The Unwanted Wife - Natasha Anders 2014

Delicate, titian-haired Theresa Noble has met her father's associates in the past, but the gorgeous, Italian-born Sandro De Lucci leaves her speechless. Eighteen months into their marriage, however, Sandro has turned to ice. Desperate to escape a relationship that has proven to be as stubbornly passionate as it is cold and hateful, Theresa summons up the courage to ask for a divorce. But before he'll grant her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the

phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must seek an empowering truth about the husband who calls her, with such cold affection, his cara, his beloved.

Accidental Pleasure (Sexy Stories Collection Volume 44) - Stefan McKinnis

2014-04-01

Accidental Pleasure is the second short story collection from erotica author Stefan McKinnis. Featuring ten stories, this collection offers a wide variety, including historical, BDSM, lesbian,

romance, fantasy and paranormal erotica. Containing eight M/F pairings and six with multiple partners. Find the benefits of volunteer work in "The Baseball Game"; discover hidden urges in "Suddenly Submissive"; and watch as two bored housewives decide to spice up their marriages. The Good Ones Always Come Back Summer had been teaching for 10 years. She is careful until one afternoon. It isn't long before youthful dreams become a very real encounter in that empty teacher's lounge. The Baseball Game Josh enjoyed being part of his son's life. So when the Junior scouts were going to a baseball game, Josh was in. He has a wild encounter with the sister of one of the boys and one of her friends before the game. Two Women Lindy and Gretchen were close friends since school. After 15 years of marriage, the women worried about if their husbands still lusted after them. Finally the girls agreed to give more to their husbands. The Holy Man Annabelle and Lewis were sibling on a holy

mission. Unfortunately, the savages attacked their carriages, and their fate changed. Both make the most of their lives, but will they see each other again and will they find happiness? The Pizza Guy Alexis has recurrent dreams of having sex with strangers, dreams that leave her wet and aching for more. Accidental Vampire Barclay never believed the myths about vampires. He talked to his friend John Duncan, and John promised to show his friend some secrets about vampires. The Tennis Coach Gabriella was well on her way to winning the collage pro competition in tennis. She was talented, sweet, sexy, and beautiful which made her a temptation to her coach Kimberly and her husband, Alex. Taken By A Ghost The inn on the California coast was always rumored to have ghosts. Anna's aunt assured her that was all marketing. But it was hard to ignore the strange sounds she heard. What Aliens Want When Melissa and Jack get a funny feeling at a new restaurant,

they discover that they have been taken by aliens and find themselves in a spacecraft cell. Killing Time In Paradise Scarlet, a photographer's wife, and Leo, a moviestar, are in Paris. He soon finds out that Scarlet is feeling just as lonely and abandoned. Scarlet and Leo soon became friends and eventually give in to their attraction on each other. Suddenly Submissive Carly had watched Brad in the neighborhood. He was always respectful. One day he ordered her to get him a drink and she obeyed. Carly has become suddenly submissive. He is just as startled as she, and he's incredibly turned on, as is she. The Teacher Amanda was eager to help Pastor Glen; she soon found herself alone to hear the pastor's talk and being alone with him set off passions neither could control. The Boy Band The Fresh Boys are one of the most popular boy bands around. Faye is just as pure and innocent, and dating the lead Singer, John. When Faye sees John slip a fan a key to his room during a

concert, she is heartbroken. Luckily Isaac, the manager, is there to ease her pain.

Teachers Conference

Stephanie and Amanda had both been offered their first teaching jobs at the Brookline private school just out of college. If she ever thought they would have a difficult time fitting in, watching Stephanie's warm welcome by one of the coaches eased her mind.

Reducing Underage Drinking -

Institute of Medicine

2004-03-26

Alcohol use by young people is extremely dangerous - both to themselves and society at large. Underage alcohol use is associated with traffic fatalities, violence, unsafe sex, suicide, educational failure, and other problem behaviors that diminish the prospects of future success, as well as health risks "and the earlier teens start drinking, the greater the danger. Despite these serious concerns, the media continues to make drinking look attractive to youth, and it remains possible and even easy for teenagers to

get access to alcohol. Why is this dangerous behavior so pervasive? What can be done to prevent it? What will work and who is responsible for making sure it happens? Reducing Underage Drinking addresses these questions and proposes a new way to combat underage alcohol use. It explores the ways in which may different individuals and groups contribute to the problem and how they can be enlisted to prevent it. Reducing Underage Drinking will serve as both a game plan and a call to arms for anyone with an investment in youth health and safety.

Parable of the Sower -

Octavia E. Butler 2023-03-28

This acclaimed post-apocalyptic novel of hope and terror from an award-winning author "pairs well with 1984 or The Handmaid's Tale" and includes a foreword by N. K. Jemisin (John Green, New York Times). When global climate change and economic crises lead to social chaos in the early 2020s, California becomes full of dangers, from pervasive water shortage to masses of

vagabonds who will do anything to live to see another day. Fifteen-year-old Lauren Olamina lives inside a gated community with her preacher father, family, and neighbors, sheltered from the surrounding anarchy. In a society where any vulnerability is a risk, she suffers from hyperempathy, a debilitating sensitivity to others' emotions. Precocious and clear-eyed, Lauren must make her voice heard in order to protect her loved ones from the imminent disasters her small community stubbornly ignores. But what begins as a fight for survival soon leads to something much more: the birth of a new faith . . . and a startling vision of human destiny.

Psychology Around Us - Ronald

Comer 2012-02-07

Volume 44

~~Comer and Gould's Psychology~~

Around Us demonstrates the many-often surprising, always fascinating-intersections of psychology with students' day-to-day lives. Every chapter includes sections on human development, brain function, individual differences and abnormal psychology that occur in that area. These "cut-across" sections highlight how the different fields of psychology are connected to each other and how they connect to everyday life. Every chapter begins with a vignette that shows the power of psychology in understanding a whole range of human behavior. This theme is reinforced throughout the chapter in boxed readings and margin notes that celebrate the extraordinary processes that make the everyday possible and make psychology both meaningful and relevant. The text presents psychology as a unified field the understanding of which flows from connecting its multiple subfields and reinforces the fact that

psychology is a science with all that this implies (research methodology, cutting edge studies, the application of critical thinking).

Amatory Pleasures - Julie Peakman 2016-10-06

Encompassing the long 18th century, Amatory Pleasures examines a broad and enticing variety of topics in the history of sexuality in Georgian times. It includes discussion of sexual perversion, criminal conversation, erotic gardens, gentlemen's homosocial societies, flagellation, pornography, writings of courtesans and the world of female friendship, revealing the secret or hidden meanings circulating between mainstream and covert

activities of the 18th century. Julie Peakman draws connections between these pieces and situates them within current debates and examines how Georgian sexual activity was integrated from low life and high places, from brothels to palaces. Aimed at anyone interested in gender, history of sexuality, sex, literature and 18th-century history, Amatory Pleasures is an invaluable collection of the work of a key scholar in the field.

44 Cranberry Point - Debbie Macomber 2013-06-25

Gossip runs rampant in the quaint town of Cedar Cove when a Vietnam veteran dies in Peggy Beldon's Bed and Breakfast, Jon Bowman and Maryellen Sherman prepare to get married, and several older widows find love and a little bit of scandal.

New York Times Saturday Review of Books and Art -

The Accidental Human - Dakota Cassidy 2009-03-03

Immortality bites- new from the author of *Accidentally Dead* and *The Accidental Werewolf*. Wanda Schwartz is raking in the dough selling Bobbie-Sue Cosmetics-and she's a pro at recruiting new saleswomen. So, she's shocked when a man comes to one of her in-home parties-a very hot man. Heath Jefferson is sure to put some extra spin into a lot of women's color wheels. When Wanda is diagnosed with a terminal illness, it doesn't have to be a death sentence. With a werewolf and a vampire for best friends, she has options that most ordinary people wouldn't. As Wanda ponders what to do about her mortality, Heath reveals he has secrets, and one of them is that his former bloodlust has turned into an old-fashioned lust-for Wanda. And he's already given up too much to lose the love of his lifetimes.
