Wicked Lovely with Bonus Material - Melissa Marr

2011-02-22

Fans of Sarah J. Maas and Holly Black won't be able to resist the world of Melissa Marr's #1 New York Times bestselling series, full of faerie intrigue, mortal love, and courtly betrayal. Rule #3: Don't stare at invisible faeries. Aislinn has always seen faeries. Powerful and dangerous, they walk hidden in mortal world. Aislinn fears their cruelty—especially if they learn of her Sight—and wishes she were as blind to their presence as other teens. Rule #2: Don't speak to invisible faeries. Now faeries are stalking her. One of them, Keenan, who is equal parts terrifying and alluring, is trying to talk to her, asking questions Aislinn is afraid to answer. Rule #1: Don't ever attract their attention. But it's too late. Keenan is the Summer

King who has sought his queen for nine centuries. Without her, summer itself will perish. He is determined that Aislinn will become the Summer Queen at any cost—regardless of her plans or desires. Suddenly none of the rules that have kept Aislinn safe are working anymore, and everything is on the line: her freedom, her best friend Seth, her life—everything. This ebook includes the full text of *Wicked Lovely* plus the following bonus content: “Cotton Candy Skies”—an exclusive short story set after the end of *Radiant Shadows* A *Wicked Lovely* series sampler of excerpts from the other books in the bestselling series An exclusive preview of Melissa Marr's first novel for adult audiences, *Graveminder*—a captivating story about the living, the dead, and a curse that binds them.

Cold Iron Heart - Melissa Marr
2020-05-21

How far would you go to escape fate? In this prequel to the international bestselling WICKED LOVELY series (over a million copies sold), the Faery Courts collide a century before the mortals in Wicked Lovely are born. Thelma Foy, a jeweler with the Second Sight in iron-bedecked 1890s New Orleans, can see through the glammers faeries wear to hide themselves from mortals, but if her secret were revealed, the fey would steal her eyes, her life, or her freedom. But when the Dark King, Irial, rescues her, Tam must confront everything she thought she knew about faeries, men, and love. Unbeknownst to Tam, she is the prize in a centuries-old fight between Summer Court and Winter Court. To protect her, Irial must risk a war he can't win--or surrender the first mortal woman he's loved. "What a delight to discover how much I loved being back in the Wicked Lovely world, discovering details about beloved characters that made

me want to race back for a series reread. This is Irial's story set in 1890s New Orleans, brimming with faerie court drama and steamy romance. Can we, and should we, outrun fate? And if so, are we prepared for the consequences? I could not put it down." --Angela Mann, Kepler's Books, Menlo Park CA "Set 100 years before the events in Wicked Lovely, Cold Iron Heart finds Irial, the king of the Dark Court, in New Orleans and entranced by a mortal. Is his interest in Thelma Foy just a passing fascination, or could it change the course of her life and the world forever? Melissa Marr masterfully rises to challenge of writing a prequel by both expanding on the mythology of the original series while telling a story that exists wholly on its own. Fans of the series will inhale this delicious glimpse into Irial's past."--John McDougall of Murder by the Book, Houston TX

selchies, the sea-fey who leave their seal-like pelts behind when they walk on land, passing for humans. But she never imagined she would meet one—let alone two—on the night of an otherwise forgettable beach party. The selchie Murrin, though, has long imagined actually meeting Alana, the girl he has chosen over the sea. He never expected that the meeting would be so complicated, or that an old rivalry would make winning Alana's trust—and love—so difficult. Author of the bestselling *Wicked Lovely* series, Melissa Marr explores magical entanglements in a real-world setting in this lushly romantic and absorbing tale.

curse inside her body. But her seclusion—and the freedom of the desert fey—is threatened by the Summer King's newfound strength.
