childhood trauma in your relationships - Reprogram your subconscious mind for real success - Open up to a more meaningful & joyful life Most self-help books offer sensible advice for improving yourself. You just need a better adjustment to reality - a more positive attitude, better habits, more discipline. To hell with that! How about we shift your reality instead? Learn how to swap out perceptual filters, tweak your Operating System, shed stuck old emotions and beliefs, and stop being hijacked by the drama and trauma of the past. This book will help you step into a more satisfying and authentic new reality.

What We Talk About When We Talk About Rape - Sohaila Abdulali 2018-10-25

Thoughtful, provocative and intelligent, this game-changing book looks at sexual assault and the global discourse on rape from the viewpoint of a survivor, writer, counsellor and activist. Sohaila Abdulali was the first Indian rape survivor to speak out about her experience. Gang-raped as a teenager in Mumbai and indignant at the deafening silence on the issue in India, she wrote an article for a women's magazine questioning how we perceive rape and rape victims. Thirty years later she saw the story go viral in the wake of the fatal 2012 Delhi rape and the global outcry that followed. Drawing on three decades of grappling with the issue personally and professionally, and on her work with hundreds of other survivors, she explores what we think about rape and what we say. She also explores what we don't say, and asks pertinent questions about who gets raped and who rapes, about consent and desire, about redemption and revenge, and about how we raise our sons. Most importantly, she asks: does rape always have to be a life-defining event, or is it possible to recover joy?

Rabbit Redux - John Updike 2006-06

In 1969, the times are changing in America. Things just aren't as simple as they used to be for Rabbit Angstrom. His wife leaves him, and suddenly, into his confused life comes Jill, a runaway who becomes his lover. But when she invites her friend to stay, a young black radical named Skeeter, the pair's fragile

harmony soon begins to fail.

John Holmes: A Life Measured in Inches (NEW 2nd EDITION) - Jennifer Sugar

Most people might, understandably, predict that the world's first porn star was a woman, but they would be wrong. John Curtis Holmes was just a simple country boy from Ohio when he moved to California in 1964. It was the infancy of hardcore, so in Holmes' wildest dreams, he could not have predicted the turbulent ride on which he had embarked by publicizing his private parts. With the fame he achieved by playing his most famous character - a gun toting detective named Johnny Wadd - came money. Holmes was pleased to spend it on his wife and mistresses, but soon was in over his head after he became addicted to cocaine. Unfortunately for Holmes, in the years that followed, his addiction led him into several desperate choices - including setting up a robbery at the home of Ed Nash, a powerful L.A. nightclub owner. The robbery resulted in one of the most gruesome, unsolved, multiple-murders in Hollywood history. Amazingly, before his untimely death in 1988, Holmes regained his momentum, remarried and rebuilt his life and career. However, the grave consequences of his addiction, his association with the Wonderland murders, and his AIDS-related death made him an infamous figure in pop culture. Digging past the stigmas, *John Holmes: A Life Measured in Inches* - the first biography about John C. Holmes - unearths the human being behind the penis and proves that there was more to him than could be measured in inches. This biography includes material from the authors' new interviews with: Laurie Holmes, Bill Amerson, Bob Chinn, Julia St. Vincent, Detective Tom Lange, Detective Frank Tomlinson, Paul Thomas, Ron Jeremy, Seka, Marilyn Chambers, Candida Royalle, Rhonda Jo Petty, Dr. Sharon Mitchell, Bill Margold, and many others! *John Holmes: A Life Measured in Inches* also includes 114 reviews of John's most notable feature films, 86 loops synopses, 3 photos sections with rare nudes, and a 21 page comprehensive filmography. "The tree of life represents the roots of man. The branches are the different directions a man can take, live or exist. When you're dead, those that you leave behind will put you in a part of that tree. It represents what was, what is and what will be. It's eternal." -- John Holmes

Sexual Healing - Jill Nelson 2003

Two successful African-American professionals, after discussing their unsatisfying sex lives, decide to open a "full-service" spa geared to satisfy, but find much resistance from the community and religious groups.

Cake A Love Story - J. Bengtsson 2022-05-14

Romance centered on a college student and a rock star. She helps him heal from a childhood kidnapping.

Ebony - 2003-08

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

More Than We Remember - Christina Suzann Nelson 2020-05-13

After a life-altering car accident, one night changes everything for three women. As their lives intersect, they can no longer dwell in the memory of who they've been. Can they rise from the wreck of the worst moments of their lives to become who they were meant to be?

Volunteer Slavery - Jill Nelson 1994

A noted Black woman journalist recounts her experiences as an outsider in the newsroom of the Washington Post in the late 1980s.

A Midsummer-night's Dream - William Shakespeare 1874

Hung - Scott Poulson-Bryant 2011-02-23

A brilliant look at the pervasive belief that African American men are prodigiously endowed, from the author's own experiences to sharp analysis of how black male sexuality is expressed in art, literature, media, sports, and pornography "Scott really goes there, talking honestly and telling secrets about the

black phallus and its, uh, massive impact on America.” —Touré “Hung” is a double entendre, referring not only to penis size but to the fact that black men were once literally hung from trees, often for their perceived sexual prowess and the supposed risk it posed to white women. As a poignant reminder, Scott Poulson-Bryant begins his book with a letter to Emmett Till, the teenager who was lynched in Mississippi in the mid-1950s for whistling at a white woman. For Poulson-Bryant and other men of his generation, society’s deep-seated obsession with the sexual powers of black men has had an enormous, if often deceptive, influence on how they perceive themselves and on the assumptions made by others. His tales of his sexual encounters with both sexes, along with anecdotes about the lives of various friends and colleagues, are wryly and at times shockingly revealing. Enduring racial perceptions have shaped popular culture as well, and Poulson-Bryant offers a thorough, thought-provoking look at media-created images of the “Well-Hung Black Male.” He deftly deconstructs movies like *Mandingo* and *Shaft*, articles in the popular press, and edgy works like Robert Mapplethorpe’s *Black Book*, while also providing distinctive profiles of icons like porn star Lexington Steele and rapper L.L. Cool J. A mixture of memoir and cultural commentary, *Hung* is the first book to take on phallic fixation and uncover what lies below.

Asphalt - Carl Hancock Rux 2010-06-15

Already a celebrated performance artist, vocalist, poet, playwright, and visionary, Carl Hancock Rux now presents a brilliant debut novel—a profound and lyrical portrait of urban life that will take its place among the classics of American literature. Racine is a reserved young man, but his passion for music lights him up inside. He's just returned from Paris where he'd been invited by a friend to produce music, make recordings, and earn a living. The plan didn't quite pan out, and now he's back in New York, where fate, providence, or just plain chance leads him to a once-glorious brownstone turned into a squat by a few eccentric loners. There's Manny, who wears sarongs and glitter but has no trouble attracting beautiful women, and Couchette, a gorgeous second-generation dancer whose mother has gone to Bali to live and bear a child with a man who built her a house in the midst of a rice paddy. What binds the characters is a deep sense of loss. Each is—like the city they live in—wounded and seeking healing and connection with and through the other housemates. Rux's poetic fiction blurs the lines between characters' dreams, memory, and reality. *Asphalt*—the name representing the essence of the city and the hard, layered, yet vulnerable sensibility of its inhabitants—is part post-modern parable, part urban mythology, and altogether relevant to contemporary reality. *Asphalt* is daring and unforgettable, marking the arrival of an original and astounding new voice in American literature.

The Case for Marriage - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book’s findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced— physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. “A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical.” -- William J. Bennett, author of *The Book of Virtues* “Makes the absolutely critical point that marriage has been misrepresented and misunderstood.” -- The Wall Street Journal www.broadwaybooks.com

Naked - Ayana Byrd 2005-08-02

Provocative essays on body image by black women. Candid, witty, and insightful, *Naked* is a compelling collection of essays that captures what today's black women think about their bodies—from head to toe. Tackling such issues as hair texture, skin color, weight, and sexuality, it follows women on their paths to acceptance—and enjoyment—of their unique features...to a place where it doesn't matter how big the breasts or how long the legs, only what is in the heart. Includes contributions from women of all ages and walks of life, including such notables as: - Iyanla Vanzant - Jill Scott - Kelis - Tracee Ellis Ross - Jill Nelson - Hilda Hutcherson - asha bandele - Melyssa Ford Edited by Ayana Byrd and Akiba Solomon Foreword by Sonia Sanchez

Stealing Coal - Laurann Dohner 2016-11-22

Jill has learned the hard way that men can't be trusted and sex only causes pain. In the lawlessness of space, women are a sexual commodity—to be used and abused. She's doing a man's job, with only her father's brutal reputation and three androids to help keep her alive when she sees a massive, handsome cyborg chained to a freight table. The abusive crew plans to sell him to fight in gruesome death matches. It's stupid, it's insane, but Jill can't leave him to such a horrible fate. Coal has survived being a captive breeding slave and irreversible damage to his cyborg implants, but his honor is still intact. He's grateful Jill saved him and he'll repay her the only way he can. He'll fix her—with his mouth, his hands and his body. He can teach the little human just how much pleasure she's capable of feeling.

Finding Martha's Vineyard - Jill Nelson 2005

A portrait of the thriving African-American community on the island of Martha's Vineyard describes the various groups who settled in Oak Bluffs, including vacationing families, local domestics, and multi-generational professionals.

Straight, No Chaser - Jill Nelson 1999

The author of the acclaimed bestseller "Volunteer Slavery" bluntly addresses the needs of the "two most loathed groups in America"—blacks and females.

Child Survival - Nancy Scheper-Hughes 2012-12-06

of older children, adults, and the family unit as a whole. These moral evaluations are, in turn, influenced by such external contingencies as population demography, social and economic factors, subsistence strategies, household composition, and by cultural ideas concerning the nature of infancy and childhood, definitions of personhood, and beliefs about the soul and its immortality. *MOTHER LOVE AND CHILD DEATH* Of all the many factors that endanger the lives of young children, by far the most difficult to examine with any degree of dispassionate objectivity is the quality of parenting. Historians and social scientists, no less than the public at large, are influenced by old cultural myths about childhood innocence and mother love as well as their opposites. The terrible power and significance attributed to maternal behavior (in particular) is a commonsense perception based on the observation that the human infant (specialized as it is for prematurity and prolonged dependency) simply cannot survive for very long without considerable maternal love and care. The infant's life depends, to a very great extent, on the good will of others, but most especially, of course, that of the mother. Consequently, it has been the fate of mothers throughout history to appear in strange and distorted forms. They may appear as larger than life or as invisible; as all-powerful and destructive; or as helpless and angelic. Myths of the maternal instinct compete, historically, with myths of a universal infanticidal impulse.

Let's Get It On - Jill Nelson 2010-05-25

After opening a wildly successful "full-service spa" in Reno that caters to professional women (which turned the world's oldest profession on its head), Lydia Beaucoup and her friends Acey Allen and LaShaWanda P. Marshall decide to grow their business—with a new spa on a boat moored off the shore at Martha's Vineyard. In this unique haven for pampering, in addition to massage and reflexology, clients can purchase fabulous, multi-orgasmic safe sex from men specifically trained to please women. But selling sex is never easy—and insatiable clients, mob extortion, and a repressive federal government are just a few of the problems threatening to take down A Sister's Spa. Smart, sizzling, and wickedly funny, *Let's Get It On* is an outrageous tale of pushing traditional envelopes in pursuit of empowerment—and a witty, forthright look at what women really want.
