The Billionaire's Blindness - Vesta Romero

2023-03-01

Can this billionaire stay in love with his angelic nurse after the bandages come off? Zuri I'm the textbook stereotype of an independent woman. A happy, dependable, and compassionate workaholic with a life my friends call boring, but who needs a man when I have a fulfilling job as an ER nurse? I need to get rid of my sizeable loans first. Then, and only then, perhaps focus on love. All rational thoughts desert me upon meeting the mysterious blind man in my care and I make a reckless decision. Will it be worth

it? Kent I'm a happily single bachelor who's just closed a huge merger and am on my way home when a terrible accident ushers me to the ER. I wake up confused and to complete darkness. Temporary blindness they say, but are they lying? My guardian angel nurse has me weak at the knees at first touch and I'm in love, sight unseen. I must make her mine because she means more to me than my billions. Everyone weighs in on this interracial relationship, friends, and family. Is love truly as blind as they say and their love conquers all? or will the magic be as temporary as his blindness? If you love the Cinnamon hero, Instalove, Billionaire, and Curvy woman tropes, then this book is for you.

The Billionaire's Virgin Part 1 - Nikki Steele
2016

From the sexy, steamy best selling novel THE BILLIONAIRE'S VIRGIN comes this stunning short story. I let him kiss me, marveling at the emotions zipping through my body. Hesitation, at first, then fear—that somehow, I would get

this all wrong. I'd never been kissed like this before—at least, not outside my imagination. But that warm touch—his hand in my hair, the other sliding under my coat—it melted the fear away. My lips began working back against his. My hands cautiously roamed his body. I pressed against him, just a little, in excitement. Claire has never been kissed. She hides her curvy figure behind a lab coat and is resigned to the fact that she'll never meet a man. But then Austin walks into her life. He's the rich, powerful, arrogant CEO of the pharmaceutical company she works for—and the most handsome man she's ever met. When they get locked together for the night, sparks will fly... and by the time morning comes, they'll both have discovered something neither of them has had before. This is a story about how Claire, a plus size scientist, and Austin, her handsome Billionaire boss, meet. It includes a raunchy first time scene which is for adults only. Part 1 is a sexy, steamy, short read. It is the first story from the larger standalone

novel The Billionaire's Virgin. It has a minor cliffhanger, because hey - there's a lot more story to come!

Billionaire Daddy & Nanny - Mia Ford

2019-12-14

He was too gorgeous...it was hard to hold my feelings!!! Could I find in my heart to LOVE someone again??? It is always a shock to find your husband with another woman, especially when it felt like you were just starting out together. I wanted it all, and it crashed around me the moment that I opened his office door. I picked up the pieces and went back to my hometown, young and uncertain of what was to come. I had a new job caring for a young girl that just lost her mom and knew that I wanted to help her. I felt like I had a purpose in life, but when I started having feelings for her widowed father, I wondered if I wasn't going down a

dangerous path. But he was gorgeous and the way that he loved his daughter made me fall even harder for him. I knew that I couldn't hold back my feelings, so one night I didn't. Could I be a good mother to this sweet little girl that needed love? Would I be enough woman to please Nick, since he was older than me and had done so much more living?

Author: "Um, okay? Here it is all in one book? Are we good now?" Readers: "Better." Finally, due to readers' demand, here are all the epilogues, short stories, and interval scenes involving Wulf and Rae that come after Billionaires in Disguise: Rae.
