American Queen - Sierra Simone 2016-10-24

He wants me to be his queen... Warned as a girl to keep her kisses to herself, Greer Galloway wants nothing to do with kisses--or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer--not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain--and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today bestselling author of Priest and Misadventures of a Curvy Girl comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot--elegant, carnal, and unforgettable.

American King - Sierra Simone 2017-10-31

They say that every tragic hero has a fatal flaw, a secret sin, a tiny stitch sewn into his future since birth. And here I am. My sins are no longer secret. My flaws have never been more fatal. And I've never been closer to tragedy than I am now. I am a man who loves, a man whose love demands much in return. I am a king, a king who was foolish enough to build a kingdom on the bones of the past. I am a husband and a lover and a soldier and a father and a president. And I will survive this. Long live the king.

He sees nothing wrong with enjoying the pleasures in life... "Just let yourself go. It's okay to let me love you. To let both of us love you." Cate MacMillan. Curvy. Smart. Frustrated. Crosstown Crush - Cara McKenna 2015-09-01

The first in a new series from the "wicked-hot"* author of Hard Time and Give It All explores the fantasies of a daring married couple—and those of a stranger invited to play along in their scandalous little games... When he's working, Mike Heyer is all business—every inch the alpha male, with the hard, capable body to back up his persona. But at home he can be a different man entirely, harboring appetites only his wife gets to glimpse... When Samira first learned of her husband's fantasies, she was reluctant, even alarmed. But after witnessing the way they set him on fire, she yielded, and happily indulged. As their games have intensified, so has the rush. And now so has the risk—they're poised to take Mike's indecent desires to the next level, by opening their bed to a sexy, brazen stranger. A man seeming custom-made to grant every last one of Mike and Samira's sinful wishes. Welcoming someone new into their lives was always a dangerous proposition, but the couple imagined if anything was at stake, it was their privacy...not their hearts. *New York Times Bestselling Author Jaci Burton

Feast of Sparks - Sierra Simone 2019-08-01

I'm an outcast and a loner, named for death itself. Fate wasn't supposed to have plans for me. But then she came back—the girl I once kissed in a thorn-covered chapel in the woods. She came back, and I could no more resist her than I could pry out my own heart. And by some trick of fate, she wants me as much as I want her. The only problem? She also wants the man who owns Thornchapel, Auden Guest. And so do I. Eight years ago, I did something to Auden, something terrible. He hurt me back the only way he knew how, and so here we are: our hatred seasoned with pain and my loneliness seasoned with longing. The only thing we can agree on is Proserpina Markham, and she wants us to find a way to be together—all three of us. If Auden wants to earn her as his submissive, then he has to earn me as well. But with the discovery of bones behind the altar and the carnal revel of Beltane fast approaching, it's becoming clear that Thornchapel's secrets are much deeper and older than any of us could have ever guessed. And no matter how bright and merry a feast of sparks may be, it's always followed by ashes. And darkness.

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.
