Cleopatra - Joyce Tyldesley 2011-05-26

She was the last ruler of the Macedonian dynasty of Ptolemies who had ruled Egypt for three centuries. Highly educated (she was the only one of the Ptolemies to read and speak ancient Egyptian as well as the court Greek) and very clever (her famous liaisons with Julius Caesar and Mark Antony were as much to do with politics as the heart), she steered her kingdom through impossibly taxing internal problems and railed against greedy Roman imperialism. Stripping away preconceptions as old as her Roman enemies, Joyce Tyldesley uses all her skills as an Egyptologist to give us this magnificent biography.
