Searching for Love Lisa Bradford 2020-04-15 As a little five-year-old girl, I stood in a courtroom watching my mother choose a man over her three little girls. The decision my mother made that day started me down a road filled with pain, rejection, and abuse, causing me to wonder if love really existed. After being in several foster homes and experiencing more physical and sexual abuse, I became even more confused on what love was and if I would ever experience it. As I grew into a teenager, I thought I found true love in the arms of an older man. However, that relationship started a domino effect of bad relationships falling one by one, until all hope of finding love had faded away. The next eighteen years I would walk through a series of events that would challenge and push me to search for the one thing that could break the chains of my past. After years of looking, my search led me to finding grace, the only thing powerful enough to erase my past and set me free.

For the Souls of Black Folks Cari Jackson 2013-05-21 *For the Souls of Black Folks* examines the impact of black religious culture in shaping the ethical values and sociopolitical condition of U.S. blacks. The book reviews the nexus of theological traditions and historical factors that have formed black churches as environments where preachers serve as the moral compass for black churchgoers. *For the Souls of Black Folks* builds upon the work of sociologist W. E. B. Du Bois, who highlighted the presence of a double consciousness in the collective psyche of blacks stemming from racial oppression. The book explores the ways in which that double consciousness, often reflected in black preaching, socializes black Christians to subjugate their own moral authority to that of black preachers. The central argument is that this socialization to submit to preachers greatly underserves black churchgoers in developing and exercising their own power and authority as social agents, and thus significantly impedes the full sociopolitical liberation of all blacks. The book offers important new preaching strategies that more effectively facilitate the empowerment of blacks as critical agents of social transformation and healing in the twenty-first century.

Embracing the Love God Wants You to Have Taffi Dollar 2014-06-24 In this loving, insightful guide that captures the spirit of T. D. Jakes, Taffi Dollar, renowned pastor of the World Changers Church International, speaker, and author, teaches every woman how to bolster her most pivotal relationship: The one she has with herself. Pastor Taffi Dollar invites us into an intimate conversation as a pastor, wife, mother, sister, and friend, exploring the topic that's closest to the hearts of every woman: relationships. So much of a woman's happiness hinges upon the quality of her bonds with others. But many women struggle in striking that all-important balance between giving and receiving love. In their determination to give to others, women often ignore their own need for self-sustenance. Neglecting their own foundation leaves them ill prepared to be in healthy, loving relationships with spouses, children, families, communities, and even God, Taffi reveals. With wry humor and clear-eyed insights, Taffi introduces women to timeless values and applies them in ways that are real and relevant. She offers words to live and love by, and a path towards healthy relationships that enhance rather than deplete us. Interweaving anecdotes and the personal stories and experiences of people she meets each day, she shows women how to reconnect with themselves and find the fulfillment they seek.
