Ten years after sparks first flew between them in a passionate kiss, a recently divorced woman and a college professor meet in another classroom -- but is it too late to explore what could have been? After leaving her disastrous marriage behind, Shelley Browning goes back to college to get her degree and comes face to face with an unforgettable man from her past. Ten years ago, when she was Grant Chapman's student, they shared a single, scorching, unplanned kiss that still haunts Shelley's dreams. Now, as irresistible as ever, Grant has just returned to teaching after a stint as a congressional aide in Washington . . . and sees no impropriety in asking Shelley out. Isn't this what she secretly longs for? Still, Shelly isn't sure what she really wants. But a stunning accusation is about to change all that -- and she must choose to take some dangerous risks or spend the rest of her life filled with regret.

Leaving Him Behind - Sandra S. Kahn 2011-08-24

Based on over 200 interviews and 13 years of counseling experience, psychologist Sandra Kahn has written the first guide to offer help to women whose unresolved issues keep them emotionally bound to their ex-husbands, even years after a divorce is final. • Does your ex-husband still have the key to your house? • Does your anger about your divorce prevent you from trusting in new relationships? • Do you allow yourself to be seduced by your ex-husband and then hate yourself for letting it happen? If you said yes to any of the above, you may be a victim of the ex-wife syndrome. Psychotherapist Sandra S. Kahn has observed time and again that divorced women often find it difficult to separate from their ex-husbands, even when the marriage is over. Held captive by strong emotions—fear, anger, shame, even love—they relive the past when they need to make a break and forge a new, self-sufficient life. In *Leaving Him Behind*, Kahn helps women to recognize how they are still trapped by a marriage gone bad—and what they can do about it. She offers a step-by-step program to regain self-confidence and independence. Praise for *Leaving Him Behind* "Chock full of advice any divorced woman could use."—The Toronto Star "Thoughtful . . . Helpful . . . Long-divorced women could benefit from [her] advice."—The Cincinnati Post "How to transform . . . into a self-sufficient matriarch,

capable of assuming full responsibility for oneself and one's children . . . Useful hard-nose advice."—Kirkus Reviews

Dating After Divorce - Liga Saltupe 2020-02-07

Dating After Divorce: A Woman's Guide to Finding Herself First This is your handbook for finding your inner self and changing your relationships pattern after divorce. It will help you see yourself as a worthy and lovable woman just as you already are. There are three chapters that cover: 10 emotions you might deal with when you're single and looking for love 10 types of men you'll meet while dating online 10 questions to ask yourself before starting a new, serious relationship Plus, there are more than 20 practical coaching exercises that will help you recover from pain and find love again. A break-up or divorce is like a fire that destroys everything in your house. Once the fire's out, now what do you do? How do you live on? Do you continue to live with the same standards and build the same house again? Or, do you recognize what went wrong and examine what you need to do differently in order to build a new, better house that won't burn down? Your first serious job after divorce is to heal your inner self and recreate yourself exactly as you want to be. The dating process can help you do that. Dating is like a shopping mall where you can buy it all. But what do you want to get? And what can you afford to buy? The main point of dating at this stage is to start seeing yourself as an adult and mature woman. The main point of dating after divorce is not to find a new partner. That shocks most people because they see dating as a way to find a new relationship. But it's absolutely clear that unless you change yourself as a person, you'll choose a partner and a relationship pattern that are exactly the same as the previous ones. Your second job after divorce is to recognize your existing paradigm of relationships, or the so-called "relationship model," and modify it according to your desires. Chapter 1 You'll read about the emotions that you may face while dating. Whatever these emotions are, you should learn how to recognize and manage them. Be aware of them the moment they appear, and learn to control yourself until they're gone. Chapter 2 These are the ten main types of men--or more precisely, male dating behaviors--that you may run into. The descriptions of these personas provide insight into a man's intentions toward you and what you can expect from him. Remember: There are no good or bad types of men. There are only men who are or are not suitable for you at certain stages of your life. Also, every man can behave differently with different women. Basically, it's the woman who determines how a man will treat her! Chapter 3 This chapter helps you with self-analysis. I hope you use it to see more clearly what your needs are right now, and what your nearest and most distant relationship goals are. Each section focuses on practical exercises that help you find out what areas need improvement before you can move toward a serious, long-term relationship. At the end, I want to emphasize that, no matter what the plot is, there's only one princess in every story! It's your story. It's my story. Let's make it the best one possible!

The YOU Plan - Connie Wetzell 2014-01-28

You never thought divorce would happen to you. But it did. You may feel traumatized, relieved, hopeful, afraid, or all of the above. What choices will help you heal? How can you minimize the trauma for your kids? When is too soon to date...and what about sex? How can you learn from your mistakes instead of repeating them? And where is God in all of this? Michelle and Connie have been where you are. They're Christian women who are a little ahead of you on the journey. Michelle was divorced seven years and now is happily remarried. Connie is ten years into the journey and at peace with being single. They've each made good choices and their fair share of mistakes. In this book they rally their collective experience to help you navigate some of the twists and turns of the post-divorce journey, avoid pitfalls, and emerge stronger and more confident. This is not one of those authoritative, "do as we say" tomes. It's a woman-to-woman, been-there-done-that, faithful, and hopeful approach to such topics as acceptance, forgiveness, loneliness, online dating (or "CON-line dating"), sex, money, respect, finding friends, and caring for your physical, financial, and spiritual health. Most of all, it's a powerful reassurance that no matter what has happened or what may happen next, God still has good plans for you. You will live and laugh and love again. This book can help you do it.

Mr. Unavailable and the Fallback Girl - Natalie Lue 2011

Are you the Fallback Girl? If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. Mr Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site BaggageReclaim.com, Mr Unavailable and the Fallback Girl is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. If you want to understand your own availability, and why commitment in a healthy relationship is eluding you, Mr Unavailable and the Fallback Girl is your guide to being available and attracted to healthy, available partners. Note - the book is in British English not US English.

Divorced Girl Smiling - Jackie Pilossoph 2013-11-23

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist.

The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.
