*The Subtle Art of Not Giving a F*ck* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV -

Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

So without further adieu this is the poetry of my life. I have been writing since I was around 14 or 15 years of age, but I have been very vocal about what I want to do with my life and that is writing any and everything. I have had a passion for writing since I was 12 as far as I can remember. Writing will always be my first and last true love in my life. I have seen how much my writing has matured over the years and I am very proud of the pieces you will read throughout this book. I am still writing but the very last poem is my latest piece and I am so grateful for the opportunity to share the world with my talent. Many people will look at this and judge or say these poems are not good and I am okay with that, I know that throughout the obstacles in my life the only thing that kept me sane was my writing and my ability to write and for a while I wasn't writing. I thought I had lost the passion or even worse the gift of being able to write and it took me a minute to know that that wasn't true. I have told my life in more ways than one in my poetry and you will see that as you read them in this book. It took me a long time to find the strength to create this book. I hope you really take in my work and understand me a little more. Thank you for willing to read and understand me through my poetry, this was a long overdue project for me. Can you believe it? Can you believe it? that at 13 I was depressed Can you believe it? that I'm afraid of my past coming back to haunt me Can you believe it? that at 14 I was happy Can you believe it? that my happiness didn't last long Can you believe it? that I turned to pain as a way out Can you believe it? that I turned to music as a way out also Can you believe it? that at 15 I fell in love Can you believe it? that my first love hurt me deeply can you believe that for a brief second I was happy Can you believe it? that I was still turning to pain and music as a way out Can you believe it? that i'm still 15 and I'm still afraid of my past Can you believe it? that I'm now afraid for my future Life and love I once met a girl who at 15 fell in Love with a guy who was 19 they dated for a month and it was the worst month of her life she realized that she was in love but he wasn't when they broke up she was heart broken she kept it all inside she had other boyfriends but she didn't want them she wanted him by the time she was single he found someone new and fell in love again heartbroken she begin to go to pain and music to deal with the heartbreak of losing the one she loves Knowing the unknown What is love? You was the same nigga I stayed up for Same nigga I put up with All the accusations from you All the fights All the name calling I stayed and you go and break my heart Did what you accused me of doing And what makes it worse with an ex of yours. Got me analyzing my body Figuring out the pain I'm feeling Hating myself Feeling so ugly wishing for the dream to be over Sadly it's not a dream, it's a harsh reality. Nobody knows Nobody knows the pain I go through to coop Nobody knows How much blood I see every time Nobody knows why I go through it Nobody knows the pain of my past Nobody knows Why I'm afraid of my past Nobody knows why my future is just as scary as my past Nobody knows And i'm not ready to tell why Loving an old flame Loving and old flame all over again.... The irony in that My ex bf is my baby... I'll always love him My old love refurbished Into a deeper love Into a deeper connection. Into something stronger and solid Loving him all over again Loving my best friend all over again.... I fall deeper in love everyday All over again He does no wrong I have not hate for anything he does I love everything about him I'm happy again with him Yay I am me I am Not a normal girl I am an undefined girl I am Not a normal girl I am an emo girl I am Not a normal girl I listen to rock music and love it I am Not a normal girl I am just me The voices Voices in my head screaming Voices screaming for help As death comes near the voices get louder Bright lights shining, more voices But maybe it's all In my head No one knows I'm dying No one knows I am here in this position No one cares enough to see Voices in my head screaming out Voices screaming for help As death grows near The voices in my head grow silent. Life flashing before my eyes Wishing that dying was faster Painless, but slow death An inner war Everyday there is a war inside me My heart and my mind fighting My heart screams out louder Than my mind, but there's still war My heart and mind fight everyday My mind can say one thing My heart another Screaming at the top of their lungs at each other And then silence is left As one battle has ended, but the war hasn't It's an

everyday battle Between my heart and mind Everytime the battle ends I'm left to decide who's right? My heart or my mind Who I should listen to? My heart or my mind. I somehow mistakenly choose my mind My mind I always seems to listen to My heart always seems to silence or cage it, but never free it. I have a heart caged away. I have a heart screaming to be listened to A heart wanting to be free. There's a war inside me everyday A war I can only stop by freeing my heart from its cage Love, scary? Love, scary? Maybe There's always something to be afraid Love is one Love, hurtful? No, it may seem like it but no It's peaceful to love in caged It's beautiful. Love, scary? Yeah, but it's worth it. Loving someone unconditional and uncaged is worth it Questions Question after question swirl in my mind everyday Question after question form in my head that I am and was to scared to ask you and them Hate fueling up in my body everyday since the day Hate pouring out of me at people that dont deserve it For so long I have been afraid of the dark For so long I have been afraid of you... of myself and how far this razor can go For so long I have been guilty of it all. Question after question make shape in my mind everyday Question after question runs through my mind like a track star everyday Depression is getting stronger and stronger as time goes by Life goes on and time goes on without a care in the world for us humans and our emotions To afraid to speak to you or anyone about the incident To afraid everyday to sleep in the dark every night My fear and hatred and anger and depression takes over and overwhelms me like boulders daily Question after question pushed deeper and deeper into the back of my mind Question after question cloud my mind like a thick fog Long nights and rough mornings get harder and harder to deal with All the booze and drugs in the world don't help clear the fog On a daily basis I look for some type of numbing to just be okay for one night Just in search of one night of bliss and peace..... Just one night Long distance love story I was hurting when you came along I didn't know how it should feel to be loved I tried to be perfect, but no one is perfect We ain't perfect, but the love we share is perfect Our date, I'll never forget Even if I do you will be the to help me remember I get a heart push when your name comes across my phone Still got a crush on you even though you are mine A queen on my throne, next to you my king Wishing everyday to touch your face The distance is killing me Our love with each FaceTime call Asking the man upstairs for a different type of love Took me months to see I had what I was praying for Been through hell and back for someone who didn't want me for years I know if we go through hell, we will reach heaven So far away from each other I need you here I need to know your feelings Sucky ass distance, stronger love I miss sleeping on the phone with you at night Your voice, my Lullaby I can't imagine life without you All I want is you I don't know what I'll do without you my love Probably lose my mind We a secret nonetheless Society would judge us Society would try to destroy us One day we will see each other The distance won't be so bad soon enough Miles apart yet stronger together Sucky ass distance, stronger love Acknowledgements Thank you to everyone that has inspired me throughout my life and was my inspiration behind every piece you just read. How to Not Die Alone - Logan Ury 2021-02-02

A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: -What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the

apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. How to Not Die Alone will help you find, build, and keep the relationship of your dreams.

The Sociopath Next Door - Martha Stout 2021-07-08

WHO IS THE DEVIL YOU KNOW? Is it your lying, cheating ex-husband? Your sadistic high school gym teacher? Your boss who loves to humiliate people in meetings? The colleague who stole your idea and passed it off as her own? In the pages of *The Sociopath Next Door*, you will realize that your ex was not just misunderstood. He's a sociopath. And your boss, teacher, and colleague? They may be sociopaths too. We are accustomed to think of sociopaths as violent criminals, but in *The Sociopath Next Door*, Harvard psychologist Martha Stout reveals that a shocking 4 percent of ordinary people- 1 in 25 - has an often undetected mental disorder, the chief symptom of which is that that person possesses no conscience. He or she has no ability whatsoever to feel shame, guilt, or remorse. One in 25 everyday people, therefore, is secretly a sociopath. They could be your colleague, your neighbour, even family. And they can do literally anything at all and feel absolutely no guilt. How do we recognize the remorseless? One of their chief characteristics is a kind of glow or charisma that makes sociopaths more charming or interesting than the other people around them. They're more spontaneous, more intense, more complex, or even sexier than everyone else, making them tricky to identify and leaving us easily seduced. Fundamentally, sociopaths are different because they cannot love. Sociopaths learn early on to show sham emotion, but underneath they are indifferent to others' suffering. They live to dominate and thrill to win. The fact is, we all almost certainly know at least one or more sociopaths already. Part of the urgency in reading *The Sociopath Next Door* is the moment when we suddenly recognize that someone we know - someone we worked for, or were involved with, or voted for - is a sociopath. But what do we do with that knowledge? To arm us against the sociopath, Dr Stout teaches us to question authority, suspect flattery, and beware the pity play. Above all, she writes, when a sociopath is beckoning, do not join the game. It is the ruthless versus the rest of us, and *The Sociopath Next Door* will show you how to recognize and defeat the devil you know.

This Is How You Lose the Time War - Amal El-Mohtar 2019-07-16

Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked "Burn before reading. Signed, Blue." So begins an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they're the best, and they're alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning's what you do in war. Isn't it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space.
