Since becoming a woman for this assignment, I'd discovered just how pleasurable being a sexy little minx could be, but nothing prepared me for the ecstasy I found in Oswald's bed. My new coworkers weren't about to let me go without saying goodbye though. Two of the hottest women I'd ever worked with made sure to stop in and give me a very intimate going away party. They satisfied cravings I never knew I'd had, and left me eager for our next encounter. Now, I was ready to dive into the inner workings of Oswald's company. Whatever it was he was hiding, I was going to find out. I was eager to succeed, and happy to utilize all of my newfound feminine charms on the hunk of a CEO if that's what it took. It's not enough that he loses the fight, he's going to have to deal with payback that's even more humiliating. Coming to her boyfriend's defense, Miranda is as devious as she is sexy, and she's got her own way of putting Jack in his place. Pretending to take his side, she says she's convinced her boyfriend to book him a free check-up for the bruise on his jaw. In the meantime, she's got pills that should keep down any swelling. Orlando Virginia Woolf 2023-12-29 *Orlando: A Biography*, is a fictional work published in 1928. Virginia Woolf was an English author, essayist, publisher, and writer of short stories, regarded as one of the foremost modernist literary figures of the twentieth century. During the interwar period. The novel is semi-biographical based and dedicated to Woolf's lover Vita Sackville-West. Well regarded for its impact on gender studies and the stylized approach in which it portrays women. The novel was conceived as a "writer's holiday" from more structured and demanding novels. Woolf allowed neither time nor gender to constrain her writing. The protagonist, Orlando, ages only thirty-six years and changes gender from man to woman. This pseudo-biography satirizes more traditional Victorian biographies that emphasize facts and truth in their subjects' lives. Although *Orlando* may have been intended to be a satire or a holiday, it touches on important issues of gender, self-knowledge, and truth with Virginia Woolf's signature poetic style.

[Gender Bending Investigations - Part 3 - The Magnate](#) Farleven 2018-09-13 Seducing men of power can be a tricky thing... I never expected undercover work to be quite so enjoyable. I also hadn't expected to be doing it as a petite brunette with a libido that never wanted to rest. Impressing my new coworkers hadn't been very difficult, and I was almost becoming addicted to the action in our

office's private meeting places. All in all, my mission was going well. Everything was lining up for me to meet my target, Patrick Oswald. This was the man who ruled over a newly minted technological empire, and it was my job as an agent to find out what nefarious things he was up to. Now, I had to employ all my new womanly charms to get in close so I could get to his private data. I had to admit that wasn't the only privates I was interested in. All I had to do was get into his pants and then into his files. (Transgender erotica, gender swap, gender bending, sex change)

When aspiring MMA fighter Devin is slipped a strange, experimental Russian drug by his arch-rival, the scheming and amoral Cain, he is shocked to discover his body has transformed into that of a beautiful young woman! With his professional fighting career suddenly put on hold, Devin conspires to get back at Cain in the only way he can think to: by giving him a taste of his own medicine! But first Devin must get close enough to do the deed - and if that means embracing the full breadth of his womanhood and seducing his hated rival... well, Devin's never been one to pull punches. But will the stirrings of Devin's new, wildly raging hormones prove too much for her new body to handle? And will she fall victim to the darkly handsome Cain's charms once and for all? This story contains erotic gender-bending, first-time encounters as a woman, masturbation, exploration, and an unpredictable drug that turns men into horny, beautiful women. Excerpt: I backed away from his kiss in surprise, but it only seemed to turn him on more. He slid his hand on to my leg, my bare inner thigh. I wanted to feel disgusted that he had his hands on me, to lash out at this arrogant jerk who dared to touch me, but the truth was that the touch of his fingers was met by a wave of pleasure that coursed unexpectedly through my veins. A simple touch had never felt so good before. It was like his fingers were electric. I let him slide further up my leg, savoring the delightful friction, as his breath became hot against my neck. It wasn't until I felt his hand brush against the edges of my thong that I snapped out of it. This was going too far. I remembered who this man was. The guy may have ruined my chance of turning my dream into a reality, and I was just going to melt under his touch? "What are you doing?" he asked. "You know you want me. Don't you want to know what it's like to roll with a professional?" I was horrified to admit that part of me agreed with him. I wanted to feel him wrapped around me, holding me down with those arms of his... just to see what it would be like, of

course. And it was hard to feel disgusted at myself for thinking that. Something about it just seemed natural... almost necessary. But then I snapped to my senses, pushing my way through the blurry, liquor-and-sex-fueled buzz. If it didn't transform him tonight, I might not get another chance. "I'm not that kind of girl." I insisted, but my voice sounded unsure...

Contains the previously published stories of Gender Bender Threesome, Gender Swap Tag Team and Gender Bender Mixup. Excerpt: My whole body spasmed, as if every muscle from toe to neck had been hit by an electric current. I thrashed in my chair, bucking wildly as a warming sensation hammered up from my stomach and out through my arms and legs. My hands clutched at the arms of the chair, my feet slammed down hard on the floor, and I let out a startled gasp as my whole body began to shake and vibrate. I heard my wife give a plaintive moan from beside me, and I manage to crane my neck with monumental effort, and watch as Tricia bucked and gyrated in her own chair. And she began to change. My eyes flew wide in shock and disbelief as my wife's body shifted before my gaze. Her hair shortened, changing color as it swept upward. Her arms thickened, the shirt she wore suddenly growing tight around heavy muscle that strained at the fabric. Her face shifted as her jaw squared. I swore I could hear bone popping and flesh slithering as her chest flattened. I opened my mouth to swear, to shout, to do anything, but all that came out was a low moan as my own body began to shift and swirl about me. I watched as my fingers and wrists narrowed, growing delicate and more defined. My chest swelled, pressing against the t-shirt I'd worn to the office as breasts grew within. Hair blossomed down along

my shoulders, fine and luxurious, bobbing in time with my body's thrashing. We both stopped writhing at almost the exact same moment, dropping back into our seats with heavy, panting breaths at the same time. My hands trembled as I held them up before my face. They were a woman's hands. Holy crap. Not entirely sure I wanted to, I turned to face my wife. A handsome man stared back at me with wide, frantic eyes, wearing my wife's clothes. "There we go," Christina said cheerfully, sliding from her desk. "Now we can start." "What did you do?" I said. My voice was sweet and melodious. I cut off, blinking in confusion. Oh, wow. That was crazy. "The best way to break through your blocks is to see things from the other side," the doctor said. "Experience sex as your polar opposite. With myself as your guide, of course."

underestimate the shy ones... In just two days as a pledge I'd gone from an average college guy to a sexed up girl. I'd never thought it could feel so good to be on the receiving end of things. I was really starting to look forward to the next challenge and see what kind of seduction the president of Tau Geta Delta would ask us to perform. The other pledges were helping me through as well. Their support and crazy confidence made it so much easier to enjoy being a coed. As much as she drove me crazy, Alex also pushed me into doing things that I'd never have done otherwise. So when we were told that our next goal was to seduce and bed another student, it was only natural that I'd follow her and her friends off to a club where she knew we could all score some cute guys. She wasn't wrong either. I learned a few things about my taste in men, and soon managed to snare a shy geeky guy for a wild night that neither of us would forget anytime soon! Gender Bending Investigations Part 1 Farleven 2018-06-27 This was the last assignment I expected... As an agency analyst I'd spent the last several years investigating the rise of Patrick Oswald from small timer to one of the richest and most powerful men on Earth. There was something rotten at the core of his success, and we'd already lost several agents trying to find it. What we needed was to get someone inside, deep inside, all the way to his inner sanctum, where his personal data could be accessed. That's where my assignment came in. They needed someone who knew all of his deals, and everything else about him, and after five years, I was the person. The only problem was, to get in that deep, they needed a woman, and since I wasn't one, they were going to make me a woman. A little nanotechnology went a long way, and I was soon on my way to being just the kind of brunette that Oswald swooned after. There was just one more thing I needed to do before starting my new mission. One night of wild passion to prove that I'd have what it takes to succeed.

The whole feminine side of the equation was new to me, but with the right man, I soon learned just how much I could enjoy this assignment. (Transgender erotica, gender swap, gender bending, sex change)

Gender Bending Investigations - Part 5 - Revelations Farleven 2018-09-18 I was in. I'd never have imagined myself as some kind of spy before, or that I'd be able to work my way into an organization so well. Just over a week ago, I'd been one of the agency's top analysts and a man. Now I was an attractive young woman who had succeeded in getting access to the inner workings of Patrick Oswald's corporate empire. Getting in was surprisingly easy, but the truly shocking thing was how good Oswald was in bed. I'd already come to know the full pleasures that came with being a woman, but there was something special about the way Oswald knew how to handle my new body. He could take me to the heights of ecstasy and keep me there, and I couldn't stop myself from enjoying every moment I spent with him. Despite my growing feelings for Oswald, I had a job to do. Now that I had access to all of his data, it was time to bring my investigation to a close. I had to discover what he was hiding, and finally confront my true feelings for him and my new feminine existence. Part 5 - Playing Girly An Erotic Transgender Transformation Adventure Sometimes all you need is a little girl time... If I thought pledging for the Tau Geta Delta fraternity wasn't crazy enough, waking up in bed with my best friend certainly set the notion in stone. The fact that I was naked, a girl and had just spent the last night intimately wrapped around him was enough to make me wonder just what I was doing. Still, it was just one more challenge to meet before I could become a Tau, and even though it was morning I wasn't about to let him go without another round. Now I just had to wonder about my next challenge. After learning all about being a girl and bedding plenty of guys, they decided to mix things up. All I had to do was find a nice girl for an evening of wild wantonness. Lucky for me, I knew a hot little woman from the Delta Kappa sorority that was more than happy to teach me about how much pleasure two hot ladies could share. Gender Bending Investigations - The Complete Bundle Farleven 2018-12-11 This was the last assignment I expected... As an agency analyst I'd spent the last several years investigating the rise of Patrick Oswald from small timer to one of the richest and most powerful men on Earth. There was

something rotten at the core of his success, and we'd already lost several agents trying to find it. What we needed was to get someone inside, deep inside, all the way to his inner sanctum, where his personal data could be accessed. That's where my assignment came in. They needed someone who knew all of his deals, and everything else about him, and after five years, I was the person. The only problem was, to get in that deep, they needed a woman, and since I wasn't one, they were going to make me a woman. A little nanotechnology went a long way, and I was soon on my way to being just the kind of brunette that Oswald swooned after. There was just one more thing I needed to do before starting my new mission. One night of wild passion to prove that I'd have what it takes to succeed. The whole feminine side of the equation was new to me, but with the right man, I soon learned just how much I could enjoy this assignment. This bundle is the complete story including: Part 1 Part 2 - The Roman Baths Part 3 - The Magnate Part 4 - Distractions and Discoveries Part 5 - Revelations *I Turned Into a Man! (Female to Male FTM Gender Swap)* Angelica Siren 2014-03-17 I reached down and grabbed it through my pants just to make sure it wasn't some trick of the light. I gasped as my fingers brushed against it, completely unused to the sensation that was suddenly rolling through my body. I slipped my thumbs into the sides of my pajama pants and slid them down to get a better look. Just as I had feared, there it was, pointing up at me as I laid on the bed. A night of fun with her roommate turns into a life-changing experience for Penny. She may have gone to bed a woman, but she discovers something very different waiting for her when she wakes up! The panic of the situation is quickly pushed aside by the new desires that are coursing through Penny's brand new male body. What begins with a little self-exploration quickly becomes an erotic experience that he'll never forget. When he decides to seek help from his roommate Georgia, she can't contain herself at the sight of the new hunk in the apartment. Will they resist the temptation or fall prey to their own

primal feelings of lust? This book contains depictions of explicit sexual content, including gender changing, masturbation, oral sex, intercourse and a lot of hot, confused feelings between two best friends. All characters are at least 18 years of age and all sex depicted is consensual.

New Beginnings Mystique Vixen Coming home from a shitty job, the last thing Fletcher wanted to deal with was a bitchy girlfriend. Kicked out and with no where to go, he turns to his friend and colleague, Damien, who invites him over and gives him a place to stay. But at a price. How could a small, yellow pill that looked so innocuous, be so life and gender-changing? Fletcher was about to find out. How would he react to being a man in a woman's body? Would Damien take her hard and without protection? Take a peek inside for a hot preview. This is one story you must read!

Gender Bending Investigations - Part 2 - The Roman Baths Farleven 2018-07-05 There's nothing quite like giving in to temptation... I thought that my new job was a simple cover, a way to get close to Patrick Oswald and allow him to seduce me so that I could infiltrate his home. What I didn't expect was in my years working deep inside the Agency, that the outside world had experienced a new sexual revolution. I'd barely been a woman for a week and now my coworkers wanted me to join them for a night of debauchery. Before I knew it, I stripped myself bare, put on a blindfold and braced myself for an experience in the raw depths of pleasure. I can hardly wait for it to begin.
