

# How To Make Pisces Woman Want You

*SignMates* Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's *SignMates*. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good

news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship. First of all, I thank you for choosing me as your "lucky charm" and I wish to tell you that like every year, now there are 9, the formula has not changed, but I have expanded it so much with new contents to make our "Horoscope- Magical Days" also an astrology book, so you will be lucky enough to have 2 books for the price of 1! Astrology blends with the horoscope, as in a perfect couple dance, to give you useful information to put your potential to good use and improve your new year so much as to make it more fortunate. I will suggest you, with the help of the Stars, sometimes with irony, not to bore you, the best moments of each month of 2022 to get what you want. I chose the e-Book formula to have the privilege of always being with you! I don't want to be forgotten in a drawer, but to be useful to you every day. This year I decided to expand, always with a pinch of irony, the sector of love, a topic that appeals to all ages, by adding a chapter on couple affinities. Love always gives us that indefinable extra something that allows us to see only the good things in life. But what is "Luck"? It is being in the right place at the right time, a meeting with a person who changes our lives for the better, knowing how to seize opportunities, but also that inexplicable something that improves our existence even economically, an aspect that is certainly not negligible as Marilyn Monroe and Woody Allen said: "They say that money does not make happiness, but if I weep rather do it in the back seat of a Rolls Royce rather than on a car of the Underground" Marylin M. "Money doesn't give happiness, but it
