Manslations - Jeff Mac 2009-01-01

THE ULTIMATE INTERPRETER OF GUY BEHAVIOR Why doesn't my man get me flowers? Easy - because flowers don't do anything cool. Will I scare him off if I call him first? No way. Well, not unless he's actually terrified of his phone, in which case you likely have bigger problems. Why can't he just talk to me about our relationship? Yeah . . . and how come a gazelle never waits around to see if that lion is friendly? Men sometimes seem impossible to understand. But it turns out they're about as easy to read as coloring books - if you know what you're looking for. Manslations answers all these questions and more in this hilarious - and honest - guide to what men say, who they are, and why they behave the way they do. "When that guy told you - within thirty seconds of introducing himself at the bar - that he drives a hybrid because he cares about the environment, the manslation is that he was trying to work his way into your bikini areas." Manslations reveals the golden rule that helps you figure out what never to worry about (and what to lose sleep over), plus the two key questions that will help unlock the meaning behind even the most confusing male actions. Capped off by a man-to-woman phrasebook, this is the only relationship guide you'll ever need.

YOUR BOYFRIEND'S BEST GIRLFRIEND: A Tomboy's Guide To Knowing, Loving And Understanding Men - CM Writer 2014-07-05

What happens when a southern tomboy, who grew up "dating like a dude" only to discover she had daddy issues that hurt the men she was once involved with, suffers heart-break and goes on a journey of self-discovery that guides her into frank discussions with men about parenting, relationships, sex, love, and growing pains? "A Tomboy's Guide" begins with the back story of a woman who grows up as a tomboy. It delves into both heavy (a story about sexual assault) and light hearted subjects (asking "Who pays for dates?"). Each chapter includes "YBBG LESSONS" that tackle many of the conflicts that men and women face when dealing with each other in a myriad of relationship settings. ""CONVERSATIONS"" with men from every walk of life, help dispel the negative ways men are normally portrayed. Men open up and show the rawness of emotions they seldom reveal when dealing with relationship issues.

How to Beat A Woman at Her Own Games - Ralph Hemphill 2020-09-01

In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

Dating Games - T.K. Leigh 2019-02-25

My rules for being a Manhattan billionaire's fake girlfriend... No kissing. No fooling around. No falling in love. What can possibly go wrong? Note to self: When your boyfriend dumps you on your thirtieth birthday, it's probably not the smartest idea to drink so much that you wake up in the same bed as the mysterious hottie wearing the gorgeous suit who you noticed sitting across the bar. The only silver lining in my obvious lack of judgment is the promise of never seeing Mr. Suit again, not in a city the size of New York. Or so I thought, until a story I'm working on about the country's most sought-after and elusive escort lands me in the same café as Mr. Suit. So I do what any self-respecting woman of my age would do in my shoes... Try to ignore him. But he won't let me. Instead he makes a proposition that leaves me questioning whether I need to have my ears checked. Be his fake girlfriend for a summer of wealth and excess in the Hamptons. In return, he'll help me win back my boyfriend's heart. Juvenile? You bet. Effective? Could be. Bad idea? Most likely. But what do I have to lose? Apparently, a lot more than I originally bargained for. Let the games begin... *Dating Games* is a standalone modern retelling of Cinderella meeting her billionaire Prince Charming. If you like a sassy heroine, a sinful hero, and a whole lot of laughs, then you'll love this fake relationship romance. * * * What readers are saying about *Dating Games*: "If you love a sassy heroine, a sexy hero, a fake relationship romance, and a whole lot of laughs this a must read book!" - The Little Bookworm "What an astonishingly beautiful love story." - Spellbound Stories "Dating Games is a fun and flirty romance with a fairytale ending that's guaranteed to melt your heart. The angst she can write, the compassion she can pen, and the humor she can tell . . . all make her one of the best of the best." - A Book A Day "Engrossing, entertaining and highly refreshing, yet it will tug at your heart-strings as it evokes a range of emotions from you. - Goodreads Reviewer "This book was brilliant.
