The Dragonmaster Trilogy Collection - Katie Cross 2020-08-02

The Dragonmaster Trilogy collection is a compilation of three stunning YA Fantasy novels, FLAME, FLIGHT and FREEDOM. Join sisterwitches Sanna and Isadora Spence as they grow into a new world of dragons, unexpected magic, and struggles that test the enduring bonds of sisterhood. FLAME In Anguis, magic is forbidden. Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden village is destined to crack. Soon, Sanna's deep love for the giant beasts causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change. FLIGHT A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmasters home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her reluctant shoulders. When a devastating tragedy strikes the Dragonmaster families, Sanna is forced to face a world she never knew

existed. Isadora, on the other hand, is too busy with her new life to worry about her old one. In the midst of training with her perpetually annoyed mentor, Maximillion, Isadora is unexpectedly taken away from home and thrust into a dangerous game. Her life is now in the hands of her most terrifying enemy: Cecelia Bianchi. Both sisters are far from home and over their heads. Can they marshal their courage to save those they care about? Or will their expanding horizons prove to be their biggest danger yet? Join the beloved sisters from FLAME in a new tale about growing up, moving on, and finding the courage within. FREEDOM Isadora Spence knows two things: 1) she's tired of all the wars and wants them to stop and 2) she never wants to see Maximillion Sinclair again. Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network. She's determined to create a pact for peace and save lives, but when events spiral into far more dangerous territory, she realizes the only witch she can trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover that Prana isn't the only enemy they face. In a world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches?

FREEDOM is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of your seat, and ask you to answer the most impossible question of all: What is freedom?

Why We Love - Helen Fisher 2005-01-02

A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. Why We Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, Why We Love offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.

How to Tell If Someone Truly Loves You - Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER.
