single line” (The New York Times Book Review) delivers eight provocative, darkly funny linked stories that map America’s shifting cultural landscape from the late 1970s to the present day. Blueprints for Building Better Girls delves into the lives of an eclectic cast of archetypal female characters—from the high school slut to the good girl, the struggling artist to the college party girl, the wife who yearns for a child to the reluctant mother—mapping America’s shifting cultural landscape from the late 1970s to the present day. Its interconnected stories explore the commonly shared but rarely spoken of experiences that build girls into women and women into wives and mothers. In revealing all their vulnerabilities and twisting our preconceived notions of who they are, Elissa Schappell alters how we think about the nature of female identity and how it evolves.

The Blueprint for My Girls - Yasmin Shiraz 2007-11-01

Have you ever wished that someone had told you ahead of time how a problem could be avoided? Do you feel like no one understands where you're coming from? Now there's a blueprint that can offer you comfort, motivation, and real solutions. When Yasmin Shiraz launched Mad Rhythms, a hip-hop magazine aimed at college students, she visited youth organizations and colleges across the country to teach young people how to effectively pursue their dreams. Drawn to Yasmin's confidence and determination, young women in particular sought her opinion on topics such as body image, popularity, dating, sexuality, child-parent relationships, and social and academic pressures. Yasmin could easily speak to those issues. She struggled with many of the same concerns when she was younger. Inspired by the common threads connecting each generation, Yasmin developed The Blueprint for My Girls to help young women discover who they are, develop a sense of self, and stay positive. In the book, Yasmin pairs her personal stories with 99 "expressions" designed to help readers deal with situations they may not feel comfortable discussing with friends and family. Each expression is accompanied by exercises to help readers progress on their journey. Staying real without being preachy, The Blueprint for My Girls will be a solution giver, a problem solver, and a friend in need for generations to come.

Blueprint for My Girls in Love - Yasmin Shiraz 2005-05

This is my first relationship. What should I do?My best friend and I like the same guy. Should we remain friends?Has everyone had sex except me? How long should I wait?No one defines your life but you.After publishing her first book, The Blueprint for My Girls, author Yasmin Shiraz conducted workshops with girls across the country. She was flooded with questions the girls had about love, relationships, and intimacy, questions they didn't feel comfortable asking their family and friends. She realized that her role as the old enough to advise you, young enough to keep it real big sister could help girls stay grounded as they experienced dating, relationships, and intimacy for the first time. In this book, Yasmin tackles the pressures of dating, breaking up, and friendships -- as well as HIV, pregnancy, and abuse. By sharing her own mistakes Yasmin helps girls answer the tough questions without being preachy.It's the perfect guide to help young girls decide for themselves what they want from relationships, guys, and love.

God In My Storm - Pammie Williams 2022-10-14

Everyone has a story. Some stories may not impact our lives to any great degree. Others might alter our direction in unimaginable ways. Our stories are not for comparison or competition but can be extremely impactful and relevant to us. Sharing these stories can bring others insight and revelation into their own lives. Helping us to feel a part of the bigger picture, more hopeful and purposeful on our daily walk. In truth, we are never alone; God, who is all powerful is always on the journey with us. While Satan uses fear and lies trying to convince us that we are alone and abandoned, God says differently: Joshua 1:9 "Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord

your God is with you wherever you go." Isaiah 41:10 "Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand."
Deuteronomy 31:6 "Be strong and courageous. Do not fear or be in dread of them, for it is the Lord your God who goes with you. He will not leave you or forsake you." In faith, our fears, loneliness and insecurities can be given to God. We do this with faith in Him alone. Only He can drive away the lies, attacks, and discouragements that come our way. This helps secure safety in our storms. This is a story of God's power, God's abundant love for us and how He fiercely clings to us unconditionally. Blessings Always!

A Crooked Little House - Susan Rogers Cooper

"The Most vivid portrait of a real family anywhere in mystery fiction." —Mary Willis Walker
A HOUSE OF CARDS-A PACK OF LIES Her husband, Willis, calls her a "danger junkie." But suburban Texas mom and romance writer E. J. Pugh believes that the truth is something that must always be pursued no matter how perilous the path that leads to it. When her black sheep sister-in-law is arrested for the murder of a young homeless woman, E. J. is unwilling to simply accept the swift judgment of her husband's family that Juneey is a lost cause, good for nothing but trouble. The Pughs have never forgiven Juneey for the tragic death of Willis's brother, yet E. J. feels certain she's innocent of this crime. But the plucky sometime-sleuth's investigation could topple a very fragile house of cards with shocking revelations of sex, drugs and depravity...and bring E.J.'s own happy homelife crashing down as well. "A GIFTED AND PERCEPTIVE WRITER WHOSE CHARACTERS ARE SECOND TO NONE." —Sharyn McCrumb
"EVEN A BRIGHT, SUNNY DAY FEELS MENACING IN THE HANDS OF THIS PRO." —Margaret Maron

Black Pain - Terrie M. Williams 2008-01-08

Terrie Williams knows that Black people are hurting. She knows because she's one of them. Terrie had made it: she had launched her own public relations company with such clients as Eddie Murphy and Johnnie Cochran. Yet she was in constant pain, waking up in terror, overeating in search of relief. For thirty years she kept on her game face of success, exhausting herself daily to satisfy her clients' needs while neglecting her own. Terrie finally collapsed, staying in bed for days. She had no clue what was wrong or if there was a way out. She had hit rock bottom and she needed and got help. She learned her problem had a name -- depression -- and that many suffered from it, limping through their days, hiding their hurt. As she healed, her mission became clear: break the silence of this crippling taboo and help those who suffer. Black Pain identifies emotional pain -- which uniquely and profoundly affects the Black experience -- as the root of lashing out through desperate acts of crime, violence, drug and alcohol abuse, eating disorders, workaholism, and addiction to shopping, gambling, and sex. Few realize these destructive acts are symptoms of our inner sorrow. Black people are dying. Everywhere we turn, in the faces we see and the headlines we read, we feel in our gut that something is wrong, but we don't know what it is. It's time to recognize it and work through our trauma. In Black Pain, Terrie has inspired the famous and the ordinary to speak out and mental health professionals to offer solutions. The book is a mirror turned on you. Do you see yourself and your loved ones here? Do the descriptions of how the pain looks, feels, and sounds seem far too familiar? Now you can do something about it. Stop suffering. The help the community needs is here: a clear explanation of our troubles and a guide to finding relief through faith, therapy, diet, and exercise, as well as through building a supportive network (and eliminating toxic people). Black Pain encourages us to face the truth about the issue that plunges our spirits into darkness, so that we can step into the healing light. You are not on the ledge alone.
