A Christian's Guide through the Gender Revolution - Vincent E. Gil 2020-12-22

Contemporary questions about gender challenge our views of ourselves and the proverbial other. In this meticulously researched, well-written, and illuminating guide, Vincent Gil unpacks elements involved in gender-identity conflicts and intersexuality. At the heart of the matter are real people, not just issues. Drawing on histories culled from his many years as counselor, professor, and researcher, Gil explores gender and identity, issues of conflict, and of reconciliation. He distinguishes biological and psychological elements from social issues, and addresses the current movement of gender individuation, its language idioms, and its influences on gender ideology and theology. He also provides an engaging theological discourse, filling gaps in our understanding of procreation to better inform our theology of being. The work assists Christian parents, clergy, and lay leaders by working through the tough questions. It suggests means to engage, counsel, support, and reconcile with those gender-questioning or conflicted, be they children, adolescents, or adults.

Bell, Book and Camera - Heather Greene 2018-04-20

The witch as a cultural archetype has existed in some form since the beginning of recorded history. Her nature has changed through technological developments and sociocultural shifts--a transformation most evident in her depictions on screen. This book traces the figure of the witch through American screen history with an analysis of the entertainment industry's shifting boundaries concerning expressions of femininity. Focusing on films and television series from *The Wizard of Oz* to *The Craft*, the author looks at how the witch reflects alterations of gender roles, religion, the modern practice of witchcraft, and female agency.

[Sex Guides](#) - Patty Campbell 2017-04-07

The history of the sex guide for adolescents documents the quite unconscious movement of Western culture's ideas about sex and youth, revealing the heritage of our own sexual beliefs and codes of behaviour. The first section of this book, first published in 1986, traces the development of the sex guide, examining 400 books from 1892 to the 1980s. The second section comprises a detailed analysis of the patterns, content and usefulness of all the contemporary manifestations of the genre. The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality.

The Young Man's Guide to Awesomeness - Barrett Johnson

2017-04-23

God invites every young man to a life of awesomeness, but most guys miss out. They settle for fantasy adventures and fake women, wasting their days with their eyes glued to a screen. Using a few words, some great illustrations and dozens of video clips, this guide will help you find a life worth living. It also answers the questions that many young men are asking: *If God wants me to live an awesome life, why am I so bored? *What's the big deal with porn? *When is the right time to start dating? *Why should I save sex for marriage? *How can I start building an awesome life today? Whether you are 13 or 23, this guide will help you to avoid some of the land mines that young men typically step on. It will point you towards the awesome, exciting, passionate life that God has planned for you. *This guy-friendly book includes links to 25 short video

clips to illustrate and enhance the content as you read.

Raising Sons and Loving It! - Gary Oliver 2011-04-19

In these days of daunting headlines, here's some really good news: Your son was God's idea, and you can help him weather the often rocky transition from boyhood to a manhood shaped by God's character and purposes. Drawing from their extensive clinical and personal experience, Gary and Carrie Oliver show you - How boys really are different from girls - Five keys to raising "emotionally intelligent" sons - What your boys need from your marriage -- and from you - How to help your sons cultivate a heart for God - How to cultivate your sons' ability to deal with failure, loss, and grief . . . And much more.

A Christian's Guide to Overcoming Sexual Struggle - Michael Clairborne 2010-10

Every day single Christians are stuck in a spiritual and physical place they cannot control. Their sexual struggle seems too overwhelming to deal with alone. They ask questions like 'Why won't God send me my marriage partner? Should I ever give in sexually while dating? If I have gay feelings, does this mean that I was born to be a homosexual? What causes a sexual impulse?' These questions and many more are answered in Michael Clairborne's *A Christian's Guide to Overcoming Sexual Struggle*. Subjects addressed include: • your true sexual age • sexual impulses • dating a non-Christian • sex and your walk with Jesus • masturbation • homosexuality • tempting situations • forgiveness • sex in marriage And much more.

[Redeemed Sexuality](#) - Tim Konzen 2019-03-12

You are a sexual person. Whether you are single or married, a teenager or an older single adult, God created you as a sexual person. So how do we inhabit our sexuality in a way that brings honor to God? And what exactly is sexuality? Is it just sexual intercourse? Or is it perhaps something much greater? God created them male and female. From the moment of our conception, we are born in this act of creation as a sexual being. God's creation was the work of a master artist. It is vital that we discover both the artwork and the artist. God intended for sex to be a wonderful good. When someone allows God to guide them in how they engage in sex, it can be. However, sometimes sexuality has become a source of shame, guilt, pain, confusion, frustration, and sorrow. Sexual challenges can come from the choices we make, from the things that others do against us, and from the ways in which Satan has inundated the world with a tsunami of destructive words and images about sex.

Those challenges can also come from the lack of being able to talk openly about sex. Perhaps you want to lead a life of sexual purity but you are finding it hard to find solid, biblical answers to some of the very real questions you have. You may feel like you've tried to bring up these things with those involved in your life but that you often receive the same-old trite and empty arguments about purity: "Just wait" or "Just repent" or "God has a plan. Be patient." So how do we reconcile God's intricate and amazing plan for sex with the devastation, destruction, and frustration that sex outside of His plan can cause? How can we pursue purity and honor sexuality at the same time? What exactly is God's plan for sexuality for those who are not married? Redeeming Sexuality answers many of these and other questions that singles, teens, and parents ask the authors in their conferences and sessions, including: What is God's plan for sex? How should single, working professionals, college students, teens, and all other unmarried individuals understand their sexuality in light of God's plan? What is allowed and how far is too far? How can we have healthy, intimate connections with others? What is purity and how do we deal with temptation when it is so hard to escape? How do we work through the damage and pain that is already done? How can parents effectively communicate with their kids about sex? This comprehensive guide strives to bring clarity and understanding to topics that many Christians have trouble discussing. Journey with us as we discover a vibrant understanding of God's plan for redeemed sexuality.

What's the Big Deal? - Stan Jones 2019-08-06

One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Your kids know about sex. But what they've gathered from TV, other kids, or the internet doesn't tell them everything or answer all of their questions. What's the Big Deal? was written to help parents provide the answers to their 8-to-12-year-olds. This book explains the basic facts about sex and related issues such as: Why God made adults so that they want to have sex What God actually says in the Bible about sex and why it's designed for marriage The amazing changes ahead of you during puberty How to respond when you feel sexual pressure from friends, TV shows, movies, and magazines Your kids can read this book with you so you can discuss it together. This provides them the safe space to ask hard questions they might find embarrassing. The book will help kids understand what a beautiful and exciting gift from God sexuality is meant to be. Now revised and updated with: Separate chapters on puberty for boys and girls A chapter on the dangers of pornography An expanded age range (formerly 8 to 11, now 8 to 12)

Raising Boys to Be Good Men - Aaron Gouveia 2020-06-16

"If you are the parent of a boy . . . this is the book you need . . . insightful, enlightened, practical." —Peggy Orenstein, New York Times bestselling author of *Boys & Sex* From the dad who created the viral tweet supporting his son wearing nail polish, this essential parenting guide shares 36 parenting tips for battling gender norms, bringing down "man up" culture, and helping sons realize their potential. Our boys are in a crisis. Toxic masculinity and tough guy-ism are on display daily from our leaders, and we see anger, dysfunction, violence, and depression in young men who are suffocated by harmful social codes. Our young sons are told to stop throwing like a girl. They hear phrases like "man up" when they cry. They are told "boys will be boys" when they behave badly. The "Girl Power" movement has encouraged women to be whoever and do whatever they want, but that sentiment is not often extended to boys. Just watch the bullying when boys try ballet, paint their fingernails, or play with a doll. But we can treat this problem—and the power lies in the

hands of parents. It's not only possible to raise boys who aren't emotionally stifled and shoved into stereotypical gender boxes; it's vital if we want a generation of men who can express their emotions, respect women, and help nurse society back to a halfway healthy place. We can reframe manhood. From Aaron Gouveia, who gained viral fame after tweeting his support for his son's painted fingernails (and who knows toxic masculinity very well), learn practical and actionable tips such as: Don't accept different standards for moms and dads Teach boys that "girl" is not an insult and retire phrases like "boys will be boys" Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor, biting snark, and lived advice, *Raising Boys to Be Good Men* is the essential parenting guide for raising sons to realize their potential outside the box.

Handle With Care! - Julian Kennedy 2017-06-28

God's good gift of sexuality and how to use it for His glory and our good has been corrupted since the creation of the world. Sex between unmarried (fornication), adultery, divorce and remarriage, and homosexuality are accepted as normal in modern society and young people, even Christian young people, are being influenced by this Satanic lie that "if it feels good--do it!" This booklet is sent out with the prayer that it will save many young people from heartache and the curse that these serious sexual sins will bring on them. There is the good way, the biblical or reformed way for living chastely as a single person, finding and courting a mate, and marrying and staying faithful to that mate. This booklet has been a long time since inception to publication! First conceived thirty years ago, very few copies of an older version were produced by Covenant Evangelical Reformed Church for young people in Singapore in 2011. The original has been substantially expanded by quotations from Protestant Reformed Church ministers.
