

# The Handbook Of Non Sexist Writing For Writers Editors And Speakers

**Writing and Developing Your College Textbook** - Mary Ellen Lepionka 2008

This is the comprehensively revised second edition of a popular professional book on textbook writing and finding one's way in the higher education publishing world—for academic authors and editors, college instructors, and instructional designers. The second edition has two new chapters on the latest industry trends—such as the pricing revolt, open access movement, and wiki-textbook phenomenon, and on the use of learning objectives to structure textbook package development. Every chapter features new sections, links, forms, models, or examples from an even greater range of college courses. Contains updated and expanded appendices, glossary entries, references, bibliography entries, and index. BISAC: Language Arts & Disciplines/Authorship and Publishing  
How to Fix Your Academic Writing Trouble: A Practical Guide - Inger Mewburn 2018-12-21

Are you confused by the feedback you get from your academic teachers and mentors? This clear and accessible guide to decoding academic feedback will help you interpret what your lecturer or research supervisor is really trying to tell you about your writing—and show you how to fix it. It will help you master a range of techniques and strategies to take your writing to the next level and along the way you'll learn why academic text looks the way it does, and how to produce that 'authoritative scholarly voice' that everyone talks about. This book is an easy-to-use resource for postgraduate students and researchers in all disciplines, and even professional academics, to diagnose their writing issues and find ways to fix them. This book would also be a valuable text for academic writing courses and writing groups, such as those offered in doctoral and Master's by research degree programmes. 'Whether they have writing problems or not, every academic writer will want this handy compendium of effective strategies and sound explanations on their book shelf—it's a must-have.' Pat Thomson, Professor of Education, University of Nottingham, UK

**Learn Good Business Writing and Communication (Collection)** - Natalie Canavor 2013-08-08

The Truth About the New Rules of Business Writing shows you how to master the art of effective business communication replacing the old standards of jargon, pomposity, and grammar drills with a simple, quick, and conversational writing style. Authors Natalie Canavor and Claire Meierowitz demonstrate how to plan and organize your content, make your point faster, tell your readers what's in it for them, construct winning documents of every kind—print, electronic, and even blog entries and text messages! The Truth about the New Rules of Business Writing brings together the field's best knowledge and shows exactly how to put it to work. With an "aha" on every page, it presents information in a clear, accessible style that's easy to understand and use. Written in short chapters, it covers the entire field, cuts to the heart of every topic, pulls back the curtain on expert secrets, and pops the bubble of commonly-held assumptions. Simply put, this book delivers easy, painless writing techniques that work. *FranklinCovey Style Guide: For Business and Technical Communication* can help any writer produce documents that achieve outstanding results. Created by FranklinCovey, the world-renowned leader in helping organizations enhance individual effectiveness, this edition fully reflects today's online media and global business challenges. The only style guide used in FranklinCovey's own renowned Writing Advantage™ programs, it covers everything from document design and graphics to sentence style and word choice. This edition includes extensive new coverage of graphics, writing for online media, and international business English.

**The Women and Language Debate** - Camille Roman 1994

**The A-Z of Non-sexist Language** - Margaret Doyle 1995

Bringing today's vocabulary completely up-to-date, here is definitive guide to non-sexist language. This straightforward and easy-to-use handbook offers a complete listing of sexist words and their non-sexist alternatives; vital clarification of common-usage words, outlining fully why some words are sexist and some are not; accessible A-Z format; and full cross-referencing. Unique and comprehensive, The A-Z of Non-Sexist

Language is an essential reference for writers, speakers, editors, teachers and all who care about the words they use.

Handbook for preparing Office of Research and Development reports -

**The Handbook of Nonsexist Writing** - Kate Swift 2001-01-11

The Handbook of Non-sexist Writing - Casey Miller 1981

English language guide to the use of non-sexist writing and speaking in order to avoid sex discrimination therein - notes discrepancies between social change and language habits, and covers linguistics problems, e.g. "Man" as a false generic, use of "he" and "she", names and titles, etc. Illustrated by quotations from British newspapers. Bibliography pp. 110 to 114.

**The Handbook of Non-sexist Writing for Writers, Editors and Speakers** - Casey Miller 1995

**Butcher's Copy-editing** - Judith Butcher 2006-10-12

Since its first publication in 1975, Judith Butcher's Copy-editing has become firmly established as a classic reference guide. This fourth edition has been comprehensively revised to provide an up-to-date and clearly presented source of information for all those involved in preparing typescripts and illustrations for publication. From the basics of how to prepare text and illustrations for the designer and typesetter, through the ground rules of house style, to how to read and correct proofs, Copy-editing covers all aspects of the editorial process. New and revised features: • up-to-date advice on indexes, inclusive language, reference systems and preliminary pages • a chapter devoted to on-screen copy-editing • guidance on digital coding and publishing in other media such as e-books • updated to take account of modern typesetting and printing technology • an expanded section on law books • an essential tool for new and experienced copy-editors, working freelance or in-house.

*Routledge International Encyclopedia of Women* - Cheri Kramarae 2004-04-16

For a full list of entries and contributors, sample entries, and more, visit the Routledge International Encyclopedia of Women website. Featuring comprehensive global coverage of women's issues and concerns, from violence and sexuality to feminist theory, the Routledge International Encyclopedia of Women brings the field into the new millennium. In over 900 signed A-Z entries from US and Europe, Asia, the Americas, Oceania, and the Middle East, the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women's studies to create the new standard work for anyone who needs information on women-related subjects.

How to Write Essays and Dissertations - Alan Durant 2015-10-30

The first book that literature students should read, this guide reveals the distinct set of skills, conventions and methods of essay and dissertation writing. Taking students through the various stages of writing, from planning to final submission, it offers specific guidelines and a lively, detailed commentary on actual examples of student work at each stage.

**Professional Report Writing** - Simon Mort 2017-07-05

Professional Report Writing is probably the most thorough treatment of this subject available, covering every aspect of an area often taken for granted. The author provides not just helpful analysis but also practical guidance on such topics as: *¢* deciding the format *¢* structuring a report *¢* stylistic pitfalls and how to avoid them *¢* making the most of illustrations *¢* ensuring a consistent layout. The theme throughout is fitness for purpose, and the text is enriched by a wide variety of examples drawn from the worlds of business, industry and government. The annotated bibliography includes a review of the leading dictionaries and reference books. Simon Mort's book is destined to become an indispensable reference work for managers, civil servants, local government officers, consultants and professionals of every kind.

The Handbook of Nonsexist Writing - Casey Miller 2001

Man, he brotherhood, founding fathers. It is argued that such words are and always have been used by educated people to encompass all humanity—men and women. Psychological and historical research in the

past few years has produced evidence to the contrary: for most people "false generics" seldom if ever convey a female image, nor are they ancient unchangeable rules of the English grammar that have always been used by the educated. Using hundreds of examples, mostly from published sources, the authors illustrate what certain words are saying to us on a subliminal level. Solutions are supplied that range from word substitutions to suggestions for rewriting. Without a trace of self-conscious righteousness, and with refreshing humor, Miller and Swift provide surprising insights into the English language and the ways in which people use it and are used by it. They demonstrate that to be in command of the language, we must find clear, convincing, and graceful ways to convey our ideas accurately. We must recognize and replace exclusive, distorting, ambiguous, and injurious words.

**Covering the Community** - Leigh Stephens Aldrich 1999-03-22

Today's reporters need to understand differences and be able to report on diverse individuals and communities accurately and sensitively. This inexpensive and slim pocketbook is the perfect supplement to help your students achieve these crucial contemporary skills.

**Grammatical Gender in Interaction** - Angeliki Alvanoudi 2014-11-06

In this book, Angeliki Alvanoudi explores the relation between grammatical gender in person reference, culture and cognition in Greek

interaction.

Freelance Proofreading and Copy-editing - Trevor Horwood 1995

*Language and the Sexes* - Francine Frank 1983-01-01

In a highly readable and lively text, the authors explore the way language mirrors our cultural assumptions, especially those concerned with gender distinctions. Focusing on contemporary issues, they draw on their knowledge of sociolinguistics and other languages to illustrate how sexism may be hidden by habits of language. In making the reader aware of these, they suggest options for change. *Language and the Sexes* synthesizes a wide range of up-to-date information and research under several topics: naming, stereotypes of language behavior, the politics of conversation, forms of address, asymmetry in vocabulary, and possibilities of reform. The book concludes with suggested projects related to these topics, guidelines for non-discriminatory language use, and an extensive bibliography.

**The Handbook of Non-sexist Writing for Writers, Editors and Speakers** - 1984

**Copy-editing** - Judith Butcher 2004
