

Sexual Secrets Twentieth Anniversary Alchemy

The Kama Sutra - Vatsyayana 2022-12-26

One of the best English translations of this ancient Indian treatise on politics, social mores, love, and intimacy are the Kama Sutra, which Mallanaga Vatsyayana wrote in the second century CE. Its clean presentation raised the bar for Sanskrit translation. The Kama Sutra is a unique combination of sexology, society, psychology. It has been hailed as a great work of Indian literature for more than 1,700 years and has served as a window for the West into the mysticism and culture of the East. The Kama Sutra, a prehistoric Indian literature, is regarded as the most important Sanskrit study of human sexuality. The Kama Sutra remains one of the most accessible and entertaining of all the ancient classics, having been written with frankness and unassuming simplicity. The Kama Sutra is so significant as a work of philosophy, psychology, sociology, theology, science, and sexology that it simultaneously had an impact on Indian civilization and remained a crucial component in understanding it.

The Sexual Teachings of the White Tigress - Hsi Lai 2001-08-01

- Reveals how the sexual practices of the White Tigress can preserve and restore a woman's physical youthfulness and mental energy.
- The first modern guide to White Tigress techniques, the only sexual teachings exclusively for women.
- Reveals for the first time in English the hidden teachings of immortal Hsi Wang Mu, a White Tigress from 3,000 years ago.
- Provides Western medical correlations to substantiate White Tigress practices. White Tigress women undertake disciplined sexual and spiritual practices to maintain their beauty and youthfulness, realize their full feminine potential, and achieve immortality. Revealed here for the first time in English are the secrets of the White Tigress that have all but disappeared from the world. Under the guidance of Madame Lin, the matriarch of a distinguished White Tigress lineage still in existence in Taiwan, Hsi Lai was given the privilege to study these practices and record them from a modern perspective so they will be forever preserved. The vast majority of Taoist texts on alchemy, meditation, and sexuality are directed at male practitioners. The Sexual Teachings of the White Tigress presents traditions that focus on women, traditions that stem from a long line of courtesans and female Taoists. Translations of the ancient teachings from a rare White Tigress manual dating back 3,000 years explain the sexual and spiritual refinement of ching (sexual energy), chi (vital energy), and shen (consciousness)--the Three Treasures of Taoism--the secret to unlocking eternal youthfulness and immortality.

How to Manage Your DICK (Destructive Impulses Through Cyber Kinetics) - Sean Joseph O'Reilly 2001

Our society emphasizes concepts like time and resource management, but for the most part ignores one very important kind of management: D.I.C.K. Management. An ecology of personal-energy use that studies destructive, testosterone-driven impulses from the perspective of metaphysics and science, D.I.C.K. Management is a new discipline that will teach readers how to redirect sexual energy and discover their more spiritually enlightened, mentally evolved selves.

Taoist Secrets of Love - Mantak Chia 1984

ented here make the process of linking sexual energy and transcendent states of consciousness accessible to the reader.

Sexual Energy Ecstasy - David Alan Ramsdale 1991

A Joy of Sex for the New Age, this treasury of Eastern and Western sexual secrets will help couples enjoy the best physical and spiritual relationship possible. Contains Tantric and Taoist techniques of sacred sexuality, guided meditation passages, and tasteful drawings by Allan Parker.

Hermes Explains - Peter Forshaw 2019-05-28

Few fields of academic research are surrounded by so many misunderstandings and misconceptions as the study of Western esotericism. For twenty years now, the Centre for History of Hermetic Philosophy and Related Currents (University of Amsterdam) has been at the forefront of international scholarship in this

domain. This anniversary volume seeks to make the modern study of Western esotericism more widely known beyond specialist circles, while addressing a range of misconceptions, biases, and prejudices that still tend to surround it. Thirty major scholars in the field respond to questions about a wide range of unfamiliar ideas, traditions, practices, problems, and personalities that are central to the field. By challenging many taken-for-granted assumptions about religion, science, philosophy, and the arts, this volume demonstrates why the modern study of esotericism leads us to reconsider much that we thought we knew about the story of Western culture.

Secrets of Sexual Ecstasy - Carlo De Paoli 1996-10-31

Secrets of Sexual Ecstasy introduces readers to Eastern secrets of sexual ecstasy - secrets which hold keys to reaching new heights of erotic pleasure, and to enhancing relationships emotionally, spiritually and psychologically. The book contains explicit instructions in the art of love, as revealed in ancient Indian and Chinese texts of Tantric and Taoist philosophy. Eastern erotic exercises are modified for a Western audience; they are easy to follow, simple, and entirely safe. Modern couples juggling family responsibilities, demanding careers and busy social lives face growing challenges to their relationships. Communication often seems difficult, minor misunderstandings easily turn into major problems. The gentle paths of sexual healing described in this book will help couples ease their difficulties and move closer through touch and tenderness.

Not in His Image (15th Anniversary Edition) - John Lamb Lash 2021-09-22

“Lash is capable of explaining the mind-bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight. . . . [His] arguments are often lively and entertaining.”—Los Angeles Times Fully revised and with a new preface by the author, this timely update is perfect for readers of The Immortality Key. Since its initial release to wide acclaim in 2006, Not in His Image has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed, illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed. With clarity, author John Lamb Lash explains how a little-known messianic sect propelled itself into a dominant world power, systematically wiping out the great Gnostic spiritual teachers, the Druid priests, and the shamanistic healers of Europe and North Africa. Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth-tellers and keep their own secrets. Not in His Image delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history, exploring the richness of the ancient European Pagan spirituality—the Pagan Mysteries, the Great Goddess, Gnosis, the myths of Sophia and Gaia. In the 15th Anniversary Edition, Lash doubles down on his original argument against redemptive ideology and authoritarian deceit. He shows how the Gnostics clearly foresaw the current program of salvation by syringe, and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism, making this well-timed update more relevant than ever. “Sometimes a book changes the world. Not in His Image is such a book. It is clear, stimulating, well-researched, and sure to outrage the experts. . . . Get it. Improve not just your own life, but civilization’s chances for survival.”—Roger Payne, author of Among Whales

The Second Self - Sherry Turkle 1984

In The Second Self, Sherry Turkle looks at the computer not as a "tool," but as part of our social and psychological lives; she looks beyond how we use computer games and spreadsheets to explore how the computer affects our awareness of ourselves, of one another, and of our relationship with the world. "Technology," she writes, "catalyzes changes not only in what we do but in how we think." First published in 1984, The Second Self is still essential reading as a primer in the psychology of computation. This twentieth anniversary edition allows us to reconsider two decades of computer culture-to (re)experience what was and is most novel in our new media culture and to view our own contemporary relationship with

technology with fresh eyes. Turkle frames this classic work with a new introduction, a new epilogue, and extensive notes added to the original text. Turkle talks to children, college students, engineers, AI scientists, hackers, and personal computer owners—people confronting machines that seem to think and at the same time suggest a new way for us to think about human thought, emotion, memory, and understanding. Her interviews reveal that we experience computers as being on the border between inanimate and animate, as both an extension of the self and part of the external world. Their special place between traditional categories is part of what makes them compelling and evocative. In the introduction to this edition, Turkle quotes a PDA user as saying, "When my Palm crashed, it was like a death. I thought I had lost my mind." Why we think of the workings of a machine in psychological terms—how this happens, and what it means for all of us—is the ever more timely subject of *The Second Self*. Book jacket.

The Path of the Mystic Lover - Bhaskar Bhattacharyya 1993-03

Carrying on the living tradition of mystic minstrels, the Bauls roam the countryside of eastern India enacting the spiritual love dalliance of Radha and Krishna through songs and dances. *The Path of the Mystic Lover* explores the Bauls' lifestyle and philosophy, describing their sexual and ritual practices as well as their sacred teachings.

Conscious Conception - Jeannine Parvati Baker 1986

In an age when modern reproductive technology is moving at a rapid and alarming rate, *Conscious Conception* is an alternative exploration into understanding personal fertility, as well as a comprehensive guide to discovering newfound meaning in our sexuality. Combining knowledge of myth and culture, authors Jeannine Parvati Baker and Frederick Baker offer a step-by-step manual of fertility awareness, depth psychology, and psychic birth control and interweave the five elements—Earth, Water, Fire, Air, and Ether—as tools for discovery in the face of reproductive challenges. Including numerous contributions from experts in the field, the book investigates a broad range of topics, from the causes of infertility to the spiritualization of sexuality. *Conscious Conception* urges us to see all of the possibilities in life's plan of continuation and to seek a clearer communion with our own reproductive experience. Over 20,000 copies sold.

Hush - Nicole Braddock Bromley 2008-09-01

Childhood sexual abuse is running rampant, yet it's the best-kept secret in our nation today. Its victims grow into adulthood with their little child's heart trapped in the pain and torment of their past. Nicole Braddock Bromley shares her own story and the steps to moving from silence to healing. *Hush* exposes the harsh realities of childhood abuse, explains the pain it causes, examines the false beliefs it creates, and empowers survivors to begin a personal journey toward healing by breaking the silence. With words of understanding and comfort, Nicole tells the real-life stories of those whose voices would otherwise never be heard. She is straightforward enough to pierce the hearts of those in a survivor's circle of influence, yet careful to tread lightly on what could be tender words.

Sexual Secrets - Nik Douglas 1989

"*Sexual Secrets*" is the definitive and all-encompassing guide to sex and mysticism. No book of this magnitude has ever appeared on the subject. The distillation of more than two thousand years of practical techniques for enhancing sexual awareness and achieving the transcendental experience of unity, "*Sexual Secrets*" explores the path of love and mysticism, making accessible for the first time the sexual mysteries of the East.

The Coiled Serpent - C. J. Van Vliet 2013-10

This is a new release of the original 1939 edition.

The Great Work of the Flesh - Sarane Alexandrian 2015-01-30

An inside look at sex magic in Eastern and Western Mystery traditions • Details the sex magic practices of P. B. Randolph, Aleister Crowley, Austin Osman Spare, Julius Evola, and Maria de Naglowska • Includes a complete overview of love magic in the Middle Ages, with accounts of the use of potions, powders, spells, and enchantments • Explores sex magic techniques of the East, including Taoist sexual alchemy Magic, almost in its entirety, is connected to sexuality. It is through the natural magic of love that sex magic operates, harnessing the forces that join lovers together. In this extensive study of sex magic in the Eastern

and Western Mystery traditions, Sarane Alexandrian explains how there is a sex magic connected with every religion, spiritual belief system, and initiatory society. Exploring sexual practices in folk magic, high magic, alchemy, and religion, the author begins with a complete overview of love magic in the Middle Ages, including accounts of the use of potions, powders, spells, and enchantments, and he reveals how these techniques related to the religious practices of the time. He introduces the Taoist sexual alchemy practices of Mantak Chia, the secret tantric practices of the Tibetan bongs, sexual shiatsu, and a Vietnamese practice called "mouth moxa." Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph's white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the radiant powers of color, number, scents, and physical movements, which intensify the activity of the human bioelectric field. Alexandrian also details the tantra practices of Margot Anand, the sexual rituals of Wicca, and magical "sex aids," including talismans and jewels. Providing complete practical information, the author explains how, through sex magic, a couple can extract from each other what they are missing by way of virility and femininity, multiplying their energies tenfold and merging the carnal and spiritual worlds to experience transcendent adventures in the deepest depths of reality.

Sheet Music - Kevin Leman 2010-09-28

For married couples and those engaged to be married, *Sheet Music* is a practical guide to sex according to God's plan. In his characteristic style, Kevin Leman addresses a wide spectrum of people, from those with no sexual experiences to those with past sexual problems or even abuse. Using frank descriptions, this book has a warm and friendly tone that will help couples overcome awkwardness in discussing an issue important to all married couples.

The Lost Apothecary - Sarah Penner 2021-03-02

INSTANT NEW YORK TIMES BESTSELLER Named Most Anticipated of 2021 by Newsweek, Good Housekeeping, Hello! magazine, Oprah.com, Bustle, Popsugar, Betches, Sweet July, and GoodReads! March 2021 Indie Next Pick and #1 LibraryReads Pick "A bold, edgy, accomplished debut!" —Kate Quinn, New York Times bestselling author of *The Alice Network* A forgotten history. A secret network of women. A legacy of poison and revenge. Welcome to *The Lost Apothecary*... Hidden in the depths of eighteenth-century London, a secret apothecary shop caters to an unusual kind of clientele. Women across the city whisper of a mysterious figure named Nella who sells well-disguised poisons to use against the oppressive men in their lives. But the apothecary's fate is jeopardized when her newest patron, a precocious twelve-year-old, makes a fatal mistake, sparking a string of consequences that echo through the centuries. Meanwhile in present-day London, aspiring historian Caroline Parcellwell spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's in a stunning twist of fate—and not everyone will survive. With crackling suspense, unforgettable characters and searing insight, *The Lost Apothecary* is a subversive and intoxicating debut novel of secrets, vengeance and the remarkable ways women can save each other despite the barrier of time. Don't miss *THE LONDON SÉANCE SOCIETY!* Sarah's next spellbinding book about truth, illusion and the grave risks women will take to avenge the ones they love.

Lipstick Traces - Greil Marcus 2009-11-30

This is a secret history of modern times, told by way of what conventional history tries to exclude. *Lipstick Traces* tells a story as disruptive and compelling as the century itself.

Alchemy - H Stanley Redgrove 2019-07-08

The theory of the origin of Alchemy put forward in Chapter I has led to considerable discussion; but whilst this theory has met with general acceptance, some of its earlier critics took it as implying far more than is actually the case. As a result of further research my conviction of its truth has become more fully confirmed, and in my recent work entitled *Bygone Beliefs*, under the title of "The Quest of the Philosopher's Stone," I have found it possible to adduce further evidence in this connection. At the same time, whilst I became increasingly convinced that the main alchemistic hypotheses were drawn from the domain of

mystical theology and applied to physics and chemistry by way of analogy, it also became evident to me that the crude physiology of bygone ages and remnants of the old phallic faith formed a further and subsidiary source of alchemistic theory. I have barely, if at all, touched on this matter in the present work; the reader who is interested will find it dealt with in some detail in "The Phallic Element in Alchemical Doctrine" in my Bygone Beliefs.

Sexual Secrets: Twentieth Anniversary Edition - Nik Douglas 1999-12-01

- The #1 guide to sex and mysticism, redesigned in full color for the new millennium.
- More than 600 illustrations of the erotic sentiment, 199 in full color.
- More than 1 million copies sold with translations in 19 languages.
- Combines the wisdom of the great Eastern sages with images from the West to present a celebration of creative sexuality. Sexual Secrets is the definitive guide to sex and mysticism, revealing the

wisdom of the sages of India, Nepal, Tibet, China, and Japan whose teachings on sexuality unveil how physical love can be the pathway to spiritual liberation. Containing more than 600 illustrations--the most comprehensive collection of images expressing the erotic sentiment--and with more than one million copies sold in more than 19 languages, Sexual Secrets unlocks for everyone the experience of ecstasy once sealed in the ancient texts and art of the East. In celebration of its 20th year in print, Sexual Secrets has been completely revised and redesigned and includes 199 color illustrations to complement Penny Slinger's unsurpassed black-and-white illustrations, which evoke all the major cultures of the East. Working from contemporary models and from ancient pieces originally commissioned by kings and emperors, Slinger blends images of the West with the sentiments of the East to further enhance the experience of the text and to help in the transmission of the secrets--a celebration of creative sexuality.
