Love, Sex, & Marriage -  
Barrington O. Burrell  
2013-04-09

This is a valuable book on the topical subjects of love, sex and marriage, from a practical Christian perspective. The author uses clear, understandable language to point out the God-given purpose of sex in marriage, and some of the potential dangers of sexual abuse. He explores the early beginnings of newborn babies and their subsequent growth over the years to puberty and adolescence. 'Teenagers are like strangers in a foreign country. They are experiencing a difficult period of transition between childhood and adulthood. At this crucial stage of their development, young people have a keen interest in

fashion, music and sex. Many are sexually active, and some begin to think about marriage and family life, although they often confuse love with lust, and they are not mature enough to assume the responsibility of parenthood.'

**From This Day Forward** -  
Willie Oliver 2015-01-01

The most challenging and the most important aspects of peopleÆs lives the world over are having meaningful and happy relationships. What God meant for harmony and symphonic communication often turns to frustration, fear, and despair. Being intentional about connecting and creating a positive and safe environment for the people we have relationships with are what make marriage, families, and friendships worthy and worthwhile ventures. This kind of relationship makes for happy and productive people, who

contribute to the well-being of the home, church, and society. But it is not possible without the power and help of our heavenly Father. In *Real Family Talk*, Willie and Elaine Oliver answer questions from real people with problems just like yours, on dating, doctrines, infidelity, parenting, and sex—anything and everything relating to relationships. Book jacket.

**God on Sex** - Daniel L. Akin  
2003

Daniel Akin does not write in a vacuum. Having led over 300 marriage seminars across the United States, he is in touch with contemporary distorted perceptions of sex. But the Bible is not silent on this subject. As a matter of fact it has much to say. As the creator of sex, God knows and has imparted the knowledge of the conditions for sex at its best. Daniel Akin sets the many and varied misconceptions about sex alongside God's design to reveal His intention and blessing for this vital dimension of life.

Passion Pursuit - Linda Dillow

2013-07-22

A Bible study about sex for women? Now that's different! This new study, *Passion Pursuit: What Kind of Love Are You Making?*, lets God's Word speak about sex as being holy and erotic, blessed by God, and satisfying far beyond what the world can even imagine.

Picture that as a headline on the cover of *Cosmopolitan*! By using scripture throughout the Bible, *Passion Pursuit* not only urges women to pursue passion but details how God has given them permission to do so.

Though there is fun to be had along the way in this study, it hits hard on the questions women have but are hesitant to ask, like: What does God say is okay and not okay in the bedroom? I'm 54 years old; how can my husband still be attracted to me? Why did God make men and women so different? This audaciously bold study combines the psychological expertise of Dr Juli Slattery, formerly of *Focus on the Family*, along with moving stories from trusted Bible teacher and best-selling

**Communication and Family** -

Randy Wallace 2019-07-19

In this book I talked to men in their 40, 50, 60, and 70, and have been married to the same woman for over 25 plus years to find out what they thoughts are about these topics. I had only one requirement of them and it was that they be honest about their answer and I believe they were. I also talked to single men in their 30, 40, 50, and 60, to see what their thoughts were about these topics.

Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to

bring healing and intimacy into a person's life.

[Loveology Bible Study Guide](#) -  
John Mark Comer 2014-02-04

In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is a theology of love from God's point of view. The five sessions start with God's design for marriage and works backward, dealing with sexuality, romance, singleness, and what it means to be male and female. Pastor and writer John Mark Comer shares about what is right in male/female relationships—what God intended in the Garden. And about what is wrong—the fallout in a post-Eden world. The Loveology video-based Bible study (DVD/digital video sold separately) is for anyone who wants to learn what the Scriptures have to say about sexuality and relationships and for people who want to ask the why questions and get intelligent, grace-and-truth answers. As you walk through this five-week study, you will come to better understand

what God fully intended back in the garden. By comprehending the brilliance behind God's original plan for love and marriage and sex and romance—if we can redefine that fuzzy, amorphous, confusing word “love” and look at it through the lens of Jesus—your marriages and relationships will be radically altered as a result. This study guide contains video notes, individual or group reflection questions, and between session personal applications to enhance your journey through the video study. Sessions include: Love Marriage Sex Romance Singleness Designed for use with Loveology Video Study 9780310688389 (sold separately).

Finally--a theology of love that will help you navigate the confusing waters of modern relationship. In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. With an autobiographical thread that turns a book into a story, pastor and speaker John Mark Comer shares about what is right in male/female relationships--what God intended in the Garden. And about what is wrong--the fallout in a post-Eden world. Loveology starts with marriage and works backward. Comer deals with sexuality, romance, singleness, and what it means

to be male and female; ending with a raw, uncut, anything goes Q and A dealing with the most asked questions about sexuality and relationships. This is a book for singles, engaged couples, and the newly married--both inside and outside the church--who want to learn what the Scriptures have to say about sexuality and relationships. For those who are tired of Hollywood's propaganda, and the church's silence. And for people who want to ask the why questions and get intelligent, nuanced, grace-and-truth answers, rooted in the Scriptures.

### **Faith Love and Sex -**

Somtochukwu Ume 2012-10-26  
This book is about the three common words we normally say, their meaning and their impacts in our daily lives. Many Christians use the word faith often but only few truly have it. This book will teach you more about faith, the application, importance and how we can apply it in our daily lives. As human beings we need faith to help us stay strong in stormy times. Another important topic

discussed in this book is "love". In our world today, love is the most common word used. We use it mostly on daily basis; we understand and define it in so many ways but only few know the true meaning of it. I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl. Some people believe in love at first sight, I'm not against it, I know something will get you attracted from somebody before you can make a move, but that attraction doesn't mean you love the person, is only being close with someone that you will get to develop real love. Real love develops is not based on physical attraction. Another important word discussed is sex. Nobody in this life can tell me he/she has never heard of sex. Sex is everywhere. This book will teach you some things you have to know about sex; it is not something you haven't heard of, but teachings in biblical way.

*Sex and Love in the Home* -

David Matzko McCarthy 2001

This groundbreaking book puts forward strong arguments which run against the main currents in the prevailing theology of marriage. David McCarthy challenges those accounts which treat the interpersonal aspects of marriage apart from economic and political questions, and proposes that marriage and family flourish when part of an interdependent network of households in community. In so doing, he draws upon anthropological accounts of community-based reciprocity, sociologies of economy, and theological conceptions of the social body. For McCarthy, the true superiority of sex in marriage is that it doesn't have to mean very much: most sex within marriage is just ordinary, a minor episode in a larger story - it need not point to the full meaning of a sexual relationship. Expressed

sexually or otherwise, our 'humanity' is something which here accumulates quietly and through small steps.

Throughout the book, day to day life in the neighbourhood is put into conversation with theological enquiry about the love of God and the role of the church in the world. The book therefore has a strong practical element, and is conceived as a tool for teaching as part of a college course, in discussion of God, Love, Life and Sex - 2013

Love, Sex and Marriage - Dan Cohn-Sherbok 2013-04-30

In all three Abrahamic faiths, Judaism, Christianity and Islam, marriage is part of God's plan for humanity, as illustrated in the Hebrew Scriptures, the New Testament, and the Koran as well as the religious literature of these three traditions. It is viewed as a sacred bond as well as a means to personal fulfilment. It is more than a legal contract, rather an institution with cosmic significance, legitimized through divine authority. In

Judaism, Christianity and Islam, the purpose of marriage is to build a home, create a family and thereby perpetuate society. Yet, despite the similarity of perception in the great monotheistic faiths, there are important differences. In this book three scholars outline sex law, betrothal and marriage, family life and the understanding of divorce in these traditions and discuss the differences between them in a student-friendly and accessible way.

### **Sex, Love, and Families -**

Jason King 2020-04-15

2021 Association of Catholic Publishers first place award in theology 2021 Catholic Media Association Award first place award in marriage and family living Six years into the papacy of Pope Francis, Catholics are still figuring out how to respond to his image of the church as a field hospital—a church that goes into the streets rather than remaining locked up behind closed doors. Marriage and family are primary sites of the field hospital, called to meet

people's need for healing and accompaniment with compassion and love. The authors of this collection—all lay, a mix of single and married, traditional and progressive Catholics—take up this work. They offer practical wisdom from and critical engagement with the Catholic tradition but avoid rehashing decades-old theological debates. Instead, their essays engage with and respond to realities shaping contemporary family life, like religious pluralism, technology, migration, racism, sex and gender, incarceration, consumerism, and the call to holiness. The result is a collection that envisions ways that families can be places of healing and love in and for the world. List of contributors: Jennifer Beste Megan K.
