Bluebeard's Wife - Selena Kitt 2008-11-14

Tara's husband has never shared a fantasy with her, or even masturbated--that she knows of. However, this curious wife discovers a phone bill full of phone calls to sex lines and realizes her husband has been living a double life! Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. A quick psychology 101 diagnosis from Dr. Kelly marks John as having a classic "madonna/whore" complex, and she quickly sets about making plans to rectify this situation. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----EXCERPT:"Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine."You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering."I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both."I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access.He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt.He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers.Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat.He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.

The Collected Greene Shorts Volume 3 - Esmeralda Greene 2011-05-01

This volume contains seven sizzling hot short stories from erotica writer Esmeralda Greene. Previously released as ebooks, these stories are now available in paper. 1: "Office Mating" - David doesn't intend to cheat on his wife, but one day circumstances just get out of control in this sexy and comical tale of voyeurism, exhibitionism, crossed purposes and passionate, freewheeling lust. 2: "Milking Kimberly" - New mother Kimberly is horny, and she finds that her milk-filled breasts are a great help in seducing her best friend's husband Lyle. Lyle quickly learns that mother's milk isn't just for babies! 3: "Swallowing" - Donna

craves that most male of bodily fluids, and her stepson Andy is happy to feed her hunger. The energetic couple enjoy each other in a host of different ways, and Donna gets many a mouthful of the thick, gooey nectar she desires. 4: "Tied to the Scene" - A bad girl gets her comeuppance. Ashley has a plan to steal from her employer with the help of her boyfriend. But to make the feigned robbery scene realistic, she has to be tied up and abused... and abused... and abused... 5: "Pregnant Interlude" - The eroticism of pregnancy is the theme here. Michelle has a big tummy, and a sex drive to match. Her husband isn't taking care of her needs, but one day it seems that everyone else is eager to service the young mother-to-be! 6: "Teacher Fantasy" - The relationship between teacher and pupil gets kinky. The three connected tales begin with sexy high school teacher Ann being caned on her bare bottom--in front of a classroom full of students! And things only get stranger and sexier... 7: "Grocery Shopping" - Another light-hearted look at marital infidelity. Grocery shopping is a boring chore for our hero, until one day he meets up with a cute, funny, and irresistibly sexy fellow shopper. Who knew that cucumbers and frozen foods were such ideal tools for seductive banter? And as for the uses that soft-spread margarine can be put to...

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Sexuality, Health and Human Rights - Sonia Corrêa 2008-08-18

This new work surveys how rapid changes taking place at the start of the twenty-first century in social, cultural, political and economic domains impact on sexuality, health and human rights. The relationships between men, women and children are changing quickly, as are traditional family structures and gender norms. What were once viewed as private matters have become public, and an array of new social movements - transgender, intersex, sex worker, people living with HIV - have come into the open. The book is split into three sections: Global 'Sex' Wars - discusses the notion of sexualities, its political landscapes

internationally, and the return of religious fervour and extremism Epistemological Challenges and Research Agendas - examines modern 'scientific' understandings of sexuality, its history and the way in which AIDS has drawn attention to sexuality The Promises and Limits of Sexual Rights - discusses human rights approaches to sexuality, their strengths and limitations and new ways of imagining erotic justice Offering a unique framework for understanding this new world, set in the context of the major theoretical debates of recent decades, this book will be of interest to professionals, advocates and policy researchers and is suitable for a wide range of courses covering areas such as gender studies, human sexuality, public health and social policy.

King of Battle and Blood - Scarlett St. Clair 2021-11-30

An instant USA Today bestseller! From fan-favorite Scarlett St. Clair, the bestselling author of the Hades & Persephone series, comes a new fantasy filled with danger, darkness, and insatiable romance. Their union is his revenge. Isolde de Lara considers her wedding day to be her death day. To end a years-long war, she is to marry vampire king Adrian Aleksandr Vasiliev, and kill him. But her assassination attempt is thwarted, and Adrian threatens that if Isolde tries to kill him again, he will raise her as the undead. Faced with the possibility of becoming the thing she hates most, Isolde seeks other ways to defy him and survive the brutal vampire court. Except it isn't the court she fears most—it's Adrian. Despite their undeniable chemistry, she wonders why the king—fierce, savage, merciless—chose her as consort. The answer will shatter her world. Adrian X Isolde Series King of Battle and Blood Queen of Myth and Monster

As She's Told - Anneke Jacob 2008-12-01

Winner of the National Leather Association's 2008 Pauline Reage Novel Award. Erotic bdsm romance. The ideal D/s relationship for Anders and Maia is nothing less than total power exchange: no games, no negotiations, no safewords. When the two stumble onto each other in an on-line chat room, the fire of their offbeat sexual desires ignites and draws them together for an explosive sexual encounter. For Maia, Anders offers the kind of firm and unyielding dominant she has only dreamed of. For Anders, his new sub is as deliciously erotic as she is submissive to his will. During the first weeks of their relationship, Anders lays down rules for his new possession, while Maia gradually hands over her autonomy, slipping into the obedience that is basic to her nature. Anders explores, manipulates and experiments on both mind and body, all of which she laps up in a continuous state of terror and joy. This beautifully written story depicts a master/slave relationship that is extreme, loving, creative, steeped in imagination, but embedded in the real world. In this passionate, private sexual reality, the balance of power tips only one way.

Plugged In - Patti M. Valkenburg 2017-04-25

An illuminating study of the complex relationship between children and media in the digital age Now, as never before, young people are surrounded by media—thanks to the sophistication and portability of the technology that puts it literally in the palms of their hands. Drawing on data and empirical research that cross many fields and continents, authors Valkenburg and Piotrowski examine the role of media in the lives of children from birth through adolescence, addressing the complex issues of how media affect the young and what adults can do to encourage responsible use in an age of selfies, Twitter, Facebook, and Instagram. This important study looks at both the sunny and the dark side of media use by today's youth, including why and how their preferences change throughout childhood, whether digital gaming is harmful or helpful, the effects of placing tablets and smartphones in the hands of toddlers, the susceptibility of young people to online advertising, the legitimacy of parental concerns about media multitasking, and more.

Domme by Default - Tymber Dalton

[Siren Classic: Erotic Consensual BDSM Romance, pegging, sex toys, HEA] Kinky never looked so normal. When a wife is faced with the question of what she is willing to do for love, her answer is anything. She sets aside her own inhibitions to fulfill her husband's wildest fantasies. But at what cost to her peace of mind? What do you do when you've been appointed your husband's Domme by Default? Warning: This story includes erotic M/F BDSM sex and related activities including anal play/sex/toys, a home improvement-challenged husband, a snarky, sarcastic wife, and the portrayal of a kinder, gentler side of BDSM. Note: This book was previously published with another publisher. ** A Siren Erotic Romance *Delicate Freakn' Flower* - Eve Langlais 2011-07-07

Dammit, just how many toes was she going to have to stomp on before people realized she was a Delicate Freakn' Flower? Naomi doesn't want to follow tradition and settle down with a violence-loving, chest thumping shapeshifter. She grew up in a household with five, testosterone laden brothers where none of the dishes ever matched, the ugly-as-sin furniture could withstand any catastrophe, and where crazy glue was bought by the case. When fate-with a snicker-makes her meet not one, but two mates, Naomi digs her heels in and refuses to do what her wolf-and her body-demands. No way is she voluntarily allowing herself to get hitched to a pair of dumbass-totally hot and muscled-lacrosse players. Can Ethan, the towering Kodiak bear, and Javier, the sexy, tanned jaguar convince this she-wolf that life with them won't be all chaos? And can this delicate freakn' flower unbend her prejudices enough to recognize she needs a pair of men who can handle her thorns-and her passion? Author's Note: In this story, all the sexual focus is on her--with delicious results. Also be warned, large doses of sarcasm abound, so a sense of humor is required.

Damaged Goods - Lauren Gallagher 2018-08-28

Sexual Fluidity - Lisa M. Diamond 2008

Calls for new categories in sexual identity for women based on research that concludes that they tend to be attracted to the individual rather than gender and their sexuality fluctuates more than men, which stays fixed once established.

Entertainment Science - Thorsten Hennig-Thurau 2018-08-01

The entertainment industry has long been dominated by legendary screenwriter William Goldman's "Nobody-Knows-Anything" mantra, which argues that success is the result of managerial intuition and instinct. This book builds the case that combining such intuition with data analytics and rigorous scholarly knowledge provides a source of sustainable competitive advantage - the same recipe for success that is behind the rise of firms such as Netflix and Spotify, but has also fueled Disney's recent success. Unlocking a large repertoire of scientific studies by business scholars and entertainment economists, the authors identify essential factors, mechanisms, and methods that help a new entertainment product succeed. The book thus offers a timely alternative to "Nobody-Knows" decision-making in the digital era: while coupling a good idea with smart data analytics and entertainment theory cannot guarantee a hit, it systematically and substantially increases the probability of success in the entertainment industry. Entertainment Science is poised to inspire fresh new thinking among managers, students of entertainment, and scholars alike.

Thorsten Hennig-Thurau and Mark B. Houston - two of our finest scholars in the area of entertainment marketing - have produced a definitive research-based compendium that cuts across various branches of the arts to explain the phenomena that provide consumption experiences to capture the hearts and minds of audiences. Morris B. Holbrook, W. T. Dillard Professor Emeritus of Marketing, Columbia University Entertainment Science is a must-read for everyone working in the entertainment industry today, where the impact of digital and the use of big data can't be ignored anymore. Hennig-Thurau and Houston are the scientific frontrunners of knowledge that the industry urgently needs. Michael Kölmel, media entrepreneur and Honorary Professor of Media Economics at University of Leipzig Entertainment Science's winning combination of creativity, theory, and data analytics offers managers in the creative industries and beyond a novel, compelling, and comprehensive approach to support their decision-making. This ground-breaking book marks the dawn of a new Golden Age of fruitful conversation between entertainment scholars, managers, and artists. Allègre Hadida, Associate Professor in Strategy, University of Cambridge

Teach Me - Cassandra Dean 2021-09-08

From award-winning author Cassandra Dean comes a tale of passion and all-consuming love... Ever curious, Elizabeth, Viscountess Rocksley, has turned her curiosity to erotic pleasure. Three years a widow, she boldly employs the madame of a brothel for guidance but never had she expected her education to be conducted by a coldly handsome peer of the realm. To the Earl of Malvern, the erotic tutelage of a skittish widow is little more than sport, however, the woman he teaches is far from the mouse he expects. With her sly humor and insistent joy, Elizabeth obliterates all his expectations and he, unwillingly fascinated, can't prevent his fall. Each more intrigued than they are willing to admit, Elizabeth and Malvern embark upon a tutelage that will challenge them, change them, come to mean everything to them...until a heartbreaking betrayal threatens to tear them apart forever. Previously published, TEACH ME is perfect for fans of Julia Quinn, Jess Michaels, Tessa Dare and Loretta Chase.

Science And Human Behavior - B.F Skinner 2012-12-18

The psychology classic—a detailed study of scientific theories of human nature and the possible ways in which human behavior can be predicted and controlled—from one of the most influential behaviorists of the twentieth century and the author of *Walden Two*. “This is an important book, exceptionally well written, and logically consistent with the basic premise of the unitary nature of science. Many students of society and culture would take violent issue with most of the things that Skinner has to say, but even those who disagree most will find this a stimulating book.” —Samuel M. Strong, *The American Journal of Sociology* “This is a remarkable book—remarkable in that it presents a strong, consistent, and all but exhaustive case for a natural science of human behavior...It ought to be...valuable for those whose preferences lie with, as well as those whose preferences stand against, a behavioristic approach to human activity.” —Harry Prosch, *Ethics*

The Latin Sexual Vocabulary - J. N. Adams 1990-10

Like other languages, Latin contained certain words its speakers considered obscene as well as a rich stock of sexual euphemism and metaphor. Our sources for this information range from surviving graffiti to

literary works with a marked sexual content. Yet despite its manifest literary and linguistic interest, the sexual vocabulary of Latin has remained uninvestigated by scholars. J. A. Adams's pioneering and unique reference work collects for the first time evidence of Latin obscenities and sexual euphemisms drawn from both literary and nonliterary sources from the early Republic to about the fourth century A.D. Separate chapters treat each of the sexual parts of the body and the terminology used to describe sexual acts. General topics include the influence of Greek language on Latin, changes in the Latin vocabulary over time (including the evolution of sexual words into general terms of abuse), and lexical differences among various literary genres.

Asking for It - Lilah Pace 2015
