Relationships In Career Growth And Success - Cristy Kruml 2021-08-11

Many professionals can spend more time with their colleagues and co-workers in the office than they do with their spouses or families. Fostering healthy relationships in the workplace is critical to long-term career success and professional development. Relationships are a vital part of career growth and success. While it's important to have a robust network of contacts, the number of relationships you have matters far less than their quality. In this book, the author will walk you through the various tactics and methodologies for building quality professional connections, as well as the steps for maintaining them in the long term. He will guide you on how to find those people who you can trust-who push you to improve and serve as sounding boards for your ideas - and bring them into your inner circle. He will also discuss your role in leveraging these relationships into personal and professional success.

Building Good Relationships - Garrett Roark 2001

The Secrets of Dating Your Business - Miriam Steketee 2021-04-30

Creating an empire and achieving personal success in your business comes down to one thing: relationships. Strong relationships are the building blocks to catapult you toward your goals, but are you focusing on the right ones in the right way? A healthy relationship with yourself breeds confidence, which allows you to build true bonds with customers and team members instead of simply closing deals. Establishing a strong sense of trust, respect, and care for your team members will better develop leaders and create a culture where people join for the opportunity and stay for the community. In *The Secrets of Dating Your Business*, Miriam Steketee reveals the path to fostering the types of relationships that lead to wild success (and make you feel good inside). Blending her candid approach with funny personal stories from her family, dating, and her own marriage, Miriam offers essential advice for building your business that will improve your personal relationships, too. If you want more money, a thriving

business, and work that brings you and others joy, this book shows you how to get there.

110 Ways to Build a Good Relationship -

Henriette Eiby Christensen 2014-10-17

Have a new boyfriend? Are you getting engaged? Walk through this book with your partner - new - potential - old. This book is not only intended for a relationship with the one and only, but for all relations. "Writing this book has been a wonderful experience to us. We have discussed every corner of relationships we could think of, and it has brought us even closer than we were. We recommend that you read this book with your partner - new, potential, or old - to discuss and explore your relationship at a time when you are both at ease emotionally and you can talk from a place of love." Together, the two authors hold the experience and knowledge to teach you what to do, what to look for, and what to avoid when choosing your life partner. They are, however, not saying you will have no challenges at all, as life is about contrast and learning. My books are all easy reads. In fact you can read them even if you are in a crisis and often in one sitting. They are all full of questions, statements and short sentences as well as quotes, not to mention lots of help to finding your way and stay on track to well-being. They all have lots of room for contemplation and your own notes.
