Sowing the Wind Linton, Eliza Lynn 2015-02-05 St John Aylott's life is in turmoil. With his social status already under threat, even his virtuous wife Isola is questioning his authority. Influenced by her tomboyish cousin, journalist Jane Osborn, who provides female solidarity and strong opinions, Isola fights to assert her subjectivity over a tyrannical husband; meanwhile Jane is forced to adjust to the masculine world of work on a daily newspaper. Sowing the Wind was Eliza Lynn Linton's first critically successful novel. Written during the breakdown of her marriage, it is openly, and often painfully, autobiographical. With its themes of inheritance, concealed identity, madness, and domestic violence, Linton's novel epitomises the sensation genre. The Athenaeum reviewer concluded: "The primary idea of the book is ingenious, and it is consistently kept in view throughout the narrative. We recommend readers in search of an uncommon novel to send for Sowing the Wind." The Saturday Review was terrified by the "dark hints of what would happen if women, instead of men, had the making of the laws". This edition includes a critical introduction, explanatory footnotes, bibliography, and additional contextual material.

Thirty-eight-year-old Jenna Stewart was the quintessential 1950s housewife of the 20th century. And just as she'd learned at theater college all those years ago, she gave the role of wife and mother everything she had. So as she sat at the breakfast nook of her family home after she'd fed her troops and waved them off to work and school, the last thing she expected was to learn that her husband wanted a divorce. Top county surgeon Dave Stewart had everything--a loving wife, two beautiful children, a grand home, and a successful career. **D-tours** Jonathan Baumbach 1998 A dying woman, the love of his life, awaits Max, the narrator-hero, in his hotel room while he finds his way back, caught like a sleepwalker in a succession of daunting adventures, contending with, in part, vampires, spies, serial killers, femmes fatales, alien worlds, giant apes and mad scientists, all the time awaiting the return of his absent memory. D-Tours is probably not on your itinerary; it is the evasive side-step you take that gets you everywhere. It is the private tour of America you take each night that you never quite shake yourself awake from to remember. Jonathan Baumbach's wild ride of a novel is a satire and celebration of movie narratives, running them one after another, one into another like fairy tales or cultural jetsam or primal dreams. In another sense, D-Tours is a kind of 1001 Nights at the Drive-in. And you are there with the narrator-hero, like Scheherazade telling your story in every imaginable variation, because your very survival depends on reinventing the world.

Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper.
