**How To Attract Women** - Steve Dean

2020-01-16

Are you looking forward to a Perfect Dating? Do you want to pass women's tests by decoding their behavior and effortlessly attracting the woman of your dreams? If yes, then keep reading... Whether you're a fan of it or not, chivalry is still very much alive and kicking. All women are romantics at heart, and their fairytale romances almost always begin and end with a prince that sweeps them off their feet. They want and desire to be taken care of, and men often feel the reciprocal need to be the protector and caretaker. Chivalry is in a sense, directly tied to our modern-day conception of romance. But chivalry is taking care of your woman in the primal way that a man does for his mate... and not in the way that a father takes care of his daughter. Your interactions must straddle the sometimes-thin line between your chivalrous instincts and smothering father territory. Fathering has the distinct effect of making someone feel smothered and that they are being tracked by someone for their own purposes - not that they are being taken care of and treated like a princess. For those of you that did not have overbearing fathers growing up, here's what fathers do: ask you where they were, ask you to check in with them, account for time away from them, be overly clingy and focused on you, place their own expectations on you, be preachy about what you're doing and who you're seeing, dote too much, and assume that will be spent together. Some women ultimately come to the conclusion that they want to marry someone very similar to their father - but absolutely not in this aspect. They spent (around) eighteen years living under the same roof with them and taking orders from them already, they don't want any more! You will create the same instinct that a woman will feel if you overly dote and become dependent and clingy on her. She'll feel cornered and instantly look for an escape route... and by creating that distance, it instantly turns you into the pursuer. We've gone over why this is a losing proposition for you. She might even lash out against you as a daughter would to

her father setting her curfew. Even if she likes you and doesn't mind the excessive amount of attention and oversight, you create a negative association with each of your interactions - she will feel obligated to spend time with you, and may even do so out of guilt. You're putting your expectations on someone else, and anytime that happens, they will feel burdened to have to live up to them. Is it positive to have someone spend time with you out of a feeling of duty or guilt? Of course not! Your time spent together and dates should be highly anticipated and looked forward to. So how does the Jerk Complex treat his mate, where the True Jerk just doesn't care? He protects her, but he doesn't dote on her safety. He takes care of her, but doesn't nag that everything is in order. He protects her but doesn't make her carry her rape whistle. He takes advantage of the romantic side and charming side of chivalry and doesn't stay mired in treating her like a princess. The Jerk Complex can take care of himself, and assumes that his woman can as well. Your focus should be on romantic gestures that a mate uses for seduction, and not overbearing fatherly gestures that will drive her to rebel against you. This book gives a comprehensive guide on the following: How women test men What is the behavior of women? Be your own man and earn her respect. The importance of being self-confidence Adding more benefits to your love life with texting How to be attractive to women How to tell stories that activate her imagination and make her want more How to start fun conversations & keep them going Making sure you'll do it right ... **WHAT WOMEN WANT** - Frank Field 2022-02-23  
How to Become the Man Women Want to Love and Follow...In Every Way. To attract and, more significantly, KEEP a nice woman in your life, you must become the kind of guy she can't live without. When it comes to dating and connecting to women, this is your responsibility as a male. To make a lady desire you, you don't need a slew of seduction methods, mind games, or pick-up lines. Because, quite honestly, no seduction method can turn a woman on and make her desire you if she does not RESPECT you as a man. A woman will not trust you if she does not respect you as a man. If she can't put her faith in you, she won't be able to fall or stay in love with you. Learn the Secrets of What Women Look for in a Man. You may study all there is to know about making women desire you and yet fall short of mastering the "inner game" of being a guy who naturally draws women. Some males even learn various "seduction secrets" for enticing women, only to wind up in bad relationships with low-quality women. The majority of males do not grasp how women think. **The Female Logic** - Bryan Bruce 2020-11-07  
DO YOU WANT TO DISCOVER HOW WOMEN SECRETLY TEST MEN AND WHAT IT IS THAT WOMEN WANT IN A MAN WHEN THEY TEST MEN?There is no denying the fact that ladies love to throw the guys off balance when it comes to romantic relationships. In any pick up attempt, the chase is on and they know you want them but you are not going to get it that easily so they test you. They test you to see if you are worthy to have the trophy. WHY DO WOMEN TEST MEN?The thing is some ladies don't even know they are doing this. That's because the test is a built in psychological mechanism to test your resolve and for them to know the stuff you are made of. Sometimes the test is a sign of emotional weakness or insecurities on the part of the girl. But for majority of other girls, they know and understand what you are; a pick up artist. They know the name of the game and if they do enjoy it then they are going to test you.  
1- Do you have what it takes to truly love and care for them?  
2- Are you mentally, psychologically and emotionally secure to love them like a real man.  
3- Do you essentially have a back bone to make tough calls as need be?  
4- Do

you know how to play at their level without losing your man-hood?5- Can you take the lead in tough situations and own up if you make mistakes? How to Attract Men Worth Dating and Get the Guy You Really Want When it comes to finding a suitable mate for a passion filled, committed relationship, one of the things men want most in a woman is self-possession, or said another way, womanly poise. When high-quality men come across a woman with poise they crave her respect, her approval, and most importantly, her love. Men like this understand that a woman's poise reflects her self-worth. And they know that a woman can only act with poise when she's placed a higher importance on her dignity and well-being than she does on ANY man. It is this unique female attitude that drives a man wild with sustainable desire, the kind of desire that makes him eager to commit to a woman and claim her as his own. Even More When a woman lacks poise she generally gives too much of herself, and usually at the most ineffective times when dating a man. She is too lenient with men in the beginning stages of a new romance, and she's prone to compromising her standards just to keep a man in her life. Women like this unknowingly chase men, as they become frantic, frustrated, and foolhardy whenever the guy they want begins to pull away or lose interest in them. A woman with poise never chases or throws herself at a man, nor does she make things easy for him by clearing her schedule "just in case" he calls or comes around. Instead, a woman with poise maintains her mystery, sticks to her standards, and uses her feminine charms to invite men to either pursue her passionately or leave her alone. How to Date like a High-Value Woman and Be Irresistible to Mr. Right It's easy to show class and character when things are going your way with a guy. But your ability to remain unfazed amid his disrespect or disinterest is what really helps him determine whether you are a high-value woman or not. A man will not always act in ways that are favorable to you. Sure, some men are scumbags, but not all men who act thoughtlessly towards you should be categorized this way. Therefore, if you want to separate the good guys from the time wasters it's important to act with poise. This book was designed for women who want to go from being powerless to being irresistible to men. In it, you'll discover the secrets to having more confidence and power with men and dating as you learn the beliefs, attitudes, dating rules, "love habits", and seduction secrets of the high-value woman. Here's what you're going to learn inside: What to say when you want to "slow things down" with a guy without losing his interest in you. The most seductive first date "good deed" that can CAPTURE a man's desire and make him desperate to see you again. The #1 key to conquering a man's heart during the

early dating stages. (This is something most women only figure out after YEARS of painful trial and error.) How to get a boyfriend by avoiding a HUGE relationship-killing mistake most women make within the first few weeks of dating. The single most irresistible feminine attitude that easily overwhelms a man's emotions and makes it IMPOSSIBLE for him to get you off his mind. How to get a man to treat you like a top priority (instead of his Plan B) once you start dating him. How to maintain the "Queen's Composure" when men pull away and how to use it to make the good ones come RUNNING back to you. The "dating rules" high-value women use to quickly eliminate players and find Mr. Right. And much, much more... Would You Like to Know More? Get started right away and discover how to date like a high-value woman to get the guy you want without getting played. Scroll to the top of the page and select the "buy button" now.
