Sissy Dreams: From Boyfriend to Girlfriend - Paul Zante

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Mastering Melody - Talia Zane 2016-06-21

Homeless and desperate, I used what little assets available to me to make it through each day. Until one day, a man picked me off the street and made me a proposition I couldn't refuse: he would give me enough money to start a new life after one year of servitude. I should've known better than to believe him, though, and after having his fun, he sent me to a place where my entire world changed. Would I ever be freed or would this new cage be my home for the rest of my life? Contains: His to Use, His to Take, and His to Save. Please note: This story isn't meant for the faint of heart, isn't a romance, and doesn't have a hero! keywords: non & dub-con, slavery, human trafficking, torture, body modification, breeding

Moon-Face & Other Stories - Jack London 2017-08-08

MOON-FACE (Excerpt) John Claverhouse was a moon-faced man. You know the kind, cheek-bones wide apart, chin and forehead melting into the cheeks to complete the perfect round, and the nose, broad and pudgy, equidistant from the circumference, flattened against the very centre of the face like a dough-ball upon the ceiling. Perhaps that is why I hated him, for truly he had become an offense to my eyes, and I believed the earth to be cumbered with his presence. Perhaps my mother

may have been superstitious of the moon and looked upon it over the wrong shoulder at the wrong time. Be that as it may, I hated John Claverhouse. Not that he had done me what society would consider a wrong or an ill turn. Far from it. The evil was of a deeper, subtler sort; so elusive, so intangible, as to defy clear, definite analysis in words. We all experience such things at some period in our lives. For the first time we see a certain individual, one who the very instant before we did not dream existed; and yet...

Hacking Secret Ciphers with Python - Al Sweigart 2013

*** This is the old edition! The new edition is under the title "Cracking Codes with Python" by Al Sweigart ***Hacking Secret Ciphers with Python not only teaches you how to write in secret ciphers with paper and pencil. This book teaches you how to write your own cipher programs and also the hacking programs that can break the encrypted messages from these ciphers. Unfortunately, the programs in this book won't get the reader in trouble with the law (or rather, fortunately) but it is a guide on the basics of both cryptography and the Python programming language. Instead of presenting a dull laundry list of concepts, this book provides the source code to several fun programming projects for adults and young adults.

Twelve Years A Slave, Illustrated Edition - Solomon Northup
2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Moments of Grace - Laurie Blefeld 2018-04-18

Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heart-full Practices "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous

prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

Brutified - Robert Benefiel 2020-11-27

Brutified is a collection of poetry written by the author Robert Benefiel. The poems contained within it are from a larger cache of poems written in 2019. The pieces themselves range from narrative to abstract, bibliographical to fictionalized, allowing for a fuller range of expression and voice. What each piece carries is the idea of surviving the brutality of the world, others, and even one's self, in hopes of gaining insight and retaining one's compassion. Whether the piece is addressing the idea of finding one's own art at a junk store, or stumbling across a love note

written before, but after, a lover has left them, or even watching a young midget be chased through the mall, the author never ceases to try and present the emotion and meaning at the core of each piece in a blatant yet subtle way.

But the shop owner is not who he appears to be and they soon find themselves on a downward spiral as their nightmare blossoms into terrifying reality. Forced to do things they would have never considered doing, Candy first, and then Mark, discover a side of themselves long repressed. As they learn to embrace the submissive sex slave inside them they uncover that the more they are bound, the more free they feel.

Bone Detective: - Lorraine Jean Hopping 2006-04-30

Diane France loves bones. Why? Because they talk to her. Every skeleton she meets whispers secrets about the life-and death-of its owner. Diane France can hear those secrets because she's a forensic anthropologist, a bone detective. She has the science skills and know-how to examine bones for clues to a mystery: Who was this person and how did he or she die? Bones tell Diane about the life and times of famous people in history, from a Russian royal family to American outlaws and war heroes. They speak to her about murders, mass disasters, and fatal accidents. One day she's collecting skeletal evidence at a crime scene. A phone call later she's jetting to the site of a plane crash or other unexpected tragedy to

identify victims. Young readers will be captivated by the thrilling real-life story of this small-town girl full of curiosity and mischief who became a world-famous bone detective.

Antifascisms - David Ward 1996

This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, *Antifascisms* offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

Rogue Heart - Axie Oh 2019

Living safe and anonymous after the Battle of Neo Seoul, telepath Ama does not expect to be approached by a resistance group to help expose a government experiment similar to the one she successfully fled. Once she accepts, however, her assignments get more dangerous until she finds herself manipulating the mind of the boy she once loved and was betrayed by, so she can unseat him as commander of the Alliance.
