A Love Victorious - Mrs. Georgie Sheldon 1891

**Fate's Love** - L. Cotton  
2014-09-30

When you meet that one person in the world meant for you... you should hold onto them. Olivia Bannon walked away. Twice. When 17-year-old Livy meets Ethan, she can't deny their inexplicable connection. Lost in his dark, intense eyes and smile-to-die-for, Livy never thought she would feel like this. It almost makes her want to break her childhood vow, but Livy knows happily ever after is just an illusion, and despite her heart wanting Ethan, her head is telling her to stick with the plan. The one that doesn't

include falling in love. Period. Eight years later, Livy finds herself back in her hometown. After the way she left things, the last time they were together, Livy is anxious about seeing Ethan again. It shouldn't come as a shock to discover he has finally moved on-but it hurts. A lot. Accepting that she will never get the chance to put things right isn't easy, but it's not until life comes crashing down around her that Livy realizes what she could've had. Left broken, alone, and depressed, only one person can pull her out-the guy she thought she'd pushed away one too many times. Livy has finally realized that you can't fight fate... Some things are just meant to be. Is this finally her time to get it right, or has Livy missed her last chance with Ethan?

**The Red Thread of Fate -**

Yasuko Fujiyama 2016-07-25

In the Orient there is a belief that the gods, using an invisible red thread, connect every person with their destined 'other'. In Japanese legend, the thread is thought to

be tied around the little finger of everyone on earth. According to this myth, the thread can travel everywhere, regardless of time, place and circumstances, until finding its other end. It is also said that the magical thread may be twisted or tangled but never broken. This book follows the myth and consists of four parts representing the four seasons: SPRING - the birth; SUMMER - the flourishing; AUTUMN - the experience; WINTER - the knowledge. On each illustration the invisible thread is hidden, weaving through nature, culture and the myths of traditional and contemporary Japanese life. You, the reader, needs to find and transform the invisible thread into the magical red one, while colouring the rest of the world it passes through using your imagination, and follow the red thread to find its destiny.

Includes 6 pages of characters, icons, traditions and curiosities of Japanese arts and crafts.

Ayla, however, is left heartbroken and cynical after Alpha Aiden chooses Luna over her and her partner of ten years, declaring them to be his chosen mate. Until Alexandar Mercia, the most feared Alpha in the area, comes along. She feels she could be falling for him despite his coldness and aloofness because he whispers to her and holds her like she's made of glass when no one else is around. However, her real mate won't let her go so easy. How is she going to handle her growing love for Alexandar and her link to her true mate.

**Tempting Fate** - Sloane

Kennedy 2020-02-02

Jackson Everyone says what a lucky guy I am. I've got a great kid, an amicable relationship with my ex, and a job working cattle on one of the largest ranches in Eden, Wyoming. Only problem is that "everyone" has no clue that I'm living a half-life. Because the other half is a closeted gay man who's got it bad for the young ranch hand he works with day in and day out. But the very straight Travis isn't an option. And even if he were, my sexy co-worker isn't exactly committed to commitment. So it's time for a change and since gay guys aren't exactly falling off trees in Eden, I'm going to need a little help... Travis It was supposed to be a Friday night

like any other. Me and my best friend heading into town to find some female company for a few hours. And even though Jackson usually goes home alone, he's still a great wingman. Unfortunately, between my impatience to get the night started and my bad habit of snooping, I've learned two things about Jackson in the space of five minutes that have left me all kinds of confused. Jackson's gay. And he's placed a classified ad to try and hook up with some guy he can't get his mind off after a brief run-in at a hardware store in the city. Now I can't get my mind off Jackson. Don't get me wrong, I like the ladies, but why can't I stop thinking about my good-looking best friend and the faceless stranger he's ready to start something new with? Jackson doesn't need some random guy right now. Not when he has me... Oh hell.

All of them, every one, a soul. A soul for the taking. So begins your introduction to the floating, clustered world of souls that will have such influence on Sophia, the young Puerto Rican-American girl who has just lost her closest ally, her grandmother Abuela.
