

Assessment And Treatment Of Sex Offenders A Handbook

How to Work with Sex Offenders - Rudy Flora
2014-01-14

How to Work with Sex Offenders is the first complete manual available on the subject for professionals who deal with this population. This user-friendly, comprehensive resource presents new data that will give you techniques for effectively interviewing sex offenders and outlines innovative treatment options in an understandable way, but that is just part of what makes this book unique. How to Work with Sex Offenders walks you through the criminal justice, human services, and mental health systems as applied to sex offenders from start to

finish—you'll learn what happens to the offender from the point when he/she is apprehended, through prosecution, adjudication, and treatment. To view an excerpt online, find the book in our QuickSearch catalog at www.HaworthPress.com.

Handbook for Sexual Abuser Assessment and Treatment - Mark S. Carich 2001

We have come to understand that for many sexual abusers, treatment works -- if we can find the right combination of approaches. The points of view represented here support the urge of treatment providers to keep looking for more effective approaches, and provide a firm basis in

current practice and the history of the field. Editors and authors Mark Carich and Steven Mussack have created a reference that is practitioner-oriented and refuses to shy away from healthy disagreement. The Handbook for sexual abuser assessment and treatment provides the basic outline of treatment approaches and their justification -- the "how and why" of current practice. It is an invaluable resource for any agency treating sexual abusers and taking on new practitioners. Any debate engendered by this volume can only stimulate more effort, enhancing our ability to assist the sexual abusers entrusted to our care. Translating this opportunity into fewer victims in the future is what we are all about.

The Safer Society Handbook of Sexual Abuser Assessment and Treatment - Mark S. Carich 2014-11-01

Violent and Sexual Offenders - Jane L. Ireland 2012-12-06

This book provides an authoritative overview and analysis of issues of assessment, treatment and management of dangerous offenders. It takes particular account of recent policy and legislative changes such as the Sexual Offences Act 2003 and the development of initiatives to manage dangerous offenders, such as MAPPA (Multi-Agency Public Protection Arrangements). The book addresses wider issues of risk and the dangerous offenders in the context of the risk society, questions the relationship between the assessment, treatment and management of offenders, and considers who it is appropriate to involve in this process. The book takes a multi-disciplinary approach to the assessment, treatment and management of violent and sexual offenders, and extends its coverage to include the issue of stalking. Contributors to the book bring to bear a wide range of expertise from both academic and practitioner contexts, and are drawn from the UK, Canada, New Zealand and Switzerland.

The Assessment and Treatment of Sex Offenders
- 1994

The Wiley Handbook on What Works for Offenders with Intellectual and Developmental Disabilities - William R.

Lindsay 2019-12-16

Brings together the growing amount of evidence on the assessment and treatment of offenders with intellectual and developmental disabilities. Written by a team of international experts, this comprehensive and informative book provides a contemporary picture of evidence-based practice for offenders with intellectual and developmental disabilities. By adopting a scientist-practitioner position directed at an academic level with practitioner guidelines, it provides a valuable reference source for professionals from allied disciplines who are using or seeking to apply research for this client group. The Wiley Handbook of What Works for Offenders with Intellectual and Developmental

Disabilities: An Evidence Based Approach to Theory, Assessment and Treatment is divided into five sections: Introduction, Phenotypes & Genotypes and Offending Behavior, Validated Assessments, Treatment, and Conclusions. The Introduction offers an overview of the entire book and is followed by a second overview covering the ethics of evidence-based practice. After that come chapters on protecting the rights of people with intellectual disabilities in correctional settings, and behavioral and cognitive phenotypes in genetic disorders associated with offending. The third part of the book studies the assessment of individuals with anger and violence issues, inappropriate sexual behavior, alcohol abuse, and emotional difficulties. Next comes a section that looks how to offenders can be treated. The final section discusses future directions and requirements for offenders with intellectual and developmental disabilities. Provides an overview of the ethical challenges and issues faced by those who work

with intellectually and developmentally disabled offenders Focuses on proof of treatment effectiveness and validation of assessment methods to direct readers toward "What Works" Features contributions from authors across the entire English-speaking world including the UK, US, Canada, Australia, and New Zealand The Wiley Handbook of What Works for Offenders with Intellectual and Developmental Disabilities: An Evidence Based Approach to Theory, Assessment and Treatment will appeal to all who work in the field of offenders with intellectual and developmental disabilities, including nursing staff, social workers and probation officers, medical and psychology staff, and more.

The Wiley-Blackwell Handbook of Legal and Ethical Aspects of Sex Offender Treatment and Management - Karen Harrison 2013-04-01

This handbook combines the latest theory on a high-profile, complex subject in criminology, exploring the legal and ethical dimensions of society's response to sex offenders in

jurisdictions from the USA to Japan. The first publication to offer a detailed and wide-ranging analysis of legal and ethical issues relating to sex offender treatment and management Covers a range of related issues, from media coverage to equality duties Presents research from numerous national jurisdictions including the UK, USA, Australia, New Zealand, Canada, Norway, Germany, Netherlands, Japan, and Israel Includes perspectives from respected leading academics and practitioners, including William Marshall, Tony Ward, Doug Boer, Daniel Wilcox, and Marnie Rice

Sex Offenders - Fabian M. Saleh M.D.
2009-02-11

This comprehensive reference by nationally recognized experts provides an interdisciplinary overview of existing knowledge about sex offenders. It provides in-depth coverage of the problem of identification, risk assessment and management, treatment, and legal solutions. It seeks to ensure public safety while at the same

Novaco and William Marshall

Handbook of Sexual Assault - William Lamont
Marshall 2013-11-21

A useful tool for practitioners, researchers, theorists, and advanced students, Handbook of Sexual Assault analyzes the nature and extent of the problem of sexual offending and classifies the types of offenders according to an empirically developed system. In addition, contributors present the theories of the etiology and maintenance of sexual offending; offer various perspectives and factors relevant to accurate assessment; and detail contemporary treatment procedures.

Assessment and Treatment of Sex Offenders

- Anthony R. Beech 2009-03-04

A comprehensive resource for practitioners working with sexual offenders. Discusses assessments and interventions, as well as providing a comprehensive literature review. There are around 10,000 convictions or cautions for sexual offences in the UK each year; early

evidence suggests that treatment programmes can halve re-conviction rates. Edited by a University of Birmingham team who are world leaders in researching this area; the subject is of interest worldwide, with strong markets in Canada and New Zealand. Includes material on managing offenders with developmental disabilities and those with Dangerous and Severe Personality Disorder.

Assessing Risk in Sex Offenders - Leam A. Craig
2008-05-23

Assessing Risk in Sex Offenders: A Practitioner's Guide is a handy resource for forensic practitioners responsible for assessing and managing sexual offenders at risk of recidivism. It covers the risk factors associated with sexual recidivism, evaluates risk assessment approaches and offers guidance on how to conduct forensic evaluations. Written by an expert author team, Assessing risk in Sex Offenders: A Practitioner's Guide examines the characteristics of sexual offenders.

Methodological considerations in measuring predictive accuracy
Static and dynamic factors
Structured risk assessments
Treatment of sexual offenders
Policy and practices
Assessing Risk in Sex Offenders: A Practitioner's Guide is an essential resource for clinical and forensic psychologists, forensic psychiatrists, undergraduate and postgraduate students in forensic and clinical psychology, and prison and probation officers.

The Wiley Handbook of What Works with Sexual Offenders - Jean Proulx 2020-06-17
From a rehabilitation series—what works for those who've sexually offended
The Wiley Handbook of What Works with Sexual Offenders is an important addition to the What Works in Offender Rehabilitation handbook series. This handbook specifically looks at the topics of sexual offender theory, assessment, rehabilitation, prevention, policy, and risk management. Current assessment frameworks and intervention programmes are evaluated,

with consideration of treatment efficacy. The handbook provides professionals with an evidence-based approach to the management and rehabilitation of individuals who have sexually offended, while presenting ideas on the prevention of sexual abuse. Concepts and theory behind sexual offender rehabilitation are presented with a focus on how this information can be applied in the development of real-world policies that seek to reduce re-offending. The Wiley Handbook of What Works with Sexual Offenders also includes discussions from renowned international researchers and clinicians on the empirical findings of treatment effectiveness. Presents theory, research, policy, and practice related to sexual offenses
Addresses a full range of topics, such as sexual aggression, structured risk assessment, sexual offenders with intellectual disabilities, and pharmacological treatment of sexual offenders
Discusses how conceptual and theoretical material can be used in establishing policy and

practice As an important reference work, this rehabilitation handbook offers material for practitioners, including probation officers, social workers and psychologists. Each handbook within the What Works in Offender Rehabilitation series studies current theory, policy, and practice related to a type of offending.

The Wiley Handbook on the Theories, Assessment, and Treatment of Sexual Offending - Anthony Beech 2017

The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending - Douglas P. Boer 2016-11-14

The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending is a three-volume collection of up-to-date readings contributed by international experts relating to the assessment, intervention, and theoretical foundations of sexual offending. Includes in-depth and up-to-date assessment and

treatment approaches for adult male, female, juvenile, and cognitively-impaired offenders Features contributions by leading experts in each specialized field from around the world including Bill Marshall, Bill Lindsay, and Tony Ward Offers cutting-edge theories of sexual offending, including the latest multifactorial and single-factor theories

The Oxford Handbook of Sex Offences and Sex Offenders - Teela Sanders 2017

Provides comprehensive, even-handed analysis of the myriad of topics related to sex offenses, including pornography, sex trafficking, criminal justice responses, and the role of social media in sex crimes. Extending beyond the existing scholarly research on the topic, this volume teases out the key debates, controversies, and challenges involved in addressing sex crimes.

The Wiley Handbook on the Theories, Assessment & Treatment of Sexual Offending - Douglas Peter Boer 2016

"The Wiley Handbook on the Theories,

Assessment and Treatment of Sexual Offending is a three-volume collection of up-to-date readings contributed by international experts relating to the assessment, intervention, and theoretical foundations of sexual offending. Includes in-depth and up-to-date assessment and treatment approaches for adult male, female, juvenile, and cognitively-impaired offenders. Features contributions by leading experts in each specialized field from around the world including Bill Marshall, Bill Lindsay, and Tony Ward. Offers cutting-edge theories of sexual offending, including the latest multifactorial and single-factor theories"--

work in the field of offenders with intellectual and developmental disabilities, including nursing staff, social workers and probation officers, medical and psychology staff, and more.

The Essential Handbook of Offender Assessment and Treatment - Clive R. Hollin
2005-01-21

This "Essential Handbook" provides the critical elements from its companion volume, the successful Handbook of Offender Assessment and Treatment. A comprehensive review of assessment and treatment, it covers the major offender groups: sex offenders, violent offenders, offenders with mental and personality disorders, and property offenders. A range of treatment approaches are also included, incorporating behavioural, cognitive, skills-based, anger management, school programs, and family-based approaches. Whilst retaining its international, high quality appeal, The Essential Handbook of Offender Assessment and Treatment is a concise, portable edition for all
