

How Do You Have Tantric Sex

Tantric Sex for Men Diana Richardson 2010-06-18 A revolutionary approach to male sexuality offers the keys to achieving sexual fulfillment • Teaches how to retain semen for increased vitality and longer lovemaking • Explains the relationship-strengthening benefits of deep, sustained penetration • Includes foreplay approaches and position sequences Fulfilling sex nourishes love, increases vitality, and boosts mental health. Unfortunately, prevailing attitudes about male sexuality and what is good sex work against these innate features by focusing on the excitement of ejaculation as the one and only goal. Using the tantric guidelines they have practiced for more than 25 years, Diana and Michael Richardson show men how to move beyond their preconceptions of sex as a goal-oriented--and often unintentionally stressful--event so they can relax into sex as a meditative union of complementary energies. They explain how retaining semen allows for increased vitality and extended lovemaking sessions and show the relationship-strengthening benefits of deep, sustained penetration. They also explain how to perform soft penetration and how to avoid premature ejaculation. *Tantric Sex for Men* includes tried-and-true foreplay approaches, diagrams of sexual position sequences, ways to increase sexual sensitivity through awareness, and how to have ecstatic experiences through reaching a woman's body on a sexually deeper level. The authors also demonstrate how the sexual organs can be used to heal both men and women physically, emotionally, and spiritually.

guide to start practicing tantric sex? Then keep reading... A typical fantasy sex scene is conjured up in the mind. The setting is perfect; soft lighting, light aromas. A man may be muscle-bound, physically strong, tall and handsome, incredibly romantic, and a woman may be aesthetically beautiful, slim with perky breasts, smooth skin, and soft hair, wet and waiting. The sex itself is spontaneous and powerful. He bursts through the door and she is waiting for him in nothing but one of his work shirts. He gingerly picks her up by the waist and she wraps her legs around him as he carries her to the bedroom to make love to her for hours, but they are so impassioned that they don't make it -- and wind up ripping into each other on the staircase on the way up. A typical run-of-the-mill sex scenario between a long-term married couple may be that one partner is stressed from a long day at work and wants to get some sexual release before heading to bed, while the other would rather just read their book in peace, go to sleep unbothered and worry about sex some other time when they are in the mood. In order to avoid conflict and disappointment, one partner gives in to the others desires and the same old sex takes place in the same old bed underneath the same old covers in the same old boring positions; eyes closed and lights off... boring! When sex becomes too boring and too routine, rather than being aroused and looking forward to pleasing and being pleased, people "give up". They wonder how much longer they have to engage in foreplay before it is okay to get to the orgasm. Sometimes people also take issues from outside the bedroom into it, maybe thinking "I'm still mad at him/her from earlier, why on Earth would I give sexual pleasure right now"? Sometimes other insecurities and issues can come into play as well. Maybe there is a problem with premature ejaculation so the other partner rarely reaches their peak, and the focus is just on "getting the job done" so they can move on to other more interesting and engaging activities (like sleep)! Either way, if the sex exists at all, it is brief, goal (orgasm) oriented and is over as quickly as possible. You will

Yoga, tantra and other forms of Asian meditation are practised in modernized forms throughout the world today, but most introductions to Hinduism or Buddhism tell only part of the story of how they developed. This book is an interpretation of the history of Indic religions up to around 1200 CE, with particular focus on the development of yogic and tantric traditions. It assesses how much we really know about this period, and asks what sense we can make of the evolution of yogic and tantric practices, which were to become such central and important features of the Indic religious scene. Its originality lies in seeking to understand these traditions in terms of the total social and religious context of South Asian society during this period, including the religious practices of the general population with their close engagement with family, gender, economic life and other pragmatic concerns.

What if you could experience full-body orgasms that lasted for hours? Doesn't that sound incredible? The truth is, the strength of your relationship is not forged during the dates you have or how much time you spend together as a couple. A strong, loving bond that can withstand the test of time is built during the most precious and intimate moments you share with your partner. It is built during sex. Having sex should be more than just satisfying your hormonal lust or desires. Sex should be a time when you connect with your partner in a way so deep, you're both brought to the brink of ultimate bliss. Originating in India sometime between 300 and 400 of the Common Era (CE), the concept of tantra can be detected dating back to 2000 BC.

Ancient civilizations have long been harnessing the power of this remarkable practice, and the modern world we live in is only now waking up all the glorious possibilities tantric sex can bring.

Tantric sex is not a religion. It is a practice and a way of life. It doesn't just teach you the various sex methods you could use for greater pleasure alone. It teaches you how to give and receive the loving energy between a pair of lovers. It teaches you about awakening the internal spirit, the energy of life that flows within us all to connect with your spiritual side, and restore meaning to your life. It reminds us that our bodies are a temple and that within every man and woman, there resides a God and Goddess.

Tantric sex is about connecting with your partner so deeply that

in that union, you feel like you may have found your soul mate at last. You Will Learn: Tantra's emotional and cultural origins Why tantric sex is better than regular sex How to bring out your partner's sensual side Overcoming the myths to discover the truth How to awaken your body and free your mind The true power of breath and what it can do for your sexual experience How to harness the power of your sexual energy How to transform your sexual energy using your chakras How to manipulate the senses for greater intimacy What the erotic awakening massage can do for you Understanding the universal hum The best tantric sex positions to try today There's more to tantra than meets the sexual eye, and this book aims to help you understand why it should be seen as a way to connect meaningfully with your partner rather than seeing it as nothing more than a way for you to have an orgasm. Embrace tantra fully, and you'll live your life with freedom and passion you never knew before. Tantra doesn't just teach you how to connect with your partner. It teaches you how to connect with your world. Tantra is a practice that benefits both men and women, and we'll provide step-by-step guides about how you can work together with your partner the way you are supposed to. This book is not going to tell you how to do it. It's going to show you how to do it. Are You Ready to Change Your Sexual Experience for the Better? Download Now! Your sexual awakening awaits.

Tantric Sex Positions Gerald Danger 2020-01-06 Delaying orgasm will have you experiencing the best sex you've ever had. Find out why... Is the connection or passion between you and your partner slowly fizzling away, to the point where sex almost begins to feel like a "chore"? Or alternatively, have you and your significant other stopped having sex altogether because you either don't feel in sync, or you just can't seem to please each other? Are you searching for a new way to spice up your sex life, one that will make the experience more exciting and adventurous, hopefully bringing you to the ultimate climax? If any of these ring a bell for you, then you're in luck, because tantric sex may just be exactly what you're looking for and are in desperate need of. The topic of unfulfilling sex is, for many, a taboo subject to discuss with others because you may feel as if it's your own fault for not reaching peak pleasure. This, however, is not true. Nearly everyone has experienced mediocre sex before. You know, the kind that leaves you with the lingering thought of: Was that it? Just now thinking back to your own cringe-worthy encounters, I'm sure your face is scrunching up and making funny contortions as you read this. It doesn't have to continue in this way, however, as the ancient Hindu practice of tantra will allow you to experience

Tantra for Couples Richard Jakes 2020-04-08 Filled with various sex positions, a more profound sense of connection, and sure way to get repeated orgasms, Tantra for couples will change your sex life forever. Tantra for couples is a book that explores the tantric sex positions. It brings a slower yet effective way of making love to the ones we adore. It beats the regular quickies and fast sex styles that many are used to. In this book, you will be able to not only experience sex on a new dimension, but you will also learn how to reduce your stress levels to enable you to enjoy the experience. Here, you will be experiencing a god-like feeling to your experience because the book will engage the use of every sense of your body as well as every method to heighten the experience. It will not only build a deeper connection between you and your partner, but it will also heal you of past hurts, pain, and anger. Moreover, you are getting access to unlock some exciting parts of yourself. While many people would have recommended that you open your souls to the new reality by visiting the deepest parts of the forests, cutting your hair, and avoiding human connection, this book will guide you on how to use sex to have the experience. It uses the human relationships to get a quicker result than the insight many would have gained from going the ways of monks. This book covers the following topics: - What is Tantra? - The best tantric sex position that you'll need to learn to improve your sexual compatibility - The single most important rule to take your intimacy to the next level - Sacred sex positions that you should try at least on time in your life - Preparing your mind for sex - Secret mind sex games - Tantric exercises which can make you perform better in bed - Tantric massages and yoga - How to connect with your partner's sexual needs and fulfill their sexual desires You have here just the right tool for a great sex experience that was always the method of royalties and lords, which has always kept them satisfied with themselves and others.

greatest orgasmic sensations you can imagine, but that you will develop a significant expansion of self, a spiritual connection, and soulful healing, that cannot be delivered by any manufactured means? This ancient Hindu form of tantra dates back nearly 5,000 years and teaches us that life itself is an endless cycle of sex full of myriad sensations. The act of sex is ultimately an act of one's most honest and vulnerable expression of one's spirituality. Based on this, tantra teaches us the ways to create a supreme connection with every piece of life and how to worship that in the sexual experiences we share. By practicing these ways, we find ourselves in a calm and peaceful state of acceptance each day, and we find ourselves reaching new heights of sensual pleasures at night. If you've ever longed for better communication with your lover, or if you've needed a new element to your sex life together now more than ever, the time has come to learn how. If you've ever craved for sexual healing and true intimacy, satiate your desires. If you've ever fantasized about deeply erotic pleasures and hours of sexual bliss, make it real. Tantric Sex Lauren RICHARDSON 2020-04-23 Are you looking for a guide to start practicing tantric sex? Then keep reading... A typical fantasy sex scene is conjured up in the mind. The setting is perfect; soft lighting, light aromas. A man may be muscle-bound, physically strong, tall and handsome, incredibly romantic, and a woman may be aesthetically beautiful, slim with perky breasts, smooth skin, and soft hair, wet and waiting. The sex itself is

spontaneous and powerful. He bursts through the door and she is waiting for him in nothing but one of his work shirts. He gingerly picks her up by the waist and she wraps her legs around him as he carries her to the bedroom to make love to her for hours, but they are so impassioned that they don't make it -- and wind up ripping into each other on the staircase on the way up. A typical run-of-the-mill sex scenario between a long-term married couple may be that one partner is stressed from a long day at work and wants to get some sexual release before heading to bed, while the other would rather just read their book in peace, go to sleep unbothered and worry about sex some other time when they are in the mood. In order to avoid conflict and disappointment, one partner gives in to the others desires and the same old sex takes place in the same old bed underneath the same old covers in the same old boring positions; eyes closed and lights off... boring! When sex becomes too boring and too routine, rather than being aroused and looking forward to pleasing and being pleased, people "give up". They wonder how much longer they have to engage in foreplay before it is okay to get to the orgasm. Sometimes people also take issues from outside the bedroom into it, maybe thinking "I'm still mad at him/her from earlier, why on Earth would I give sexual pleasure right now"? Sometimes other insecurities and issues can come into play as well. Maybe there is a problem with premature ejaculation so the other partner rarely reaches their peak, and the focus is just on "getting the job done" so they can move on to other more interesting and engaging activities (like sleep)! Either way, if the sex exists at all, it is brief, goal (orgasm) oriented and is over as quickly as possible. You will find some of the tips on Tantric Sex in the chapters of this book that include: Understanding what tantric philosophy is Meaning of love and sex for Tantra philosophy - intimacy Divine sex in Hinduism Advantages and differences with traditional sex How best to prepare your mind and body for tantric sex using techniques for foreplay, massage, and masturbation Tantra

You Have Tantric Sex come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different How Do You Have Tantric Sex eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon

Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right How Do You Have Tantric Sex eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.
