Reviews—Here's What Happened When I Tried Them - Well+Good

Everyday Folks - Billy Jones 2004-12

Who are we? We are hardworking and focused. We are winners or defeaters. We fall in and out of love. Some of us own nice cars while others take the bus. We are immensely rich or exceedingly broke. We're not in tabloids or on covers of magazines. "We're common, Everyday Folks." Everyday Folks: Short Stories on the Common People takes a glimpse into the lives of people whose life stories would probably go unnoticed. The short stories warm our hearts or challenge our nerves. They chronicle the realities and complexities that many of us face on a day-to-day basis. Set in Miami, Florida, Everyday Folks gives the rest of the world a chance to see beneath the fleshy surface of people who build their lives around love, pain, and the inevitable. This book is dedicated to you...not to many but a small few...for the things

you do in lieu of what you do... For it is derived from the essence of you. It captures the heart with episodes that only the common people will understand.

My Nerdy Valentine - Vicki Lewis Thompson
2022-01-23

To outwit a stalker, she needs to invest in a nerd... Successful stockbroker William Sloan knows timing is everything. Meeting the lovely and tenacious Amanda Rykowsky feels like the hand of fate until she accuses him of leaving creepy valentines on her desk. He's not her secret admirer, but he's determined to do what any warm-blooded male would do to derail a stalker - pose as Amanda's live-in boyfriend. Amanda isn't interested in romance. Not with William, and certainly not with her delusional secret valentine. She's too busy earning her degree while working as a receptionist by day

and tending bar at Geekland by night. But the lewd valentine innuendos convince her to accept William's help, even if it feels like a recipe for disaster. Safely locked away in the close confines of her apartment, it doesn't take long for the charade to generate real heat. But Valentine's Day is right around the corner, and her stalker is planning quite a surprise. From the NYT bestselling author who brought you charming werewolves and sexy cowboys. If you like laugh-out-loud romantic adventures where the courageous and ingenious nerd gets the girl, you'll love the Nerd Series. THE NERD SERIES The books in this series are standalone romances and can be read in any order. Nerd in Shining Armor (Jack & Genevieve) The Nerd Who Loved Me (Harry & Lainie) Nerd Gone Wild (Mitch & Ally) Gone with the Nerd (Flynn & Zoe) Talk Nerdy to Me (Charlie & Eve) Nerds Like It Hot (Lex & Gillian) My Nerdy Valentine (Will & Amanda)

Trinidad Noir - Robert Antoni 2008-08-01
Eighteen authors share dark mysteries set on the sunny Caribbean island in this anthology. Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book is compromised of all-new stories, each one set in a distinct neighborhood or location within the geographic area of the book. As reflected herein, the Caribbean provides no shelter from the delicious terror of noir fiction. Features brand-new stories by Robert Antoni, Elizabeth Nunez, Lawrence Scott, Ramabai Espinet, Shani Mootoo, Kevin Baldeosingh, Vahni Capildeo, Willi Chen, Lisa Allen-Agostini, Keith Jardim,

Reena Andrea Manickchand, Tiphonie Yanique, and more. Praise for Trinidad Noir “The volumes in Akashic’s locale-based noir anthology series set outside North America (Dublin Noir, etc.) offer more variety than those set in different major U.S. cities, and this one is no exception. The editors’ brief but insightful introduction makes clear that the sun and sea tourist image of the Republic of Trinidad and Tobago is at odds with the country’s political climate of excess and corruption and an element of society afloat in drugs and guns The two standouts are Keith Jardim’s mystical “The Jaguar” and Lawrence Scott’s “Prophet,” in which a series of child disappearances in a small but corrupt community builds to an appropriately bleak ending.” —Publishers Weekly

Fight For It - Mary E Thompson 2014-04-29

USA Today Bestselling contemporary romance author Jenny Owens feels like she's looking for something. She wants more from her life, but she's not greedy. She just wants her boyfriend to like in the same zip code, or even the same area code, her job to match her skills and desires, and her home to be something of her own instead of her parents'. It's not much, is it? Jenny is floundering. She is a happy person by nature, but she feels like her four years of college were

a waste every time she goes into work as a waitress, the same job she held before going off to college. Add to that her boyfriend is always so busy with school, and his friends, that she rarely sees him. And she's not even sure she cares anymore. When Jenny gets a flat tire at 3 am one night, her entire world changes. Logan Campbell liked his life. He had a thriving business that made him happy, friends he could count on, and the occasional woman to keep his bed warm if he was in the mood. But when he stops to help the car stranded, he realizes his life isn't all he thought it was. Logan and Jenny share an incredible night filled with passion, compatibility, and the best sex of their lives. Logan walks away from the experience knowing he can't let her go. Until she admits she has a boyfriend. Logan broods and snaps at everyone in sight while Jenny tries desperately to forget about him. But Jenny can't stop thinking about Logan, and the way he seemed to know her body better than anyone else ever had. When they
