*The Young Prince and His Fate* - Jessica Wheeler  
2022-10-26

*The Young Prince and His Fate: Trapped in Time*  
By: Jessica Wheeler This book continues the story of Ranvir, who is now married and with a child on the way. A tragic event makes him want to travel back in time. He ends up being trapped

in time in a whole different world of what could've been. His journey is to get back to his own world before it's too late. What makes the story interesting, is seeing Ranvir's journey of trying to get back. He's still learning that actions come with consequences. We finally see him start to realize that when he knows that he could possibly lose everything. What makes the message relevant is to not let fear get in the way of anything and everyone has it good until it's gone. This is a lesson that Ranvir has to learn. What makes this book unique is that it's inspired by the author's life in some ways. To say anymore would be a spoiler, all the author's ideas for the sequel were based off events that happened to her except the part of going back in time. One thing the author wants the readers to gain out of the story is to cherish every moment with your loved ones as tomorrow is never promised.

*Twenty-Two Ten Saint Charles Street* - Paul T. Nicholson 2002-01-25

Do you believe in witches? Do you believe in the devil? We have all been intrigued with the mystery that surrounds witchcraft, the devil and sacrifices. From as early as the written word Satan has been with us, and the idea of sacrifices has captured the imagination. Did you know that there is a private club in Baltimore, Maryland that practices witchcraft, and its members worship Satan? The club members are doctors, lawyers, judges, and business man and woman who are very wealthy and famous.

Twenty-Two Ten Saint Charles Street will take

you on a journey through time. The story interweaves its way through elements of supernatural events and human drama. Through excerpts from her diary you will come to know Miss Catherine Rhodes, who in 1854 settled in Baltimore to start a business with her brother Alexander. You will feel in your heart some of the pain and suffering the American people lived through in the years leading up to the Civil War. You will experience how undivided Baltimore was during this time period, and how a group known as The Baltimore Roughians would roam the streets and question anyone who would gather in groups of two or more. But most of all you will discover a secret that has been hidden behind wooden doors for more than one hundred years. No one has known about it because the fear that surrounded it still exists today and that secret is The Freedom Crusaders. You will also find out about the tunnel, and what it meant to the Freedom Crusaders, how they used it, and closed it off, never to be opened again. Then,

**Never Date Your Best Friend** - Jules Barnard  
2015-04-20

I'm stuck in the friend zone with the hottest guy I've ever known. Oh, and he's my best friend. Zach pushes me away the moment sparks fly, and sparks have been flying since the day we met. For some aggravating reason, he's intentionally keeping me at a distance. The way I see it, I have two options. I can leave town and make a fresh start or I can show Zach how right we are for each other. Only one of those options has the potential to ruin the best friendship I've

ever had. But I'm considering risking it all for love. A RITA-nominated, sexy, friends-to-lovers romance. Grab it now! -- EXCERPT -- "Nessa." His voice is a strangled growl. "This shouldn't be a big deal. You said you're not attracted to me," I remind him. "I didn't say that." "You said there's nothing to worry about, and that I should make myself comfortable." "I didn't think you were gonna skinny-dip." Keywords: best friends to lovers, RITA award finalist, after college romance, friends to lovers, New Adult, unrequited love, casino romance, contemporary romance, humor, coming of age, Lake Tahoe romance, mountain romance, romantic comedy, rom-com, friends-to-lovers romance, new adult romance, steamy romance, multi-cultural romance, interracial romance, writing award finalist

**Big Friendship** - Aminatou Sow 2020-07-14  
A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell you that! But for all the rosy sentiments surrounding friendship, most people don't talk much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming Big Friendship in this honest and hilarious book that chronicles their first decade in one another's lives. As the hosts of the hit podcast Call Your

Girlfriend, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls. Aminatou and Ann define Big Friendship as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking

lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And that the most important part of a Big Friendship is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, Big Friendship will invite you to think about how your own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them.
