Love Me Always - Melissa Crosby 2019-12-24

When cynicism and true love collide, there can only be one outcome. Orphaned as a young girl, Mallory Church learned very early on that love didn't come for free; especially not for her. A fact once again proven by her ex-fiancé—and now, technically defunct best friend—as he up and left when she needed him most. Firefighter Ethan Myers was the supreme bachelor. With a great career, good friends, and women on a whim; he was on top of the world. When a work-related incident pushes Ethan to hit pause on life, it forces him to take a hard look at his lifestyle and decide on what truly matters. Left to deal with a shameful secret on her own, Mallory moves to the small town of Willow Oaks to start over; determined never to rely on anyone ever again. But as she grows closer to Ethan, the walls she'd built to protect herself begin to weaken. Will Mallory's secret force her to push away the one man who might truly stand by her? *Love Me Always* tells the story of Mallory and Ethan as they learn about life, trust, and true love. *Love Me Always* is the fourth book in the Willow Oaks Sweet Romance series. Each book in the series can be read as a standalone.

The Sound of Silence - Dakota Willink 2020-09-18

USA Today Bestselling Author Dakota Willink delivers an emotionally

gripping, dark romantic suspense that is guaranteed to keep you on the edge of your seat! Gianna There's a common expression I remind myself of every day: that which does not kill us, makes us stronger. People think I live an idyllic life with my perfect husband, but they don't know what lies beneath the façade. Like the delicate petals of the daisies he loved to give, I was easily crushed—broken, just as he wanted me to be. I've learned to accept what is, but I won't let it destroy me. Instead, I do the only thing I can to survive—I run. Derek I knew she had a story. I knew it most likely contained violence. But never did I imagine the horrors she'd been through. I'd waited so long and she'd experienced so much. She was perfectly imperfect, her scars more than skin deep. It was near impossible to separate truths from lies but I knew her secret. And yet, I couldn't help wanting to get closer. She was strong and there was beauty in strength. I was drawn to it—drawn to her. I wanted to erase her horrors and give her something new to dream about. TRIGGER WARNING: This story contains situations of domestic violence and abuse. Some aspects may be sensitive for some readers.

A Kiss Beneath the Stars - S.L. Sterling 2018-08-13

I'd never needed a week away with my brothers so bad until I'd broken up with my girlfriend. Sun, sand, surf and a few drinks to pass the nights

away. The female persuasion was the farthest thing from my mind...that was until I lock eyes with the stunning brunette sitting on the other side of the bar. She turned those pretty grey-blue eyes on me, and it was that moment that I set my sights on her. It didn't take me long to figure out that she was there alone, even though every time she'd make eye contact with me, she'd glance over her shoulder like she was waiting for someone. It wasn't my style to gawk, but she was damn cute. I'll never forget my first conversation with her either. My brothers and I had decided to move the party from the bar to my hotel room. Things got loud, and before I knew it she was standing on the other side of my door. I was even more surprised to find her wearing nothing but a short t-shirt. Only she wasn't here to join the party, instead she was raging with anger at the fact we'd kept her up half the night. As she walked away from me, pulling her t-shirt down to cover herself it was then I decided I was determined to show this uptight, but gorgeous woman how to have a little fun. What started out as a fling for me, quickly grows into something more. As vacation ends, we agree to keep seeing one another, but soon I find her pushing me away. Scars from her past have her

terrified of the future, and I fear our love will be over before it even begins. I just need to figure out how to convince her that we are worth fighting for. Those searching for a sizzling contemporary romance that tugs at the heartstrings need to look no further than *A Kiss Beneath the Stars* by USA Today Best Selling Author S.L. Sterling!

[Hooks in Popular Music](#) - Tim Byron 2022-11-22

This volume is the first book-length study of hooks in popular music. Hooks - those memorable musical moments for listeners such as a riff or catchy melodic phrase - are arguably the guiding principle of much modern popular music. The concept of the hook involves aspects of melody, rhythm, harmony, production, lyrical and cultural meaning - and how these interact within a song's topline and backing track. Hooks are also inherently related to the human capacities for memory and attention, and interact with our previous experiences with music. Understanding hooks in popular music requires a new interdisciplinary approach drawing from popular music studies, pop musicology, and music psychology, and this book draws from each of these disciplines to understand the hooks present in a broad range of popular music styles from the last thirty years.
