Fatherless Daughters - Pamela Thomas 2009-08-18

Thomas offers a moving, elegantly written book about what it means to lose a father to death or divorce, with advice for fatherless daughters on how to cope.

[Latter-day Screens - Brenda R. Weber 2019-09-13](#)

From Sister Wives and Big Love to The Book of Mormon on Broadway, Mormons and Mormonism are pervasive throughout American popular media. In Latter-day Screens, Brenda R. Weber argues that mediated Mormonism contests and reconfigures collective notions of gender, sexuality, race, spirituality, capitalism, justice, and individualism. Focusing on Mormonism as both a meme and an analytic, Weber analyzes a wide range of contemporary media produced by those within and those outside of the mainstream and fundamentalist Mormon churches, from reality television to feature films, from blogs to YouTube videos, and from novels to memoirs by people who struggle to find agency and personhood in the shadow of the church's teachings. The broad archive of mediated Mormonism contains socially conservative values, often expressed through neoliberal strategies tied to egalitarianism, meritocracy, and self-actualization, but it also offers a

passionate voice of contrast on behalf of plurality and inclusion. In this, mediated Mormonism and the conversations on social justice that it fosters create the pathway toward an inclusive, feminist-friendly, and queer-positive future for a broader culture that uses Mormonism as a gauge to calibrate its own values.

Elite Tennis - Svetoslav S Elenkov 2017-05-16

If you seek to achieve the very best in the sport of tennis you'll find in Elite Tennis the most important lessons, tips, and perspective that a player will need on that journey. The passion to endure And personal anecdotes: 'Lessons from the Tour'.
The Peaceful Wife - April Cassidy 2016-01-27

"This book walks each of us through the reality checks we need in order to have the marriage we want!" —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.

Why Black Men Love White Women - Rajen Persaud 2009-03-03

A provocative, candid study of the romantic relationships between white women and black men offers a psychological explanation for the phenomenon, as well as analyzing the influence of the entertainment industry, exposing stereotypes, and assessing the global implications of black and white relationships.

Paperback Dreams - Rahul Saini 2013-12-15

How low will you stoop to fulfil your dreams? Jeet Roy, a college Casanova, has published a book by unfair means. All he wants is to earn loads of money and have hot girls chase after him wherever he goes! Rohit Sehdev, a one-book-old popular fiction writer is furious when he finds out that his publisher has cheated him out of his royalties. Karun Ahuja is a highly ambitious schoolboy who wants to win the heart his lady love by writing a novel about it. And he doesn't mind playing dirty to get to the top. Ruthlessly exploiting these ambitious young men is their

unscrupulous publisher. Sometimes funny, sometimes shocking, *Paperback Dreams* is the story of a new breed of young writers who will do anything to get famous, fast.

Social Psychology - Karen A. Hegtvedt 2017-07-12

Social Psychology takes a sociological approach to the study of the individual in relationship to society. Its main purpose is to highlight how social psychology provides varied, yet inter-related, explanations for individuals' experiences in groups. The text tells the story of how these dynamics unfold, beginning with the central social characteristics of the individual, to processes of perception and of interaction. In the telling of this story, it also notes some of the interesting cross-cultural comparisons in regard to these dynamics.

Undercover Sex Signals - Leil Lowndes 2006

Leil Lowndes offers a new way to look at male-female communication offering straightforward advice in a relaxed no-nonsense style on how to recognise and read the 26 most common female sex signals. Bestselling author and communications expert Leil Lowndes literally shows men what sex signals to look for with dozens of photos that illustrate women's non-verbal body language. Full of foolproof dating advice on everything from the best activity for a first date to how a guy should dress to impress, *Undercover Sex Signals* can help even the most clueless men to dating success.

[Unlock Her Legs](#) - Dominic Mann 2017-03-16

Want to become the type of man women go weak at the knees for? Want to be able to ignite primal attraction? If you would like to become the type of man women find irresistible... and do it even if you're currently the "nice guy" who always gets put in the friend zone... then this book will show you how. How will you learn to *Unlock Her Legs*? The #1 worst mistake most guys make with women. It instantly kills attraction and makes women see you as sexually repulsive. (Hint: It's way more common than you might think.) Why women love jerks. (And how you can get laid like a bad boy... without being a complete asshole.) The type of men women have evolved to find irresistible, and how you can use this to trigger instinctive attraction Why you should do less for women and kill

your inner nice guy execution style How to get physical and take her to bed with ease How to weaponize flirting to create intense sexual tension. (Even if you're currently the world's clumsiest flirt.) Why you should tell her she looks fat in that dress And much, much more! To unlock her attraction... and her legs, click the BUY button at the top of this page.

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

Is There Anything Good About Men? - Roy F. Baumeister 2010-08-12

Have men really been engaged in a centuries-old conspiracy to exploit and oppress women? Have the essential differences between men and women really been erased? Have men now become unnecessary? Are they good for anything at all? In *Is There Anything Good About Men?*, Roy Baumeister offers provocative answers to these and many other questions about the current state of manhood in America. Baumeister argues that relations between men and women are now and have always been more cooperative than antagonistic, that men and women are different in basic ways, and that successful cultures capitalize on these differences to outperform rival cultures. Amongst our ancestors---as with many other species---only the alpha males were able to reproduce, leading them to take more risks and to exhibit more aggressive and protective behaviors than women, whose evolutionary strategies required a different set of behaviors. Whereas women favor and excel at one-to-one intimate relationships, men compete with one another and build larger organizations and social networks from which culture grows.

But cultures in turn exploit men by insisting that their role is to achieve and produce, to provide for others, and if necessary to sacrifice themselves. Baumeister shows that while men have greatly benefited from the culture they have created, they have also suffered because of it. Men may dominate the upper echelons of business and politics, but far more men than women die in work-related accidents, are incarcerated, or are killed in battle--facts nearly always left out of current gender debates. Engagingly written, brilliantly argued, and based on evidence from a wide range of disciplines, *Is There Anything Good About Men?* offers a new and far more balanced view of gender relations.

Mastering Yourself, How To Align Your Life With Your True Calling & Reach Your Full Potential - Corey Wayne 2018-02-16

Dear Friend, This book teaches you the hidden secrets of self-reliance so you can reach your full potential and accomplish your grandest goals and dreams. It will help you to discover your true purpose and calling in life. How to get any job or career you want. How you can get the upper hand in any personal or professional negotiation. The ultimate time management strategy that will help you maximize the use of your time, enable you to focus on your core competencies and reach your goals in the quickest most efficient way possible. It will teach you success and problem solving mindsets and skillsets that will enable you to overcome any obstacle, challenge or setback. The secrets to health, vitality and unlimited energy that keeps you free from common colds, flu and illnesses so you can enjoy your life with exceptional mental clarity, focus and efficiency.

The Book of Pook - Pook 2018-03-19

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

How to Text a Girl - Chase Amante 2016

"One of the world's most vaunted dating experts shows you what to text, when to text it, and why... So you can get the dates and girlfriends you deserve..." --

The Art of the Text - Zac Miller

————— Finally! A Useful Guide on How to Text Girls
 ————— Hi, my name is Zac Miller, and in my book The Art of The Text, I go over everything when it comes to how to text a girl. When you are done reading this book, you will know the right words to text to girls and the right time to say it. Girls will feel a sense of urgency to reply to your texts. You will get more dates and less flakes. You will understand exactly what to text girls! Here's What You'll Learn In My Book: —————▼————— • Why texting is such a BIG DEAL in today's society and how it can make or break your chances with girls! • Use the equation on this page to GUARANTEE you won't ever get flaked on for a date again. • My 3-step system for texting girls that has been time tested and it WORKS. • I devote all of Chapter 3 to explaining the easiest ways to get a girl's number. • Learn how to build attraction with women and what your main focus of texting should be. • Should you use emoticons? • Don't be another guy making this very common mistake! • If a girl puts any of these items in her text messages, she's into you. • Violation of this rule will kill your chances with a girl faster than anything else. • Use this copy and paste line after you get a girl's number to introduce yourself. • The two MAIN reasons guys mess up with texting AND with girls in general. • Use any of these TWENTY NINE "copy and paste" example opener messages to start texting girls right away. • I've found doing this one thing is the best chance you have if a girl isn't responding to your text messages. • Flip a common technique girls use on guys and have her thinking about you all day. • A HUGE list of example nicknames you can assign to different girls you are texting. • The science of projecting messages into the future. • In chapter 6 I teach you how to ask girls on dates by giving you lines you can use via texts or on the phone. I don't leave you hanging either, I give you tons of great first date ideas and how to handle texts after the date. • And so much MORE!

————— As a complimentary bonus, only for book buyers,

you'll receive my special report titled Subconscious Attraction, which teaches you 3 techniques which attract women on a subconscious level.

This report is not available to the general public. —————
 If you'd like more dates with more girls, buy this book. If you want to stop wasting time on text conversations that go nowhere... then buy this book. What are you waiting for? Click the "Buy Now" button at the top of this page and get your copy of The Art of The Text Now!

Irresistible Attraction - Kevin Hogan 2000

Recent research indicates the following about the assumptions we all make about attractive people. We believe that attractive people are:* more successful * more intelligent * better adjusted * more socially skilled * more interesting * more poised * more exciting * more independent * more sexual * have a happier marriage * have more professional and social success * have more fulfilling lives "Irresistible Attraction is a fascinating book; it is fun, empowering and precise. It has a lot of useful tools for people seeking improvement and empowerment in their lives" Renee N. Sakr, BCHT,CI. www.GoldliteHypnosisInstitute.com This book reveals the following information for you:Are You Irresistible? Irresistible Ideals in Men and Women Attraction For the Rest of Us Can You Hear Your Body Talking? The Eyes Have It!! Initial Impressions Flirting Makes the World Go Around The Second Impression The Secrets of Charisma Positive Expression and Inner Magnetism Self Confidence and Self Esteem Secrets of Finding the Love and Experiencing the Intimacy You Deserve Dating Intimacy: Creating and Re-creating the Deep Bonds of Love Personal Magnetism in Intimate Relationships "How can you exude your inner charisma? Irresistible Attraction blends the art and science of attraction and flirting. This book is insightful and it is fun!" Jill Spiegel, author, Flirting for Success, and Flirting With Spirituality

How to Make Girls Chase - Chase Amante 2011-02-18

The Angry Therapist - John Kim 2017-04-18

Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new

approach, that he sometimes calls “self-help in a shot glass” is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let’s face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

The Unicorn Delusion - G. L. Lambert 2018-04-17

"This book will serve as that hard reset for you to scan through whenever you're feeling weak, being taken advantage of, or simply burnt the fuck out. This isn't a traditional book with chapters that build towards an ending. It's a collection of several thematically similar entries that focus on the much-needed goal of extinguishing your weak traits, your negative thoughts, and your debilitating fears so you can quickly regain your place of power in your Universe"--Page 1.

Talent is Overrated - Geoffrey Colvin 2008

Fortune magazine editor Geoff Colvin offers new evidence that top performers in any field are not determined by their inborn talents. Greatness, he argues, does not come from DNA but from practice and perseverance honed over decades. The key to this is how successful people practice, how the results of practice are analysed and how they learn from their mistakes. This new mindset will change the way reader's think about their jobs and careers, and will inspire them to achieve more in all they do.
