Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Broken on the Wheel of Sex - Jack Ketchum 2015-04-04

Jack Ketchum's "Broken On The Wheel of Sex: The Jerzy Livingston Years" is the most complete edition of the "Stroup" stories ever collected together. Each story also features an afterword by the author. These stories, written from 1976 to 1981, and appearing in various men's magazines and other outlets, offer Ketchum readers a look into this author's formative years. This is where Jack Ketchum honed his writing craft that has become so well known with his novels *The Girl Next Door*, *The Crossing*, *Off Season* and *The Lost*. Collected here is his character simply known as the Stroup, as well as stories written under the pseudonym Jerzy Livingston, which are rare and difficult to locate almost thirty years after the original publications gave them life. "I've called these the Jerzy Livingston years because over half of them were written under that name and the rest under my real one. Somehow Jerzy seems more appropriate for this collection. My adoption of that particular pseudonym was both a joke a play on words and a nod to a very good writer, which I hoped some day to be" --Jack Ketchum, from the author's introduction.

Midwinter Break - Bernard MacLaverty 2017-08-03

A Guardian / Sunday Times / Irish Times / Herald Scotland / Mail on Sunday Book of the Year Winner of the Bord Gáis Novel of the Year 'Midwinter Break is a work of extraordinary emotional precision and sympathy, about coming to terms - to an honest reckoning - with love and the loss of love, with memory and pain...this is a novel of great ambition by an artist at the height of his powers' Colm Tóibín A retired couple, Gerry and Stella Gilmore, fly to Amsterdam for a midwinter break. A holiday to refresh the senses, to see the sights and to generally take stock of what remains of their lives. But amongst the wintry streets

and icy canals we see their relationship fracturing beneath the surface. And when memories re-emerge of a troubled time in their native Ireland things begin to fall apart. As their midwinter break comes to an end, we understand how far apart they are - and can only watch as they struggle to save themselves.

Sex and the Devil's Wager - Lee Huxley 2009-11-25

Anti-erotic elements in feminism have joined forces with Islam and Christianity to condemn prostitution, the male gaze and the natural love men have for the feminine body as a symbol of universal beauty. The author, whose religion is based in Tantra regards these attitudes both wrong and offensive to pagans. Lee Huxley, claims to be a knower - an enlightened one who sees with the third eye and whose wisdom and lateral thinking demonstrate his special insights in this book. Lee knows the truth the unthinkable that Jesus Christ, the hellfire and damnation preacher, is not the Son of God but the Son of Evil. If Christ is the Son of Evil, then Lee argues from this basis, that Judaism, Christianity and Islam are blasphemies. This book asks how Western civilization could be founded on lies, delusions and blasphemies that even today are still taken seriously. This book is the result of a lifetime of research which has culminated in the formulation of the Devils Wager. The Devils Wager challenges you, the reader, to name any moral idea from the worst evildoers of history that is as evil as the central teaching of the Bible and the Koran, namely that God will resurrect the human race and torture most of them in hell for all eternity. Fifty per cent of the damned will be women. The male God of monotheism is a hellfire pyromaniac: Jesus Christ and Allah are arsonists who burn women alive! This is the feminist issue of our times. Lee uses the writings of theologian and lapsed Catholic Mary Daly, one of the greatest feminist thinkers, to explain their common conviction that feminism must now assume the role of the Antichrist and bring an end to monotheism!

Age of Anger - Pankaj Mishra 2017-01-26

How can we explain the origins of the great wave of paranoid hatreds that seem inescapable in our close-knit world - from American 'shooters' and ISIS to Trump, from a rise in vengeful nationalism across the world to racism and misogyny on social media? In *Age of Anger*, Pankaj Mishra answers our bewilderment by casting his gaze back to the eighteenth century, before leading us to the present. He shows that as the world became modern those who were unable to fulfil its promises - freedom, stability and prosperity - were increasingly susceptible to demagogues. The many who came late to this new world or were left, or pushed, behind, reacted in horrifyingly similar ways: intense hatred of invented enemies, attempts to re-create an imaginary golden age, and self-empowerment through spectacular violence. It was from among the ranks of the disaffected that the militants of the 19th century arose - angry young men who became cultural nationalists in Germany, messianic revolutionaries in Russia, bellicose chauvinists in Italy, and anarchist terrorists internationally. Today, just as then, the wider embrace of mass politics, technology, and the pursuit of wealth and individualism has cast many more billions adrift in a literally demoralized world, uprooted from tradition but still far from modernity - with the same terrible results Making startling connections and comparisons, *Age of Anger* is a book of immense urgency and profound argument. It is a history of our present predicament unlike any other.

Women at the Wheel - Katherine J. Parkin 2017-09-26

Women at the Wheel explores women's historical experience with
 automobiles. Katherine Parkin argues that in every regard, from learning
 to drive to repairing cars, from being a passenger to taking the wheel,
 women had a distinct experience with cars in American culture.

Time-Limited Existential Therapy - Alison Strasser 2021-12-13

Explore the concept of time as it applies to the therapeutic setting
 Following the innovative first edition which she co-authored with her late
 father, Freddie Strasser, in the newly revised Second Edition of *Time-*
Limited Existential Therapy: The Wheel of Existence, distinguished
 therapist Alison Strasser delivers an insightful aid to integrating and
 working with existential givens as they arise within a therapeutic
 encounter. She locates the concept of Time as central to all therapies,
 regardless of their theoretical modality, and demonstrates how it can be
 used in brief, short-term, and open-ended therapies. The book relies on
 the concept of The Wheel to provide a framework for understanding
 existential and phenomenological philosophies and to help readers put
 them into practice with clients. It includes meaningful case vignettes that
 bring existential themes to life and is accessible to both therapists and
 interested lay members of the public. Finally, the author highlights how
 our experience with COVID-19 has impacted, and been impacted by, the
 existential themes we all deal with on a regular basis. A thorough
 overview of a commonsense existential approach and a discussion of the

mystery of time Practical discussions of the limitations and possibilities
 of time-limited existential therapies, as well as concepts and methods in
 the area. Comprehensive explorations of the tyranny of high morality,
 and examinations of the body, the "givens" and "connectedness". *Time-*
Limited Existential Therapy: The Wheel of Existence is an indispensable
 resource for experienced psychotherapists, counsellors, social workers,
 coaches, and psychologists, as well as trainees in these fields seeking a
 common-sense approach to existential ideas in the context of therapy.

Newspeak (Routledge Revivals) - Jonathon Green 2013-10-02

George Orwell coined the term 'Newspeak' for his novel 1984, the
 purpose of which was designed to shrink vocabularies and eliminate
 subtlety and nuance. For this dictionary, first published to herald the
 year 1984, Jonathon Green compiled nearly 8, 000 entries - selected
 from the slangs and specific vocabularies of trades, professions and
 interests - covering such areas as the world of entertainment, the media,
 the military economics, and finance. This dictionary provides an accurate
 and useful linguistic guide for students of lexicography and an
 interesting compendium for the general inquisitive reader.

State of Virginity - Ulrike Strasser 2004

An important contribution to the historical study of sexuality and the
 growing feminist literature on the state

The Routledge History of Sex and the Body - Sarah Toulalan 2013

The Routledge History of Sex and the Body provides an overview of the
 main themes surrounding the history of sexuality from 1500 to the
 present day. The history of sex and the body is an expanding field in
 which vibrant debate on, for instance, the history of homosexuality, is
 developing. This book examines the current scholarship and looks
 towards future directions across the field. The volume is divided into
 fourteen thematic chapters, which are split into two chronological
 sections 1500 - 1750 and 1750 to present day. Focusing on the history of
 sexuality and the body in the West but also interactions with a broader
 globe, these thematic chapters survey the major areas of debate and
 discussion. Covering themes such as science, identity, the gaze,
 courtship, reproduction, sexual violence and the importance of race, the
 volume offers a comprehensive view of the history of sex and the body.
 The book concludes with an afterword in which the reader is invited to
 consider some of the 'tensions, problems and areas deserving further
 scrutiny'. Including contributors renowned in their field of expertise, this
 ground-breaking collection is essential reading for all those interested in
 the history of sexuality and the body.
